**Gordon Stables**

## **Memoirs Or A Quick Glance At My Various:**

*William Augustus Bowles* J Leitch Wright Jr,2010-05-01 William Augustus Bowles led an exciting life as an artist actor diplomat navigator soldier linguist chemist and lawyer He lived largely among Native Americans reared an Indian family circumnavigated the globe as a Spanish prisoner and mingled freely with British royalty and leading London statesmen scientists and actors Published in 1967 this biography explores the many facets of Bowles s life and career including his failed attempt at establishing a nominally independent Indian state the Creek Nation or Muskogee aligned with Britain Illustrating the chaotic frontier conditions that existed in the southeast after the American Revolution and the extent to which Britain was still involved even after recognizing American independence this work provides unique insight into colonial and imperial history post Revolutionary War     The Creek Frontier, 1540-1783 David H. Corkran,2016-02 The Creek Frontier 1540 1783 is the first complete history of an American Indian tribe in the colonial period Although much has been written of the Spanish French and British explorations in North America in the sixteenth and seventeenth centuries little has been known of the Indian tribes that explorers such as De Soto and De Luna encountered The Creek Indians who occupied Alabama Georgia and much of northern Florida from the earliest days of Spanish exploration to shortly after the American Civil War were a power to be reckoned with by Spain France and Britain in their efforts to gain control of that area Always hostile to Spain the Creeks were natural allies with the British but they used other Europeans to further their interests When they gave up their neutral position to ally themselves with the British against the American patriots the Creeks found themselves completely at the mercy of their victorious enemies Stressing Creek political institutions and diplomacy this volume offers the most complete story of the rapacious Queen Mary Musgrove and the rise to leadership of Alexander McGillivray Creek Indian personalities of old emerge to share history s spotlight with the wiggled governors they struggled with in order to maintain autonomy for their people     **Napoleon's Sorcerers** Darius Alexander Spieth,2007 During Napoleon s rule Freemasonic circles in France invented rituals that allegedly first took place in the temple structures of ancient Egypt This book looks at the cultural environment and intellectual background of one such pseudo Egyptian secret society the Sacred Order of the Sophisians     **The Seminoles of Florida** James W. Covington,2017-11-29 The books in the Florida and the Caribbean Open Books Series demonstrate the University Press of Florida s long history of publishing Latin American and Caribbean studies titles that connect in and through Florida highlighting the connections between the Sunshine State and its neighboring islands Books in this series show how early explorers found and settled Florida and the Caribbean They tell the tales of early pioneers both foreign and domestic They examine topics critical to the area such as travel migration economic opportunity and tourism They look at the growth of Florida and the Caribbean and the attendant pressures on the environment culture urban development and the movement of peoples both forced and voluntary The Florida and the Caribbean Open Books Series gathers the rich data available in these architectural archaeological cultural

and historical works as well as the travelogues and naturalists sketches of the area prior to the twentieth century making it accessible for scholars and the general public alike The Florida and the Caribbean Open Books Series is made possible through a grant from the National Endowment for the Humanities and the Andrew W Mellon Foundation under the Humanities Open Books program

*My Criminal Memoir* Louis Shalako, They say confession is good for the soul The author wouldn't know too much about that but there is such a thing as the Mirror of Eternal Truth where much may be revealed and much may be concealed and much may be left out An atheist doesn't actually have a soul but the principle remains the same The world's longest written confession *My Criminal Memoir* is not exactly an apology It's not exactly an explanation It may be an act of contrition Consider it more of an acknowledgement a romp down memory lane as much as it is a history lesson Louis Shalako has made his peace with the Universe as he heads on to the next phase of his life *Aileen Aroon, a Memoir* Gordon Stables, 2020-08-13 Reproduction of the original *Aileen Aroon a Memoir* by Gordon Stables *The poetical works of James Montgomery, with memoir and notes* James Montgomery, 1879 **Brothers of Coweta** Bryan C. Rindfleisch, 2021-07-28 In *Brothers of Coweta* Bryan C Rindfleisch explores how family and clan served as the structural foundation of the Muscogee Creek Indian world through the lens of two brothers who emerged from the historical shadows to shape the forces of empire colonialism and revolution that transformed the American South during the eighteenth century Although much of the historical record left by European settlers was fairly robust it included little about Indigenous people and even less about their kinship clan and familial dynamics However European authorities imperial agents merchants and a host of other individuals left a surprising paper trail when it came to two brothers Sempoyaffee and Escotchaby of Coweta located in what is now central Georgia Though fleeting their appearances in the archival record offer a glimpse of their extensive kinship connections and the ways in which family and clan propelled them into their influential roles negotiating with Europeans As the brothers navigated the politics of empire they pursued distinct family agendas that at times clashed with the interests of Europeans and other Muscogee leaders Despite their limitations Rindfleisch argues that these archives reveal how specific Indigenous families negotiated and even subverted empire building and colonialism in early America Through careful examination he demonstrates how historians of early and Native America can move past the limitations of the archives to rearticulate the familial and clan dynamics of the Muscogee world *The Works of Edgar Allan Poe: Memoir. Tales* Edgar Allan Poe, 1883 **Fields of Vision** Kathryn E. Holland Braund, Charlotte M. Porter, 2010-03-03 A classic work of history ethnography and botany and an examination of the life and environs of the 18th century south William Bartram was a naturalist artist and author of *Travels through North and South Carolina Georgia East and West Florida the Cherokee Country the Extensive Territories of the Muscogulees or Creek Confederacy and the Country of the Choctaws* The book based on his journey across the South reflects a remarkable coming of age In 1773 Bartram departed his family home near Philadelphia Pennsylvania as a British colonist in 1777 he returned as a citizen of an emerging nation of the United States

The account of his journey published in 1791 established a national benchmark for nature writing and remains a classic of American literature scientific writing and history Brought up as a Quaker Bartram portrayed nature through a poetic lens of experience as well as scientific observation and his work provides a window on 18th century southern landscapes Particularly enlightening and appealing are Bartram s detailed accounts of Seminole Creek and Cherokee peoples The Bartram Trail Conference fosters Bartram scholarship through biennial conferences held along the route of his travels This richly illustrated volume of essays a selection from recent conferences brings together scholarly contributions from history archaeology and botany The authors discuss the political and personal context of his travels species of interest to Bartram Creek architecture foodways in the 18th century south particularly those of Indian groups that Bartram encountered rediscovery of a lost Bartram manuscript new techniques for charting Bartram s trail and imaging his collections and a fine analysis of Bartram s place in contemporary environmental issues

**Aileen Aroon, A Memoir. With other Tales of Faithful Friends and Favourites** Gordon Stables,2023-09-17 In Aileen Aroon A Memoir With other Tales of Faithful Friends and Favourites Gordon Stables presents a collection of heartwarming and uplifting stories that are sure to resonate with readers of all ages Written in a charming and engaging literary style the book explores themes of friendship loyalty and love through a series of captivating tales Set in a literary context that is rich in moral lessons and timeless values Stables work is a true gem that continues to inspire readers to this day The stories within the book are carefully crafted to evoke emotions and provoke thought making it a delightful read for anyone interested in classic literature Gordon Stables a renowned author and veterinarian draws on his passion for storytelling and his deep understanding of human animal relationships to create a work that is both insightful and entertaining His own experiences and observations undoubtedly influenced the heartfelt narratives that fill the pages of Aileen Aroon adding a genuine and personal touch to the stories I highly recommend Aileen Aroon A Memoir With other Tales of Faithful Friends and Favourites to readers who appreciate well written and meaningful literature Stables work is a testament to the enduring power of storytelling and is sure to leave a lasting impact on all who delve into its pages

**The poetical works of sir Walter Scott. With memoir of the author** Walter Scott,1877

**Rivers of History** Harvey H. Jackson,1995-07-30 Jackson weaves a seamless tale stretching from the Native American river settlements to the paper mills and hydroelectric plants of the late twentieth century Southern Historian

**Death's Memoir** Sif Rose Thaysen,2023-04-05 Ten gothic short stories illustrated by the author I m still in the car The windshield is cracked Branches are poking through like hands of death reaching for us My chest hurts so does my leg It s hard to breathe the seat belt tight across my body Pain shoots up my neck as I turn my head just a little but I can see her out the corner of my eye her head lolling to one side She lays against the passenger door which has been pushed in by the tree trunk Her arm is at a wrong angle A slim line of blood runs from the corner of her mouth She turns her head opens her eyes Dead pale You killed me she says with stiff blue lips A collection of short stories by Sif Rose Thaysen for a young adult new adult readership The

ten stories investigate the gothic genre through a modern lens and deal with various aspects of death and loss through different tropes voices and settings *Louisiana History*, 2005 Somehow I Survived: A Memoir of a Lost Soul S.M. Jordan, 2020-05-21 Somehow I Survived Memoir of a Lost Soul By S M Jordan With this very raw and personal story of S M Jordan s life filled with survival and hardships you see how he has overcome every negative situation From overcoming problems as a child such as being shy around girls to adult issues like being homeless Jordan s story prove the finding God happiness and love will overcome all your hardships **Diamonds and Dust: A Sheryl McCorry Memoir 1** Sheryl McCorry, Shirley McCorry, 2008-07-01 Sheryl McCorry grew up in the outback carrying crocodiles to school for show and tell When she was 18 her family moved to Broome and it was the first time she d ever used a telephone or seen a television A year later only hours after being railroaded into marriage by a fast talking Yank Sheryl locked eyes with Bob McCorry a drover and buffalo shooter When her marriage ended after only a few months they began a love affair that would last a lifetime and take them to the Kimberley s harshest frontiers Sheryl became the only woman in a team of stockmen She soon learned how to run rogue bulls and to outsmart the neighbours in the toughest game of all mustering cattle The playing field was a million acres of unfenced unmarked boundaries Sheryl went on to become the first woman in the Kimberley to run two million acre cattle stations but her life was not without its share of tragedy Her story is an epic saga of life in one of the toughest and most beautiful terrains in Australia a story of hardship drought joy and triumph *Island of Fantasy - A Memoir of an English Teacher in Korea* Shawn Matthews, 2006 In this fascinating memoir the author says goodbye to a mundane existence in America and given a free air ticket and apartment ventures to teach English on a remote island off the coast of South Korea Dubbed The Island of Fantasy by its inhabitants Koje do is a mixture of charm and peaceful beauty But in its city center sits Wonder School a place of frantic chaos and disorganization Treated like an English speaking slave by the school s owners Matthews struggles to teach students unlike anything his recruiter the unscrupulous Mr Wong had depicted Outside the job he meets a cast of memorable characters including the mysterious Choi and two timing Natasha Eye popping and downright hilarious the chronicle spins into a whirlwind that leaves the reader either stunned or laughing on the floor For a review of this book visit Korea Life Blog <http://korealife.blogspot.co> **The poetical works of sir Walter Scott. With memoir and critical dissertation** sir Walter Scott (bart.), 1870 Paternalism in a Southern City Edward J. Cashin, Glenn T. Eskew, 2012-02-01 These essays look at southern social customs within a single city in the nineteenth and early twentieth centuries In particular the volume focuses on paternalism between masters and slaves husbands and wives elites and the masses and industrialists and workers How Augusta s millworkers homemakers and others resisted exploited or endured the constraints of paternalism reveals the complex interplay between race class and gender One essay looks at the subordinating effects of paternalism on women in the Old South slave free black and white and the coping strategies available to each group Another focuses on the Knights of Labor union in Augusta With their trappings of chivalry the

Knights are viewed as a response by Augusta's white male millworkers to the emasculating maternalism to which they were subjected by their own wives and daughters and those of mill owners and managers. Millworkers are also the topic of a study of mission work in their communities, a study that gauges the extent to which religious outreach by elites was a means of social control rather than an outpouring of genuine concern for worker welfare. Other essays discuss Augusta's aristocracy of color who had to endure the same effronteries of segregation as the city's poorest blacks, the role of interracial cooperation in the founding of the Colored Methodist Episcopal Church as a denomination and of Augusta's historic Trinity CME Church and William Jefferson White, an African American minister, newspaper editor, and founder of Morehouse College. The varied and creative responses to paternalism discussed here open new ways to view relationships based on power and negotiated between men and women, blacks and whites, and the prosperous and the poor.
