**The Memoirs of God** Giovanni Papini, 1926      *The Memoirs of God* Mark S. Smith, This insightful work examines the variety of ways that collective memory oral tradition history and history writing intersect Integral to all this are the ways in which ancient Israel was shaped by the monarchy the Babylonian exile and the dispersions of Judeans and the ways in which Israel conceptualized and interacted with the divine Yahweh as well as other deities      *Memoirs of God* Clement Leibovitz, 1984      **Your Moment Is Now** Lu Ann Topovski, 2020-04-17 These stories are shared authentically by people who trusted God through personal trials We are all unique and interesting individual beings We laugh cry get excited and get angry Our range of emotions vary with circumstances but it is often our faith in God which pulls us through events that are life changing or life threatening As you read through each story you might feel the emotion felt by the individuals sharing their story It is because your soul will relate to their soul and their life event That means it might be transforming you as you read a story in which you too can relate You are about to join in on some personal journeys where God intervened These individual situations have no other explanation except God s hand of intervention These amazing stories will change your perspective and maybe change your life To God be the glory With love Lu Ann Topovski      **How God Found Me** Ma Jaya Sati Bhagavati, 2020-02 Ma Jaya s memoir leads us through her adventurous childhood in Coney Island her awakening as a spiritual guru and her life of fearless love and devotion With this book I give you my history primitive as it is my history of learning how to live in a world this is filled with so much hate and at the same moment filled with so much beauty and love I never wanted to teach I only wanted to share my life There is a sacred river in India so brilliant in her love as she continuously flows toward every human being and everyone that comes toward her is blessed and purified My wish was that I could always be like that river Now when there is so much pain in the world the whole river is in my heart and the river has overflowed her banks      *How Do We Know When It's God?* Dan Wakefield, 2010 A memoir of a ten year period that began when a profound religious reawakening interrupted decades of atheism and hard living The unexpected challenge of maintaining his faith over the long haul brings Wakefield to the realization that spirituality is not static and that each day holds the promise of renewal Provided by publisher      **Your Moment Is Now** Lu Ann Topovski, 2020-04-17 These stories are shared authentically by people who trusted God through personal trials We are all unique and interesting individual beings We laugh cry get excited and get angry Our range of emotions vary with circumstances but it is often our faith in God which pulls us through events that are life changing or life threatening As you read through each story you might feel the emotion felt by the individuals sharing their story It is because your soul will relate to their soul and their life event That means it might be transforming you as you read a story in which you too can relate You are about to join in on some personal journeys where God intervened These individual situations have no other explanation except God s hand of intervention These amazing stories will change your perspective and maybe change your life To God be the glory With love Lu Ann

*Memoirs of Forgiveness: H.E.A.L.E.D. By G.R.A.C.E.* Ethel L Goodrich,2025-08-06 Your pain cost you an unforgettable moment in time But the resulting testimony is salvaging a lifetime for many Hart Ramsey Scripture Matthew 5 43 44 43 You have heard that it was said Love your neighbor and hate your enemy 44 But I tell you love your enemies and pray for those who persecute you So many scriptures have taken on new meanings to me God has personally given me a deeper understanding of Who He is and the understanding of my relationship with Him No two people have the same personal relationship with God Each relationship is younique to that individual Only God could have cause me to pray and intercede on behalf of those who took my child s life especially when I was believing and depending on God to heal and make my family whole on this side of the living Only God could give me a heart of compassion and empathy for the predators and the victim He has allowed me to walk in both shoes The enemy has used people to cheer me on openly and hate on me behind closed doors and that is okay with me I do not take it personal and I get it Until I really took the time to get to God and myself on a much deeper level I was just going through the motions But when my daughter died I started putting action behind the words I was speaking the words I love you didn t mean anything until God showed me what Love was and what it should look and feel like then I had a greater appreciation and understanding of love I didn t think all the grief that I had been carrying around on the inside had given birth to this inner child that was full of rage and dying the child within was releasing toxins poisons into my blood and it was killing me slowing slowly through the outward outburst of rage that occasionally showed up at the most awkward time it was slowly killing me through the hateful and venomous words that were in my heart and rolled off my lips with such ease when I became angry or worse felt backed up into a corner But I m so Grateful that God Loved me so much that He overlooked my flaws and decided to walk me down Grace and Mercy Highway showing me how He had kept me for such a time as now Because of His Love for me how could I not have empathy for the ones that took my her life how

could I not pray for them and their mothers My flesh may get weak at times BUT MY SPIRIT IS SOLID So don't read my journal and feel sorry for me because I don't I know Who I AM and I know WHOSE I AM my Father's Daughter An Anointing Queen covered in His Glory Father God I Thank You in advance for the Vision and Purpose You have ordained this Memoir for May it reach ALL that need this Radical Transparency and may it Glorify Your Name Not my will But Your Will Be Done Giving You the Highest Praise Singing Glory Hallelujah
