Memoirs Of Jesus Of Nazareth:

Dr. Dahesh's Arabic Work, Memoirs of Jesus, the Nazareth Fawzi A. Burgess, 1982 **Memoirs of Jesus of Nazareth** Dahesh, 1993-02-01 *Zealot* Reza Aslan, 2013-07-16 1 NEW YORK TIMES BESTSELLER A lucid intelligent page turner Los Angeles Times that challenges long held assumptions about Jesus from the host of Believer Two thousand years ago an itinerant Jewish preacher walked across the Galilee gathering followers to establish what he called the Kingdom of God The revolutionary movement he launched was so threatening to the established order that he was executed as a state criminal Within decades after his death his followers would call him God Sifting through centuries of mythmaking Reza Aslan sheds new light on one of history s most enigmatic figures by examining Jesus through the lens of the tumultuous era in which he lived Balancing the Jesus of the Gospels against the historical sources Aslan describes a man full of conviction and passion yet rife with contradiction He explores the reasons the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary And he grapples with the riddle of how Jesus understood himself the mystery that is at the heart of all subsequent claims about his divinity *Zealot* yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus life and mission Praise for *Zealot* Riveting Aslan synthesizes Scripture and scholarship to create an original account The New Yorker Fascinatingly and convincingly drawn Aslan may come as close as one can to respecting those who revere Jesus as the peace loving turn the other cheek true son of God depicted in modern Christianity even as he knocks down that image The Seattle Times Aslan s literary talent is as essential to the effect of *Zealot* as are his scholarly and journalistic chops A vivid persuasive portrait Salon This tough minded deeply political book does full justice to the real Jesus and honors him in the process San Francisco Chronicle A special and revealing work one that believer and skeptic alike will find surprising engaging and original Jon Meacham Pulitzer Prize winning author of Thomas Jefferson The Art of Power Compulsively readable This superb work is highly recommended Publishers Weekly starred review **Autobiography by Jesus of Nazareth** Olive G. Pettis, 1894 [Jesus of Nazareth, King of the Jews](#) Paula Fredriksen, 2012-11-07 Paula Fredriksen renowned historian and author of *From Christ to Jesus* begins this inquiry into the historic Jesus with a fact that may be the only undisputed thing we know about him his crucifixion Rome reserved this means of execution particularly for political insurrectionists and the Roman charge posted at the head of the cross indicted Jesus for claiming to be King of the Jews To reconstruct the Jesus who provoked this punishment Fredriksen takes us into the religious worlds Jewish and pagan of Mediterranean antiquity through the labyrinth of Galilean and Judean politics and on into the ancient narratives of Paul s letters the gospels the Dead Sea Scrolls and Josephus histories The result is a profound contribution both to our understanding of the social and religious contexts within which Jesus of Nazareth moved and to our appreciation of the mission and message that ended in the proclamation of Jesus as Messiah **Jesus of Nazareth, My Own Story** Kurt Schneider, 2017-03-21 This book does

accurately portray the life of Jesus of Nazareth as brought forth to this one Kurt Schneider by means of energetic communication which does capture the intent of Jesus 100% and does in fact bring forth many heretofore unknown facts about this man in passing who did by the grace of God become one who did heal many and did even become persecuted by Rome

Memoirs of How It All Began Mark F. Whitters,2019-11-15 This is a prequel to Memoirs of an Unfinished Tale a summary of what the followers of Jesus did after Jesus was no longer present Luke steps out of the text once more to communicate directly with Theophilus his companion and with us as if we all are meeting Jesus for the first time What was it that drew everyone to Jesus in the first place Luke arranges a revised script that brings the characters to life as actors and then calls us into performance alongside them In such an imaginative world there is no predetermined outcome of the story Instead we find ourselves in a what if restaging of Jesus life and the responses of his followers This is a fresh way of presenting the Bible a method based on a rapidly growing movement in college and university classrooms called reacting Nonetheless it is in line with more traditional ways of understanding Scripture as performed in the context of liturgy Within Memoirs of How It All Began there are six different gaming applications intended to bring our generation into Luke's world or Luke into our world At the same time this book challenges the individual reader with creative poems and illustrations and a built in system of interpretative questions for daily readings

The Autobiography Richard G. Patton,1997-11-01 Undergoing regression therapy the author found that not only had he known the man we have now come to know as Jesus but that he had been present at the most infamous meal of all time This is not a work of fiction Page 4 of cover
