Memoirs of the Foreign Legion. By M.M. [Maurice Magnus]. With an Introduction by D.H. Lawrence Maurice MAGNUS,France. Armée. Légion étrangère,1924 **Memoirs of the Foreign Legion** ,1924 **Memoirs of the Foreign Legion, W. an Introd. by D. H. Lawrence** Maurice Magnus,1924 **Memoirs of the Foreign Legion (Classic Reprint)** Maurice Magnus,2017-11-19 Excerpt from Memoirs of the Foreign Legion He looked a man of about forty spruce and youngish in his deportment very pink faced and very clean very natty very alert like a Sparrow painted to resemble a tom tit He was just the kind of man I had never met little smart man of the shabby world very much on the spot don t you know About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Fighting for the French Foreign Legion Alex Lochrie,2009-11-19 A soldier s true story of danger and adventure as a modern day legionnaire in Kuwait Bosnia and beyond With no French language ability Alex Lochrie approached recruiters for the French Foreign Legion in Paris and embarked on the demanding selection process that followed When he was accepted he and other prospective legionnaires were sent to Southern France to begin the harsh recruit training course The mix of nationalities and backgrounds among his fellows was enormous New members are traditionally allowed to change their identities and Lochrie chose to alter his age becoming twenty eight instead of thirty eight Elite paratrooper training followed in Corsica before Lochrie earned his wings The FFL is never far from the front line and in this book he tells of challenging active service in former French colonies in Africa as well as during the first Gulf War evicting Saddam Hussein from Kuwait and operations in Bosnia and Sarajevo This gripping account lifts the veil of mystery and myth pulling you into the action and revealing much about the realities of service in the Foreign Legion **Burning Man** Frances Wilson,2025-08-22 Shortlisted for the James Tait Black Prize An electrifying revelatory new biography of D H Lawrence with a focus on his difficult middle years Never trust the teller wrote D H Lawrence trust the tale Everyone who knew him told stories about Lawrence and Lawrence told stories about everyone he knew He also told stories about himself again and again a pioneer of autofiction no writer before Lawrence had made so permeable the border between life and literature In *Burning Man* The Trials of D H Lawrence acclaimed biographer Frances Wilson tells a new story about the author focusing on his decade of superhuman writing and travel between 1915 when *The Rainbow* was suppressed following

an obscenity trial and 1925 when he was diagnosed with tuberculosis Taking after Lawrence s own literary model Dante and adopting the structure of The Divine Comedy Burning Man is a distinctly Lawrentian book one that pursues Lawrence around the globe and reflects his life of wild allegory Eschewing the confines of traditional biography it offers a triptych of lesser known episodes drawn from lesser known sources including tales of Lawrence as told by his friends in letters memoirs and diaries Focusing on three turning points in Lawrence s pilgrimage his crises in Cornwall Italy and New Mexico and three central adversaries his wife Frieda the writer Maurice Magnus and his patron Mabel Dodge Luhan Wilson uncovers a lesser known Lawrence both as a writer and as a man Strikingly original superbly researched and always revelatory Burning Man is a marvel of iconoclastic biography With flair and focus Wilson unleashes a distinct perspective on one of history s most beloved and infamous writers

Voices of the Foreign Legion Adrian D. Gilbert, 2014-07-01 The French Foreign Legion has built a reputation as one of the world s most formidable and colorful military institutions Established as a means of absorbing foreign troublemakers the Legion spearheaded French colonialism in North Africa during the nineteenth century Accepting volunteers from all parts of the world the Legion acquired an aura of mystery and a less than enviable reputation for extreme brutality within its ranks *Voices of the Foreign Legion* explores how the Legion selects its recruits their native lands and why these warriors seek a life full of hardship and danger It analyzes the Legion s brutal attitude toward discipline questions why desertion has been a perennial problem and assesses the Legion s remarkable military achievements since its formation in the year 1831 This is the real story of the Legion featuring firsthand accounts from the men who have fought in its ranks Its scope ranges from the conquest of the colonies in Africa and the Far East through the horrors of the two world wars to the bitter but ultimately hopeless battle to maintain France s far flung imperial possessions The story is brought fully up to date with accounts and anecdotes from those contemporary foreign legionnaires who continue to fight for French interests around the globe Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The French Foreign Legion and Indochina in Retrospect Michael Kaponya, 2013 Prior to the U S involvement in Vietnam the French Foreign Legion defended the Indochinese Union from 1883 through 1945 from frequent armed attacks launched from outside its borders as well as bloody inside uprisings At that time the Union consisted of Tonkin Annam Laos Cambodia and Cochin China Michael Kaponya shares his memoirs as a French Foreign Legionnaire who served in the infantry and participated in battles and countless skirmishes between 1949 and 1952 in Indochina The French Foreign Legion and Indochina in Retrospect also outlines the politics that led America into the twentieth century wars in South East Asia and provides readers
