

Famous "G Man" Melvin Purvis corners Dodge Economy!

MELVIN PURVIS, former ace of Federal Bureau of Investigation, U. S. Department of Justice.

"One of the most surprising discoveries I've made is the way my new Dodge saves money!" he says

... and Mr. Purvis adds: "It gives me 19 to 20 miles to the gallon of gas in city driving and as high as 22 miles in the country."

Famed as he is for ferreting out the most sensational facts, Mr. Purvis is not the only Dodge owner who has been amazed at the extraordinary economy of this big, new Dodge "Beauty Winner." Dodge owners from coast to coast are reporting unusually high gas mileage and remarkable oil economy from their new cars.

And that isn't all... Dodge gives you the safety and protection of safety-steel bodies, genuine hydraulic brakes and safety-beam headlights. And Dodge gives you even more—the famous Airslide-Ride... redistribution of weight

evenly to all four wheels... Chair-Height seats, and many other features.

And don't forget, Dodge—at new, low prices, only \$640* and up—now costs only a few dollars more than lowest-priced cars. Inspect this new Dodge today. And remember, it is not unusual for dependable Dodge cars to give their owners up to 200,000 and even more miles of service!

Faithful Travelers James Dodson, 2017-10-24 In Final Rounds James Dodson told the poignant story of the golf trip of a lifetime with his terminally ill father Now armed with a fly fishing rod and reel he embarks with his seven year old daughter on an equally memorable journey across America in search of clear running streams swift elusive fish and the eternal truths that only nature can provide It has been said that life is what happens while you re waiting to go fishing Only weeks after his eleven year marriage abruptly ended in an amicable divorce James Dodson decided to go on a fly fishing pilgrimage west His goal to heal his wounded spirit and explain as best he could the vagaries of life and love to his beautiful precocious seven year old daughter Maggie With his beat up truck Old Blue and his aging retriever Amos Dodson and Maggie travel without plans or reservations following where the spirit and the lure of America s mighty rivers leads them on their way to one of America s grandest treasures Yellowstone National Park On the way Dodson discovers a great deal about fishing about America and about the special relationship that exists only between a father and daughter They travel from the Adirondacks once a fly angler s haven to the mist shrouded Niagara Falls From the Michigan lakes where Ernest Hemingway roamed as a boy to small town county fairs From the majesty of Mount Rushmore to the mysticism of Harney s Peak where Black Elk had his legendary visions to finally the fly fisherman s paradise of the San Juan River Together father and daughter are bound by a tie as resilient and unpredictable as a fly fisherman s line For as the emotional waters in which they fish become ever more turbulent Maggie s unspoken feelings of grief anger and blame begin to surface a depth of hurt that forces Dodson to face his own unacknowledged pain and worse leaves him feeling helpless to make everything all right in his daughter s life again Yet if fly fishing has taught James Dodson anything it is the rewards of patience of following the wisdom of the course of the stream the unexpected revelations reflected in still pools and of course an abiding belief in plain dumb luck With a little of each these faithful travelers will find their way home again Literate honest and deeply observant Faithful Travelers is a beautiful meditation on the bond between parent and child and the nature of love and loss In Faithful Travelers James Dodson proves that sometimes life isn t what happens while you re waiting to go fishing sometimes it happens while you re there
