The Narrative Complexity of Ordinary Life William L. Randall, 2015-08-20 Our everyday lives are enmeshed in storytelling the stories we tell about our memories the people we know and the world we inhabit those we tell about our families and communities and the narratives we encounter in books movies and television Narrative structures how we view ourselves and everything around us In The Narrative Complexity of Ordinary Life William L. Randall shows how concepts central to the study of narrative psychology such as narrative development and the interrelation between narrative and identity cognition and development are integral to everyday life He makes the case that all people function as narrative psychologists by continually storying their lives in memory and imagination as well as speculating on the stories that others may be living a process that Randall refers to as storyotyping Relying heavily on narrative Randall draws from experiences in his own life to illustrate various concepts in narrative psychology His inquiry leads him to the topics of gossip rumor and the narrative complexity of nostalgia In doing so he makes the case that all people function as narrative psychologists by continually storying or cementing their lives in memory and imagination a process Randall refers to as storyotyping

Saqiyuq Nancy Wachowich, 2001 Saqiyuq is the name the Inuit give to a strong wind that suddenly shifts direction Saqiyuq Stories from the Lives of Three Inuit Women is a vivid portrait of the changing nature of life in the Arctic during the twentieth century Through their life stories a grandmother daughter and granddaughter take us on a remarkable journey in which the cycles of life childhood adolescence marriage birthing and child rearing are presented against the contrasting experiences of three successive generations Their memories and reflections give us poignant insight into the history of the people of the new territory of Nunavut Apphia Awa who was born in 1931 experienced the traditional life on the land while

Rhoda Katsak Apphia's daughter was part of the transitional generation who were sent to government schools. In contrast to both Sandra Katsak, Rhoda's daughter has grown up in the settlement of Pond Inlet among the conveniences and tensions of contemporary northern communities: video games and coffee shops but also drugs and alcohol. During the last years of Apphia's life, Rhoda and Sandra began working to reconnect to their traditional culture and learn the art of making traditional skin clothing. Through the storytelling in *Saqiyuq*, Apphia, Rhoda, and Sandra explore the transformations that have taken place in the lives of the Inuit and chart the struggle of the Inuit to reclaim their traditional practices and integrate them into their lives. Nancy Wachowich became friends with Rhoda Katsak and her family during the early 1990s and was able to record their stories before Apphia's death in 1996. *Saqiyuq: Stories from the Lives of Three Inuit Women* will appeal to everyone interested in the Inuit, the North, family bonds, and a good story.
