Dunlap, 2012-08-02 Screening calls from her father's creditors hiding his poker mail from her mother being the child of a compulsive gambler wasn t easy and Annette B Dunlap thought for years that her experience was a singular one In early adulthood she was fortunate enough to learn that she was not unique that other children had grown up with parents usually fathers addicted to gambling But when she learned shortly before her mother died that her grandfather had also been involved in gambling she realized the extent to which gambling was a part of her family history As she delved further into the subject she also discovered the extent to which gambling is in her words a peculiarly Jewish addiction Framing the issue of gambling in both historical and sociological terms Dunlap examines the struggle between the official Jewish community Jewish leaders have long either condemned or ignored the evils of gambling and the significant number of everyday Jews who continue to gamble many at a level that would be considered addictive Gambling continues to be a serious problem within the Jewish community Dunlap argues regardless of whether the person is

Orthodox or a Jew in name only The Gambler's Daughter is both a personal story of a father's gambling addiction and a more general inquiry into the hidden history of gambling in the Jewish community Readers who either live or have lived with an addictive family member will find the book useful as will those students of Jewish social history interested in a long ignored facet of American Jewish life Hats & Eyeglasses Martha Frankel, 2008-02-14 Martha Frankel grew up in a warm loving family of diehard gamblers where her father s poker games and her mother s mah jongg blended happily with big pots of delicious food and endless gossip As kids she and her cousins bet on everything from which of their Weight Watching mothers would lose the most to who could hold their breath longest underwater or eat the most matzo But once Frankel left for college and later became a successful entertainment journalist gambling didn t factor much into her life She thought her family legacy had passed her by In this fast paced and amazingly funny The Times Picayune memoir Frankel traces her love affair with poker an obsession that didn t hit until her mid forties And she was good at poker Frankel won routinely whether she was playing in her Wednesday night poker game or in one of the seedy out of the way rooms she always managed to find when on assignment But all this changed when she discovered online poker It was the beginning of what one of her uncles called hats and eyeglasses a term used to describe those times when you re losing so bad your ship is sinking until all that s left on the water's surface are your hat and eyeglasses By turns hilarious and heartbreaking Hats Eyeglasses is a tale of passion addiction and those times in life when we almost lose our shirt The Gambler's Last Pledge Harry You Bet Your Life Neil D.
