Memoirs of the Reign of King George the Third Horace Walpole,1845 *The Scandal of George III's Court* Catherine Curzon,2018-10-30 From Windsor to Weymouth the shadow of scandal was never too far from the walls of the House of Hanover Did a fearsome duke really commit murder or a royal mistress sell commissions to the highest bidders and what was the truth behind George III s supposed secret marriage to a pretty Quaker With everything from illegitimate children to illegal marriages dead valets and equerries sneaking about the palace by candlelight these eyebrow raising tales from the reign of George III prove that the highest of births is no guarantee of good behavior Prepare to meet some shocking ladies some shameless gentlemen and some politicians who really should know better So tighten your stays hoist up your breeches and prepare for a gallop through some of the most shocking royal scandals from the court of George III s court You ll never look at a king in the same way again **Memoirs of the Reign of King George the Third** Horace

Walpole, Denis Le Marchant, 2018-05-18 **Kings of Georgian Britain** Catherine Curzon, 2017-03-30 This royal historian's lively study of the four Georges who sat on the English throne for over a century is a joy Jane Austen's Regency World For over one hundred years of turmoil upheaval and scandal Great Britain was a Georgian land From the day the German speaking George I stepped off the boat from Hanover to the night that George IV bloated and diseased breathed his last at Windsor the four kings had presided over a changing nation Kings of Georgian Britain offers a fresh perspective on the lives of the four Georges and the events that shaped their characters and reigns From love affairs to family feuds political wrangling and beyond it is a chance to peer behind the pomp and follow these iconic figures from cradle to grave After all being a king isn't always about grand parties and jaw dropping jewels and sometimes following in a father's footsteps can be the hardest job around Take a step back in time and meet the wives mistresses friends and foes of these remarkable kings who shaped the nation and find out what really went on behind closed palace doors Whether dodging assassins marrying for money digging up their ancestors or sparking domestic disputes that echoed down the generations the kings of Georgian Britain were never short on drama A chronological series of amusing anecdotes Curzon is often whimsical has a good sense of pace and you can imagine her stifling a smirk while writing this unusual biography History of Royals **The Townshend Moment** Patrick Griffin, 2017-01-01 The captivating story of two British brothers whose attempts to reform an empire helped to incite rebellion and revolution in America and insurgency and reform in Ireland Patrick Griffin chronicles the attempts of brothers Charles and George Townshend to control the forces of history in the heady days after Britain's mythic victory over France in the mid eighteenth century and the historic and unintended consequences of their efforts As British chancellor of the exchequer in 1767 Charles Townshend instituted fiscal policy that served as a catalyst for American rebellion against the Crown while his brother George's actions at the same moment as lord lieutenant of Ireland politicized the kingdom leading to Irish legislative independence This fascinating study is the first to consider as a linked history the influence of two all but forgotten brothers both of whom rose to national prominence in the same year Griffin vividly reconstructs the many worlds the Townshends moved through and explores how their shared conception of an empire that could harness the wealth of America to the manpower of Ireland initiated an age of revolution
