IT'S FOREVER STRICTLY PERSONAL: A Final Nostalgic

Movie Memoir of 1992-1999 Eric Friedmann, 2023-03-13 It's Forever Strictly Personal concludes Eric Friedmann's journey through the movies during the eight year period of 1992 to 1999. While he and the rest of the world embraced blockbuster motion pictures like Jurassic Park, Mission Impossible, Independence Day, Titanic, and The Matrix, it was also alternative films like A River Runs Through It, Like Water For Chocolate, Pulp Fiction, The Usual Suspects, and Life Is Beautiful that captured the attention of his adulthood and forever reminded him of the endless possibilities of cinema. Eric's personal story about the movies is forever told with great memory and affection for those who still remember when movies changed us, helped us to grow, and evolved into deep rooted memories for all of us who loved sitting in front of the big screen and waited for the magic to unfold. Movies comfort us, teach us, and hopefully try to answer the big questions of why in life. Eric Friedmann: So are you ready to go back one last time and remember?

Grace & Power Sally Bedell Smith, 2011-08-15 Unlike so many other books, Grace and Power rejects gossip and conspiracy theory to tell the story of John and Jackie's three years in the White House soberly, comprehensively, and sensitively from beginning to sudden end. Sally Bedell Smith's book on John and Jackie Kennedy was hailed by authoritative reviewers on both sides of the Atlantic as the most distinguished and well-written book on a perennially fascinating subject for years. In the US, the hardback was high on the New York Times bestseller list for weeks. It is an immensely poignant chronicle of pivotal historical events seen from the inside out, from within the private home of the President and First Lady. Amidst the superficial opulence of their social circle, we see the Cuban Missile Crisis and the burgeoning American civil rights movement from the perspective of an invalid president, often barely well enough to appear in public. Together with his young wife, abandoned by her husband's relentless womanising, nevertheless changed the politics and style of America. Grace and Power is the classic account of that time.
