The Plot to Perpetuate Slavery Phil Roycraft,2024-08-06 In the aftermath of the September 1862 Battle of Antietam President Abraham Lincoln issued the most significant presidential decree in American history the Emancipation Proclamation which would forever free all slaves in territory not under Union control Nevertheless his chief military commander in the field Major General George B McClellan was outraged Within days two former Union officers nefariously crossed the lines into rebeldom an initiative resulting in an elaborate subterfuge to scam Lincoln into withdrawing the Proclamation in return for nebulous promises of peace This book tells the story obscured in a veil of secrecy for 150 years of the cloak and dagger chess match between Union detectives and Southern operatives in the months before emancipation become effective Despite an ominous warning by author Herman Melville five years before the scheme to perpetuate slavery

almost succeeded for it was engineered by a man the National Police Gazette once declared the King of the Confidence Men

**J. E. B. Stuart** Edward G. Longacre, 2025-08-05 Edward Longacre provides a balanced portrait of the Civil War's famed cavalryman J. E. B. Stuart, debunking myths to reveal a complex man known for both his military brilliance and personal flaws. Fifteen years have passed since the publication of the last biography of Jeb Stuart. Several appeared during the last century lauding his contributions to Confederate fortunes in the Eastern Theater. Each follows a familiar tradition established by hero-worshipping subordinates portraying its subject as a model of chivalric conduct with a romantic's outlook on life and a sense of fair dealing and goodwill even toward his enemy J. E. B. Stuart. The Soldier and the Man by award-winning author Edward Longacre is the first balanced, detailed and thoroughly scrutinized study of the life and service of the Civil War's most famous cavalryman. Long known to scholars and history buffs alike as The Beau Sabreur of the Confederacy, James Ewell Brown Stuart of Virginia was possessed of many gifts personally and professionally and led the Army of Northern Virginia's cavalry to the all-but-complete satisfaction of his superiors. Stuart insisted Robert E. Lee never brought me a piece of false information. Being human, Stuart also underperformed. On occasion he underestimated his opponents, took unnecessary risks with his habitually understrength command, failed to properly discipline and motivate his troopers and was prone to errors both strategic and tactical. These flaws were evident during the Gettysburg Campaign when his wayward route to the battlefield deprived Lee of the ability to safely negotiate his path toward a climactic confrontation with the Union Army of the Potomac. Because of his outsized wartime reputation, one embellished in the century and a half since, most of Stuart's errors have passed virtually unnoticed or when addressed have been excused or explained away in some fashion. Longacre's study is based on hundreds of published works, archival sources and newspapers. He probes not only Stuart's military career but elements of his character and personality that invite investigation. Even the man's fiercest partisans admitted that he was vain and inordinately sensitive to criticism with a curious streak of immaturity at times, the hard-edged veteran at other times a devotee of the pageantry of war, given to affectations such as ostrich-plumed hats, golden spurs and the headquarters musicians who accompanied him on the march. Ever motivated by appeals to vanity, he courted the patronage of powerful men and responded readily to the attentions of attractive women even though by 1861 he was a long-married man. Personal flaws and limitations aside, Stuart was popular with his officers and men, beloved by members of his staff and considered by the people of his state and region the beau idéal of Confederate soldiery. The distinction endures today. Longacre's *J. E. B. Stuart* is an attempt to determine its validity. **The New International Encyclopaedia**, 1914 *The New International Encyclopædia* Frank Moore Colby, Talcott Williams, 1922 **New International Encyclopedia**, 1914 [Confederate Artillery Organizations](#) F.
