Eighteenth-Century Women's Writing and the 'Scandalous Memoir' Caroline Breashears,2017-02-06 This book contributes to the literary history of eighteenth century women s life writings particularly those labeled scandalous memoirs

It examines how the evolution of this subgenre was shaped partially by several innovative memoirs that have received only modest critical attention Breashears argues that Madame de La Touche's *Apologie* and her friend Lady Vane's *Memoirs* contributed to the crystallization of this sub genre at mid century and that Lady Vane's collaboration with Tobias Smollett in *The Adventures of Peregrine Pickle* resulted in a brilliant experiment in the relationship between gender and genre It demonstrates that the *Memoirs of Catherine Jemmat* incorporated influential new strategies for self justification in response to changing kinship priorities and that Margaret Coghlan's *Memoirs* introduced revolutionary themes that created a hybrid the political scandalous memoir This book will therefore appeal to scholars interested in life writing women's history genre theory and eighteenth century British literature [Memoirs of Women Writers, Part III vol 10](#) Gina Luria Walker,2024-10-28
