Memoir My Life And Themes:

Recollections of My Life and Times. An Autobiography by ... J. Morgan ... With Selections from His Journal. Edited by His Son [T. Morgan]. James MORGAN (of Belfast.), 1874 **Recollections of my life and times, an autobiography by J. Morgan, with selections from his journal ed. by his son [T. Morgan].** James Morgan, 1874

The New York Times Book Reviews 2000 New York Times Staff, 2001 This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating and sources, character analysis, comic elements and verbal conceits, evidence of authorship, performance analysis and feminist interpretations. Alongside theater reviews, production photographs and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name, literary work and concept rounds out this valuable resource.

A Pedagogist's Memoir Grant Rodwell, 2025-10-07 Opportunities to write our memoirs are many and varied. To meet emerging demands, the memoir genre continually is evolving, and it is possible for the memoirist to shape the memoirs with varying themes, time and settings to be brought to bear on school education at a senior level and for a range of teacher development programs. Thus, the developing importance of an accompanying exegesis. For better or for worse, childhoods shape adult relationships and attachment styles, profoundly shaping who we are as teachers, teaching styles and generally the things we consider important and not so important. The shape of our childhood and adolescence has a profound impact on how relationships are formed in adulthood. It can affect our ability to trust, be vulnerable and create productive bonds both at school and college and professionally and also our general levels of motivation. Through the aforementioned theme and subthemes, my memoirs here reveal how childhood struggle has shaped my approach to teaching and my academic career from an unskilled labourer from the country, working class in the timber industry, deprived of a high school education and recruited into the workforce at 15 years of age to a senior academic in one of Australia's G8 universities, holding five PhDs. With strong historical backgrounding, a special appeal of this book is its drive to place childhood and adolescent events contained in the memoirs in a wider historical context, looking to transnational movements such as discussions on anachronisms and eugenics. In so doing, the exegesis, a fresh and exciting innovation, is in harmony with the memoirs. The memoir is so refashioned as a pedagogical tool.

Between Two Hells Diarmaid Ferriter, 2021-09-02 THE IRISH BESTSELLER Ferriter has richly earned his reputation as one of Ireland's leading historians. Irish Independent Absorbing A fascinating exploration of the Civil War and its impact on Ireland and Irish politics. Irish Times In June 1922, just seven months after Sinn Féin negotiators signed a compromise treaty with representatives of the British government to create the Irish Free State, Ireland collapsed into civil war. While the body count suggests it was far less devastating than other European civil wars, it had a harrowing impact on the country and cast a long shadow, socially, economically and politically, which included both public rows and recriminations and deep, often private traumas. Drawing on many previously

unpublished sources and newly released archival material one of Ireland's most renowned historians lays bare the course and impact of the war and how this tragedy shaped modern Ireland *A History of Irish Autobiography* Liam Harte, 2018-03-01

A History of Irish Autobiography is the first ever critical survey of autobiographical self representation in Ireland from its recoverable beginnings to the twenty first century The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the English and Irish languages Beginning with a comprehensive overview of autobiography theory and criticism in Ireland the History guides the reader through seventeen centuries of Irish achievement in autobiography a category that incorporates diverse literary forms from religious tracts and travelogues to letters diaries and online journals This ambitious book is rich in insight Chapters are structured around key subgenres themes texts and practitioners each featuring a guide to recommended further reading The volume's extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era the first of its kind to be published *American National Biography* John A. Page is unlike any other craft book on writing. It is based on the premise that practically everything that can go right or wrong in a work of fiction or memoir goes wrong or right on the first page. Those first 300 or so words function like canaries in coal mines forecasting success or predicting trouble. They establish the crucial bond between writer and reader, setting them off together on a path toward the heart or climax of a story, or they fail to do so. From first pages we stand to learn most of what we need to know to succeed as authors. This new workshop and classroom edition of *Your First Page* has been revised to better fit the needs of creative writing classrooms and workshops.

Ireland's 1916 Rising Mark McCarthy, 2016-05-06

In light of its upcoming centenary in 2016, the time seems ripe to ask why, how, and in what ways has memory of Ireland's 1916 Rising persisted over the decades. In pursuing answers to these questions, which are not only of historical concern but of contemporary political and cultural importance, this book breaks new ground by offering a wide-ranging exploration of the making and remembrance of the story of 1916 in modern times. It draws together the interlocking dimensions of history, making commemoration and heritage to reveal the Rising's undeniable influence upon modern Ireland's evolution, both instantaneous and long-term. In addition to furnishing a history of the tumultuous events of Easter 1916, which rattled the British Empire's foundations and enthused independence movements elsewhere, Ireland's 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present. In doing so, it unearths the far-reaching political impacts and deep-seated cultural legacies of the actions taken by the rebels, as evidenced by the most pivotal episodes in the Rising's commemoration and the myriad varieties of heritage associated with its memory. This volume also presents a wider perspective on the ways in which conceptualisations of heritage, culture, and identity in Westernised societies are shaped by continuities and changes in politics, society, and economy. In a topical conclusion, the book examines the legacy of Queen Elizabeth II's visit to the Garden of Remembrance in 2011 and looks to the Rising's 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance.

Writing the Radical Memoir Paul Williams, Shelley Davidow, 2023-05-18

For those that have mastered the basics of memoir and wish to probe this brand of creative nonfiction further, *Writing the Radical Memoir* uses salient theories about memory and the self to challenge assumptions about how we remember and tell the truth of our lives when we write about it. Innovative in approach and making new critical ideas accessible, each chapter maps out the key principles of such writers as Barthes, Lacan, Derrida, Lewis, Mehl, Madrona, Philippe Le Jeune, and Joseph Campbell, invoking literary examples to show how other writers have mastered the idea before reflecting on how you can practically apply the theory to your writing. With original exercises and prompts for further reading that bridge the gap between the theoretical and how it might be put into practice, the book is attentive to the multiple facets of the genre of nonfiction writing, generally covering such topics as The writer-reader contract, How to embark on a thematic symbolic exploration of themes and incidents in your life, How neuroscientific theory can

inform our understanding of memory and recall and what happens to our memories when we remember them Character development and the ethics of writing about real people How constructing your identity in memoir offers a chance to push back against traditional structures That memoir might not be preservation of your past but a process of self erasure How J M Coetzee's *Autobiography* trilogy challenges traditional biography By bringing together lived experience post structuralist and postmodernist theories praxis and artistic vision as a unique approach to writing memoir this book encourages you to think the self how it is portrayed created erased and made strange through the process of writing and remembering

Times of Troubles Andrew Sanders, 2012-05-02 This is the first academic study of the British Army in Northern Ireland It investigates the complex experiences of English Scottish Welsh and Irish soldiers alike during the often controversial Operation Banner 1969-2007 The experiences of these soldiers raise many important and difficult questions on war and policy When do troubles riots and insurgency become war How does a liberal state respond to an internal war within its own borders How does it decide on its rules of engagement for its armed forces Featuring key interviews with former soldiers paramilitaries and Special Branch detectives amongst other key actors the authors attempt to answer these questions and enhance our knowledge of conflict resolution by providing a deep analysis of one of the most significant British military operations since the Second World War Oxford Dictionary of National Biography 2005-2008 Lawrence
