Saved By Grace

Maria Balestrieri, 2022-11-03 You've no doubt heard the old adage, "Life begins at forty." In my case, a truer statement could not have applied. That year I was faced with what would be two bouts of cancer in eighteen months. My former life disappeared and I learned to live what other survivors call the new normal. I was fortunate enough to be surrounded by family and friends during those difficult days and soon my friendships would grow exponentially as I began a new hobby. It is not just a hobby; it is a floating support group and I have relied on them ever since. I believe God's grace has given me the strength and skills I needed to not just survive my health challenges but to thrive. Grace is also the nickname I was given by my dragon boat team and it holds special significance. I believe that both God and my involvement with the team were key to my recovery.

Beyond the Brokenness

Olivia Teja, 2025-05-06 In the sun-kissed plains of Oklahoma, a spirited girl with fiery red hair embarks on a journey of self-discovery that will shape her future in ways she never imagined. A heart-warming tale of courage, connections and the enduring power of faith and family. She navigates abuse, betrayals and personal tragedy to ultimately find strength and renewal. Each step reveals new layers of her identity, showing her that love and lessons from her past paired with her steadfast faith hold key to a future filled with purpose and promise. Perfect for readers who cherish uplifting stories of growth, resilience and faith.

River of Faith

Dinah Grace Davis, 2020-09-22 Jim Davis and Fayne Kirley were born eleven years and thousands of miles apart. Somehow a beach boy from California and a rancher's daughter from South Dakota found each other in 1939. Their relationship survived Jim's capture and subsequent imprisonment of nearly four years by the Japanese in WWII. Following the war, Jim and Fayne married, but Fayne was unprepared for life with a former POW, for being an officer's wife and for the regimentation of Navy life. After the war, Jim's sometimes erratic behavior and the Navy's misunderstanding of PTSD led to leaving the service prior to his twenty years. The ensuing years of raising three children in such diverse places as Virginia, Arizona, Hawaii, Wyoming and California proved to be full of challenges and growth. For Jim and Fayne, love and faith were the added ingredients needed for their survival and resilience during the tumultuous 1940s and 1950s and beyond. Author Dinah Davis researched her ancestors back several generations to England, Scotland and Germany. There are stories of their immigration to this country from the 1600s through the 1800s, including the settling of the Midwest, South Dakota and California. This fascinating generational saga is packed with pictures and family trees. Davis's hope is that readers and future generations of Kirleys, Howlands and Davises will discover that most lives are interesting, complicated and full of possibilities.

Well-Come Grace

Suzanne Tocher, 2013 Am I normal? Something many worry about. Taken to extreme dissatisfaction with our body image can mushroom into clinical obsession. The author needed both faith and counselling in order to mend herself.

[She Writes for Him](#) Carol Kent, Tammy Trent, Dr. Sandra Dalton-Smith, 2020-05-12 It's not often we speak about abortion, shame, betrayal, depression, anxiety, and loss in our circles of faith. Life is messy, and yet we need not silence these stories. *She Writes for Him: Stories of Resilient Faith* is written by brave women who have boldly ventured out to tell their hard stories. These resilient women have found that God can be trusted in the midst of difficult and tragic circumstances. They have found God's redemption in their pain and their willingness to look doubts in the face and claim God's steadfast love over their trials. This book is Redemption Press's debut in a series meant to infuse hope and courage to others who have experienced a similar journey that they might know they are not alone and can find healing.
