Classics in the Modern World Lorna Hardwick,Stephen Harrison,2013-11-01 Classics in the Modern World brings together a collection of distinguished international contributors to discuss the features and implications of a democratic turn in modern perceptions of ancient Greece and Rome It examines how Greek and Roman material has been involved with issues of democracy both in political culture and in the greater diffusion of classics in recent

times outside the elite classes By looking at individual case studies from theatre film fiction TV radio museums and popular media and through area studies that consider trends over time in particular societies the volume explores the relationship between Greek and Roman ways of thinking and modern definitions of democratic practices and approaches enabling a wider re evaluation of the role of ancient Greece and Rome in the modern world *Announcements* University of Nebraska (Lincoln campus).
