## **Memoirs Sherlock Holmes:**

*The Memoirs of Sherlock Holmes* Arthur Conan Doyle, 2023-02-07 I never can resist a touch of the dramatic *The Memoirs of Sherlock Holmes* is now best remembered for its concluding story in which the great detective appears to plunge to his death into the waters at the bottom of the Reichenbach Falls locked in a struggle with his nemesis Professor Moriarty. However the collection also brings the reader back to the beginnings of Holmes' career involving a mutiny at sea and a treasure hunt in a Sussex country house and a first encounter with Holmes' older brother Mycroft of whom Holmes says 'If the art of the detective began and ended in reasoning from any armchair my brother would be the greatest criminal agent that ever lived'. This collection includes some of the detective's greatest cases such as *Silver Blaze* and *The Naval Treaty* and even one case which Holmes fails to solve. Edited with an introduction by Jarlath Killeen this volume examines Holmes as a safeguard against social breakdown and chaos as well as an agent of justice and goodness against the forces of evil. It also situates the collection in the growth of life writing in the period and explores the ways in which Holmes became increasingly real to readers as more details about his personality and biography are revealed in the stories. ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study and much more.

**Memoirs of Sherlock Holmes: Special Edition** Arthur Conan Doyle, 2018-03-29 The memoirs are overshadowed by the event with which they close the meeting of the great detective and Moriarty the Napoleon of Crime Their struggle seemingly to the death was to leave many readers desolate at the loss of Holmes but was also to lead to his immortality as a literary figure However illogical as a detective story The Final Problem has proved itself an unforgettable tale The stories that precede it included two narratives from Holmes himself on a mutiny at sea and a treasure hunt in a Sussex country house as well as a meeting with his brilliant brother Mycroft of whom Holmes says If the art of the detective began and ended in reasoning from any armchair my brother would be the greatest criminal agent that ever lived We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

**The Memoirs of Sherlock Holmes** Arthur Conan Doyle, Sir, 2017-05-12 The first London edition of the Memoirs in 1894 did not include The Adventure of the Cardboard Box although all twelve stories had appeared in the Strand Magazine The first U S edition included the story but it was very quickly replaced with a revised edition that omitted it The reasoning behind the suppression is unclear In Britain the story was apparently removed at Doyle's request as it included adultery and so was unsuitable for younger readers This may have also been the cause for the rapid removal of the story from the U S edition and some sources specify state that the publishers believed the story was too scandalous for the American public As a result this story was not republished in the U S until many years later when it was added to His Last Bow Even today most American editions of the canon include it with His Last Bow while most British editions keep the story in its original place in The Memoirs of Sherlock Holmes Additionally when the story was removed from the Memoirs its opening pages where Holmes emulates Dupin were transferred to the beginning of The Adventure of the Resident Patient In some later U S editions of the Memoirs which still omit The Adventure of the Cardboard

Box this transfer still appears Doyle had decided that these would be the last collection of Holmes s stories and initially decided to get him killed in The Final Problem However public pressure forced him to write the character again in The Hound of Baskervilles and resurrect him in the forthcoming The Return of Sherlock Holmes
