fiction writer Complete with index The Vampire as Numinous Experience Beth E. McDonald, 2015-01-24 The critical work examines the vampire as a spiritual figure whether literal or metaphorical analyzing how the use of the vampire in literature has served to convey both a human sense of alienation from the divine and a desire to overcome that alienation While expressing isolation the vampire also represents the transcendent agent through which individuals and societies must confront questions about innate good or evil and belief in the divine and the afterlife Textual experiences of the numinous in the form of the vampire propel the subject on a spiritual journey involving both psychological and religious qualities Through this journey the reader and the main character may begin to understand the value of their existence and the divine A variety of works poetry and fiction by British and American authors is discussed with particular concentration on Coleridge's The Rime of the Ancient Mariner Bram Stoker's Dracula and Anne Rice's Vampire Chronicles as representative of the Romantic Victorian and late twentieth century periods of literature A conclusion looks at the future of the literary vampire Afterlife in Popular Culture Kevin O'Neill, 2022-06-17 The Afterlife in Popular Culture Heaven Hell and the Underworld in the American Imagination gives students a fresh look at how Americans view the afterlife helping readers understand how it s depicted in popular culture What happens to us when we die The book seeks to explore how that question has been answered in American popular culture It begins with five framing essays that provide historical and intellectual background on ideas about the afterlife in Western culture These essays are followed by more than 100 entries each focusing on specific cultural products or authors that feature the afterlife front and center Entry topics include novels film television shows plays works of nonfiction graphic novels and more all of which address some aspect of what may await us after our passing This book is unique in marrying a historical overview of the afterlife with detailed analyses of particular cultural products such as films and novels In addition it covers these topics in nonspecialist language written with a student audience in mind The book provides historical context for contemporary depictions of the afterlife addressed in the entries which deal specifically with work produced in the 20th and 21st centuries Books and Beyond Kenneth Womack, 2008-10-30 There's a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey's Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic acheivement This set provides a snapshot of the current state of popular American literature including various types and genres The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk fantasy literature flash fiction GLBTQ literature graphic novels manga and anime and zines Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre s reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Reading in America for pleasure and knowledge continues to be popular

even while other media compete for attention While students continue to read many of the standard classics new genres have emerged These have captured the attention of general readers and are also playing a critical role in the language arts classroom This book maps the state of popular literature and reading in America today including the growth of new genres such as cyberpunk zines flash fiction GLBTQ literature and other topics Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre's critical reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Students will find this book a valuable guide to what they re reading today and will appreciate its illumination of popular culture and **Vampires** Aubrey Sherman, 2014-07-04 A thrilling treasury of vampire lore Since the contemporary social issues seventeenth century people have been frightened mesmerized and fascinated by the terrifying tales of vampires In this book you ll uncover the history and mystery behind these bloodthirsty monsters with folklore mythology and poetry from every tradition in the world From the Bosnian Lampir whose disease ridden corpse spread infection and death throughout villages to Bram Stoker's charming Dracula who helped define modern day vampires the wicked stories surrounding these nocturnal beings are sure to captivate anyone who has ever wondered about these shadow loving creatures Whether you re interested in exploring the culture of vampires or just want to learn more about their supernatural abilities you ll discover dozens of compelling tales historical accounts and haunting legends that shed some light on these sinister beings Complete with detailed illustrations Vampires reveals the dark allure and gruesome power of these creatures of the night
