life in Mason City Iowa and his eventual rise to the top of the music world forms the platform that led to four musicals and dozens of awards Also included are Willson s activities scoring movies directing orchestras on Old Time Radio and even becoming a character on radio and television shows This is the first in depth look at the career of a real music man from north central Iowa

Edward MacDowell's European Piano Music Paul Bertagnolli, 2024-09-10 Edward MacDowell s European Piano Music is a critical study of the piano music that MacDowell composed during his European sojourn 1876 1888 steeped in reception history and with a special emphasis of programmaticism The book expands current knowledge of MacDowell s childhood in four of the chapters based on his previously uninvestigated sheet music collection thereby achieving a better balance among the stages of MacDowell s life than is evident in most books of the life and works variety Prolific contemporaneous music criticism meticulously preserved in MacDowell s scrapbooks is likewise undervalued in the MacDowell literature but it furnishes penetrating observations about the expressive and programmatic content of numerous compositions especially as it was revealed to critics when MacDowell performed his own works Lastly the book offers explanations for why MacDowell immersed himself in European culture for decades and then at a crucial juncture in his career embraced diverse American heritages and worked toward a conception of a pluralistic music that was American in a creative sense The book s content and methodology would appeal most directly to specialists within the broad fields of musicology and music theory particularly within American art music and its composers nineteenth century music program music reception history and piano literature

Altar Music Christin Lore Weber, 2001-09-29 In her achingly beautiful and revelatory first novel Christin Lore Weber a former nun explores the nature and power of passion sexual religious and artistic and brings us into a mysterious cloistered world rarely made public Set in the wild rock and lake region of northern Minnesota this is an exquisitely told tale of three generations of strong willed women and their inner battles to balance personal longings with the disciplines of their church Meghan in the first generation dismisses the priest s injunctions regarding sex and succumbs to her passion for her husband But when family tragedy strikes she believes she has been brought down by the hand of God himself for her sexual indulgence In the second generation Kate is so afraid of what God could take away husbands fathers brothers music even God could take your life if he wanted that she learns to steel herself against any deep emotion or desire to simply endure be faithful and hope to be spared some small thing she loved something perhaps God didn t want By the third generation the passions that moved her mother and grandmother have converged and intensified in young Elise who is roused by forces beyond her understanding She is at once a daughter of the Catholic church a music prodigy and a tuning fork for nature s wildness But upon her high school graduation in 1958 Elise forsakes her musical genius and her family to enter the convent a beautiful exhilarating disillusioning and haunting experience that will drive her ultimately to consider leaving the church Written with stunning lyricism and emotional authenticity Altar Music is a portrait of a nun as a young girl a portrait of a family both defined and divided by its religious beliefs and a powerful story

about mothers and daughters Heart wrenching and thought provoking this novel brilliantly depicts the blurring of the lines between sexual passion artistic passion and religious fervor and the losses we suffer when we try to translate one into another The American Bookseller ,1876

Voicing the Cinema James Buhler,Hannah Lewis,2020-03-16 Theorists of the soundtrack have helped us understand how the voice and music in the cinema impact a spectator s experience James Buhler and Hannah Lewis edit in depth essays from many of film music s most influential scholars in order to explore fascinating issues around vococentrism the voice in cinema and music s role in the integrated soundtrack The collection is divided into four sections The first explores historical approaches to technology in the silent film French cinema during the transition era the films of the so called New Hollywood and the post production sound business The second investigates the practice of the singing voice in diverse repertoires such as Bergman s films Eighties teen films and girls voices in Brave and Frozen The third considers the auteuristic voice of the soundtrack in works by Kurosawa Weir and others A last section on narrative and vococentrism moves from The Martian and horror film to the importance of background music and the state of the soundtrack at the end of vococentrism Contributors Julie Brown James Buhler Marcia Citron Eric Dienstfrey Erik Heine Julie Hubbert Hannah Lewis Brooke McCorkle Cari McDonnell David Neumeyer Nathan Platte Katie Quanz Jeff Smith Janet Staiger and Robynn Stilwell

Teton Sioux Music and Culture Frances Densmore,2001-03-01 Frances Densmore s modestly titled Teton Sioux Music and Culture is one of the many volumes that resulted from her prolific life long project to record and transcribe the traditional music of American Indian peoples The book explores the role of music in all aspects of Sioux life and is a classic of the descriptive genre produced by members of the Smithsonian s Bureau of American Ethnology Music serves as the vehicle for organizing this detailed account of traditional religion warfare and social life enriched by first person narrations by the Lakota men and women who worked with Densmore from 1911 to 1914 to preserve their songs by means of a wax cylinder recorder the modern technology of that period The evident quality of the narratives translations from Lakota as well as the complete transcription and translation of all the Lakota lyrics to the songs resulted from Densmore s close collaboraton with Robert P Higheagle who shared her dedication to the project and was an exceptionally capable translator and cultural mediator The material recorded here on such topics as dreams and visions healing the Sun Dance and buffalo hunting all with appropriate musical transcriptions and song lyrics makes Teton Sioux Music and Culture one of the most significant ethnographic works ever published on the Sioux as well as an important landmark in the study of ethnomusicology Raymond J DeMallie author of The Sixth Grandfather Black Elk s Teachings Given to John G Neihardt 1984 also available in a Bison Books edition Book jacket

Broken Harmony Joseph M. Ortiz,2011-02-14 Music was a subject of considerable debate during the Renaissance The notion that music could be interpreted in a meaningful way clashed regularly with evidence that music was in fact profoundly promiscuous in its application and effects Subsequently much writing in the period reflects a desire to ward off music s illegibility rather than come to terms with its actual effects In

Broken Harmony Joseph M Ortiz revises our understanding of music's relationship to language in Renaissance England In the process he shows the degree to which discussions of music were ideologically and politically charged Offering a historically nuanced account of the early modern debate over music along with close readings of several of Shakespeare's plays including Titus Andronicus The Merchant of Venice The Tempest and The Winter's Tale and Milton's A Maske Ortiz challenges the consensus that music's affinity with poetry was widely accepted or even desired by Renaissance poets Shakespeare more than any other early modern poet exposed the fault lines in the debate about music's function in art repeatedly staging disruptive scenes of music that expose an underlying struggle between textual and sensuous authorities Such musical interventions in textual experiences highlight the significance of sound as an aesthetic and sensory experience independent of any narrative function
