Memoirs Of A Maverick Publisher

Lewis F. Fisher

Memoirs Of A Maverick Publisher:

Memoirs of a Maverick Publisher Julius David Stern, 1962 Covers a half century of his life as publisher of important newspapers in Seattle Providence New York City Camden Philadelphia and elsewhere The Outsider Dan Rottenberg, 2014-09-22 Albert M Greenfield 1887 1967 an ambitious immigrant outsider was courted for his business acumen by mayors senators governors and presidents including Franklin Roosevelt and Harry Truman As this feisty Russian Jew built a business empire that encompassed real estate stores including Bonwit Teller and Tiffany s hotels including the Ben Franklin and the Bellevue Stratford banks newspapers transportation companies and even the Loft Candy Corporation he challenged the entrenched business elite Greenfield was also instrumental in bringing both major political conventions to Philadelphia in 1948 In The Outsider veteran journalist and best selling author Dan Rottenberg deftly chronicles the astonishing rises falls and countless reinventions of this savvy businessman Greenfield s power allowed him to cross social religious and ethnic boundaries with impunity He alarmed Philadelphia s conservative business and social leaders Christians and Jews alike some of whom plotted his downfall In this engaging account of Greenfield s fascinating life Rottenberg demonstrates the extent to which one uniquely brilliant and energetic man pushed the boundaries of society s limitations on individual potential The Outsider provides a microcosmic look at three twentieth century upheavals the rise of Jews as a crucial American business force the decline of America s Protestant establishment and the transformation of American cities

American Journalists Donald A. Ritchie, 2007 This volume profiles 60 American journalists from colonial times to the present and focuses on news reporters editors publishers and broadcasters whose careers significantly advanced or were symbolic of major changes in their profession Illustrations fact boxes and quotations from the subjects themselves together with the depth and breadth of historical information make this volume an illuminating and fascinating read *Sam Maverick's Trail* Daniel McNeel Lane, MD, PhD, 2017-02-01 After the Mexican Congress ratified the 1848 Treaty of Guadalupe Hidalgo the Rio Grande Rio Bravo was the legal boundary between Texas and Mexico Under the treaty the United States was obligated to prevent raids by hostile tribes in Mexico whose northern frontier had been ravaged by the raids This obligation was accepted despite the absence of a wagon road between San Antonio and El Paso or any U S Army forts with soldiers stationed along the border In fact no Americans including Texans who claimed the lands knew where the border or tribal crossings were located This is the story of the 1848 Hays Expedition the first U S effort to search for a wagon road route along the new border to Chihuahua and El Paso The original intent was to establish a trade route to Chihuahua but the Expedition s efforts to explore the new lands proved to be far more difficult Besides crossing the most rugged terrain in Texas with almost no water sources and starving from lack of food the Expedition survived the first American exploration of the Texas Mexico border and provided critical information that led to the settlement of far West Texas and a new route from the Gulf of Mexico to the Pacific Ocean **Maverick** Lewis F. Fisher, 2017-09-30 By definition a maverick is a lone dissenter

who takes an independent stand apart from his or her associates or a person pursuing rebellious even potentially disruptive policies or ideas The word maverick has evolved in the English language from being the term for an unbranded stray calf to a label given to a nontraditional person to a more extreme uncontrollable individualist iconoclast unstable nonconformist The word has grown into an adjective he made a maverick decision and become a verb mavericking or mavericked Of all the words that originated in the Old West and survive to the present day author Lewis Fisher notes maverick has been called the least understood and most corrupted But where did the word come from The word s definition is still such a mystery that Merriam Webster lists it in the top 10 percent of its most looked up words All of the origin stories agree it had something to do with Samuel A Maverick and his cattle but from there things go amok rather quickly Was Sam Maverick a cattle thief A legendary nonconformist who broke the code of the West by refusing to brand his calves A Texas rancher who believed branding cattle was cruelty to animals A runaway from South Carolina who branded all the wild cattle he could find and ended up with more cattle than anyone else in Texas Samuel A Maverick was a notable landholder and public figure in his own time but his latter day fame is based on the legend that he was a cattle rancher No amount of truth telling about maverick seems to have slowed the tall tales surrounding the word s origination Maverick The American Name That Became a Legend is a whodunit a historical telling of the man who unwittingly inspired the term the family it s derived from the cowboys who embraced it as an adjective meaning rakish and independent the curious inquirers intrigued by its narrative and the appropriators who have borrowed it for political fame Texas historian and secondhand Maverick by marriage Lewis Fisher has combed through Maverick family papers along with cultural memorabilia and university collections to get at the heart of the truth behind the far flung Maverick legends Maverick follows the history of the word through the Maverick gene all the way to Hollywood and uncovers the mysteries that shadow one of our country s iconic words Taken as a whole the book is a fascinating portrayal of how we form use and change our language in the course of everyday life and of the Maverick family s ongoing relationship to its own contributions all seen through the lens of a story featuring cowboys Texas Longhorns rustlers promoters movie stars athletes novelists lawyers mayors congressmen and senators to say nothing of named maverick brands ranging from Ford cars and air to ground missiles to computer operating systems Vermont maple syrup and Australian wines Ironically given its literal meaning as unbranded maverick is a brand name that helped shape the history of the American West and represents the ideal of being true to oneself

The Publishers' Trade List Annual
,1973 American Radical D. D. Guttenplan,2024-05-01 Popular Front columnist and New Deal propagandist Fearless opponent of McCarthyism and feared scourge of official liars Enterprising independent reporter and avid amateur classicist As D D Guttenplan puts it in his compelling book I F Stone did what few in his profession could he always thought for himself America s most celebrated investigative journalist himself remains something of a mystery however Born Isidor Feinstein in Philadelphia raised in rural New Jersey by the age of 25 this college drop out was already an influential newsman and

enjoying extraordinary access to key figures in New Deal Washington and the friendship of important artists in New York It is Guttenplan s wisdom to see that the key to Stone s achievements throughout his singular career and not just in his celebrated I F Stone s Weekly lay in the force and passion of his political commitments Stone s calm forensic yet devastating reports on American politics and institutions sprang from a radical faith in the long term prospects for American democracy His testimony on the legacy of American politics from the New Deal and World War II to the era of the civil rights struggles the Vietnam War and beyond amounts to as vivid a record of those times as we are likely to have Guttenplan s lively provocative book makes clear why so many of his pronouncements have acquired the force of prophecy From Paesani to White Ethnics Stefano Luconi,2001-02-01 Examines the transformations of Italian American ethnic identity in twentieth century Philadelphia Biographical Books, 1950-1980 R.R. Bowker Company. Department of Bibliography,1980 *The Wretched and Undone* J. E. Weiner,2025-03-18 A searing Southern Gothic saga unfolds in the Texas Hill Country where history s silenced voices rise amidst an astonishing tale On the eve of the Civil War Polish immigrants Marcin and Agnieszka Anderwald arrive in Bandera Texas seeking a fresh start in a new land of faith fertile soil and freedom But their dreams quickly become nightmares when Marcin provokes a sinister specter hell bent on revenge A battle ensues for the hearts minds and souls of the Anderwalds and their extended family of immigrant outcasts Arab camel wranglers wounded warriors and a songstress on the verge of madness As the generations unfold each faces its own harrowing ordeal against unrelenting evil Will the Anderwalds break free or remain forever wretched and undone Heralded as a genre bending thrill ride through Old Texas with characters so well crafted they crawl off the page *The Wretched and Undone* was named a Killer Nashville Top Pick for 2024 and a Claymore Award Finalist for Best Southern Gothic **The Publishers Weekly** ,1911 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1963 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June **Capital of the World** Charlene Mires,2013-03-04 A fascinating account of the enthusiastic effort to establish a home for the fledgling United Nations at the end of World War II Mires creates a powerful sense of suspense as she describes the intense competition among boosters from New York Boston Philadelphia and even the Black Hills of South Dakota In lively and elegant prose from the first sentence to the last she captures the contradictory visions of the Capital of the World that persisted from beginning to end Allan M Winkler Distinguished Professor of History Miami University From 1944 to 1946 as the world pivoted from the Second World War to an unsteady peace Americans in more than two hundred cities and towns mobilized to chase an implausible dream The newly created United Nations needed a meeting place a central place for global diplomacy a Capital of the World But what would it look like and where would it be Without invitation civic boosters in every region of the United States leapt at the prospect of transforming their hometowns into the Capital of the World The idea stirred in big cities Chicago San Francisco St Louis New Orleans Denver and more It fired imaginations in the Black Hills of South Dakota and in small towns from coast to coast

Meanwhile within the United Nations the search for a headquarters site became a debacle that threatened to undermine the organization in its earliest days At times it seemed the world s diplomats could agree on only one thing under no circumstances did they want the United Nations to be based in New York And for its part New York worked mightily just to stay in the race it would eventually win With a sweeping view of the United States place in the world at the end of World War II Capital of the World tells the dramatic surprising and at times comic story of hometown promoters in pursuit of an extraordinary prize and the diplomats who struggled with the balance of power at a pivotal moment in history Charlene Mires is Associate Professor of History at Rutgers University Camden She is the author of Independence Hall in American Memory and a co recipient of a Pulitzer Prize in journalism

Women and the Texas Revolution Mary L. Scheer,2012 Historically wars and revolutions have offered politically and socially disadvantaged people the opportunity to contribute to the nation or cause in exchange for future expanded rights Although shorter than most conflicts the Texas Revolution nonetheless profoundly affected not only the leaders and armies but the survivors especially women who endured those tumultuous events and whose lives were altered by the accompanying political social and economic changes

The Postwar Decline of American Newspapers, 1945-1965 David R. Davies,2006-07-30 On the surface the American newspaper industry appears to have changed little from 1945 to 1965 remaining both healthy and prosperous The number of newspapers in 1965 was about the same as in 1945 while during the twenty year period advertising revenues increased substantially despite new competition from television Just as in 1945 the vast majority of newspapers went to press with improved but old fashioned letterpress methods in 1965 And newspaper reporters still professed a strong if now somewhat shaken faith in the federal government at the end of the twenty years But the surface appearance of both stability and profitability obscured profound change In the two decades after World War II the business of newspaper publishing changed significantly in myriad ways By 1965 editors and publishers had recognized the extent of these changes and were beginning to adjust Each of the changes was significant of its own accord and the range of challenges throughout the period combined to transform newspapers and the nation they served by 1965 This transformation was evident to varying degrees in newspapers content their production methods their economic position within the overall media marketplace and their relationship with government Newspapers some more than others made strides to keep up with and overcome some of these challenges But in each of these areas newspapers as a group were slow to respond to the problems facing journalism

Transforming Memories in Contemporary Women's Rewriting L. Plate,2010-12-08 Including topics as diverse as feminism and its relationship to the marketplace plagiarism and copyright silence and forgetting and myth in a digital age this book explores the role of rewriting within feminist literature from the 1970s onwards in relation to the theme of cultural memory

Gotham at War Mike Wallace,Distinguished Professor Emeritus of History Mike Wallace,2025-10 The culminating volume in the acclaimed Gotham series Gotham at War delivers an unforgettable portrait of America s greatest city during history s

most catastrophic conflict Gotham at War unveils the history of New York and the Second World War from isolationism and factionalism to crucible of the American effort and the Allied Cause in a total and global war Kaleidoscopic and immersive Gotham at War captures the full spectrum of New York and the war from every possible aspect social political economic and military Even before the war had started street battles between New York s homegrown fascists and the workers movement allied with immigrants from all over the world and their children in the barrios of Gotham played prelude Set in the generation after race scientists based in the elite warrens of the Upper East Side championed and then imposed national immigration restriction Gotham at War sees New Yorkers struggle to shake off the city s eugenic past Between 1933 and 1945 the city wrestled with itself starting from the rise of Hitler through isolationism and growing interventionism through Pearl Harbor and a full throated war effort when millions of American soldiers and sailors and billions of tons of materiel passed through New York s waterfronts to the warfronts Along the way Mike Wallace s saga traces the transformation of New York embracing garment workers and skyscrapers the subway and Wall Street gangsters and idealists pols and reformers nightclubs and boardrooms Nazi infiltrators and FBI gumshoes magazines and movies shuls and cathedrals every neighborhood every industry and all the peoples of the city swept up in a world that had caught fire Here is a portrait of a city and a war like no other Gotham at War traces the transformation of New York from Depression wracked mother of exiles to a front in the Second World War and ultimately to the seat of the United Nations and a very contested capital of the world

Book Review Digest Leslie Dunmore-Leiber,1976 The Gilded Age Press, 1865-1900 Ted C. Smythe,2003-08-30
American newspapers redefined journalism after the Civil War by breaking away from the editorial and financial control of the Democratic and Republican parties Smythe chronicles the rise of the New Journalism where pegging newspaper sales to market forces was the cost of editorial independence Successful papers in post bellum America thrived by catering to a mass audience which increased their circulations and raised their advertising revenues Still active politically independent editors now sought to influence their readers opinions themselves rather than serve as conduits for the party line Death of a Legend Bill Groneman,1999-06-15 On March 6 1836 one of the most well known Americans of his time fought and died in one of America s most celebrated battles In recent years the fate of David Crockett at the Alamo has become a subject of controversy and debate

Uncover the mysteries within is enigmatic creation, **Memoirs Of A Maverick Publisher** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
