Small James Herriot, 2020-09-17 Fresh out of Glasgow Veterinary College to the young James Herriot 1930s Yorkshire seems to offer an idyllic pocket of rural life in a rapidly changing world But from his erratic new colleagues brothers Siegfried and Tristan Farnon to incomprehensible farmers herds of semi feral cattle a pig called Nugent and an overweight Pekingese called Tricki Woo James finds he is on a learning curve as steep as the hills around him And when he meets Helen the beautiful daughter of a local farmer all the training and experience in the world can't help him ***Vet in Harness*** James Herriot, 1982-04-19 The Yorkshire dales have never seemed more beautiful for James now he has a lovely wife by his side a partner's plate on the gate and the usual menagerie of farm animals pets and owners demanding his constant attention and teaching him a few lessons along the way All of the old Darrowby friends are on top form Siegfried thrashes round the practice Tristan occasionally buckles down for finals and James is signed up for a local cricket team **The Best of James Herriot** James Herriot, 1982 The Best of James Herriot is one of the most extraordinary volumes ever devoted to the work and world of a contemporary writer Within its covers are unforgettable episodes from the remarkable series of memoirs that began with *All Creatures Great and Small* the ones my family and I have laughed at over the years and the ones my readers have said they most enjoyed as Herriot himself put it Yet the book is far more than a simple anthology Its gorgeous pages also include hundreds of line drawings and color photographs capturing Herriot's Yorkshire in a worthy complement to the writer's words The 1991 publication of *Every Living Thing* rendered the original edition of this book incomplete This fall will mark the publication of the complete definitive edition with the addition of five of his best more recent stories as well as new art Once again The Best of James Herriot becomes the quintessential Herriot volume one of those invaluable books that will be loved as much in decades to come as it is today ***Vet in a Spin*** James Herriot, 1993 James Herriot strapped into the cockpit of a Tiger Moth trainer feels rather out of place but he hasn't found a new profession and it surely won't be long before the RAF come round to his point of view James Herriot's sixth volume of unforgettable memoirs sees him dreaming of the day when he can rejoin his wife Helen little son Jimmy veterinary partner Siegfried the eternal student Tristan and all the old Darrowby crows both two legged and four ***It Shouldn't Happen to a Vet*** James Herriot, 2012-06-28 From the author whose books inspired the BBC series *All Creatures Great and Small* *It Shouldn't Happen to a Vet* is the second volume of James Herriot's classic memoirs a book for all those who find laughter and joy in animals and who know and understand the magic and beauty of Britain's wild places Lesson number one When taking a cow's temperature the old fashioned way never let go of the thermometer Now firmly ensconced in the sleepy Yorkshire village of Darrowby recently qualified vet James Herriot has acclimatized to life with his unpredictable colleagues brothers Siegfried and Tristan Farnon But veterinary practice in the 1930s was never going to be easy and there are challenges on the horizon from persuading his clients to let him use his modern equipment to becoming an uncle to a pig called Nugent Throw in his first encounters with Helen the beautiful daughter of a local farmer and this year looks to be as eventful as the last ***Memoirs of the Geological Survey***
