The Nature of Psychological Maturity Paul Rosenfels,1978 *The Nature of Civilization* Paul Rosenfels,1982

Nature and Nurture in Mental Disorders, Second Edition Joel Paris, M.D.,2020-10-06 Preceded by Nature and nurture in psychiatry a predisposition stress model of mental disorders by Joel Paris Washington DC American Psychiatric Press Inc c1999 **The Nature of Legal Interpretation** Brian G. Slocum,2017-05-17 Language shapes and reflects how we think about the world It engages and intrigues us Our everyday use of language is quite effortless we are all experts on our native tongues Despite this issues of language and meaning have long flummoxed the judges on whom we depend for the interpretation of our most fundamental legal texts Should a judge feel confident in defining common words in the texts without the aid of a linguist How is the meaning communicated by the text determined Should the communicative meaning of texts be decisive or at least influential Contributors argue that the meaning of language is crucial to the interpretation of legal texts such as statutes constitutions and contracts Accordingly analysis of language from linguists philosophers and legal scholars should influence how courts interpret legal texts

Humanity and Human Sexuality: The Origin and Nature of Sexual Preference Kevin Franklin,2024-03-28 In *Humanity and Human Sexuality* The Origin and Nature of Sexual Preference Dr Kevin Franklin embarks on an extraordinary exploration of the human being of mind and their potential Delving deep into themes of confusion and disorder he unveils how a trickster mind can hinder an individual s true potential for life and freedom Drawing from his own profound experiences of childhood psychosis which once seemed to destine him for a life overshadowed by schizophrenia and the threat of early suicide Dr Franklin defies expectations This book ventures beyond traditional boundaries to examine the metaphysical aspects of psychological order offering a unique perspective on the often misunderstood concepts of societal and psychological disorders Dr Franklin s insights extend into a scientific demonstration of the innate origins and nature of both heterosexual and homosexual preferences *Humanity and Human Sexuality* The Origin and Nature of Sexual Preference illuminates various fields Philosophy Religion History Science Society and Psychology offering a revolutionary viewpoint on these disciplines It challenges long held beliefs and misconceptions particularly in the realms of sexual identity the gender and transgender discussion and the complex relationship between religion and science Structured in two parts the book first deconstructs the mythology of sexual identity before reconstructing a comprehensive understanding of human sexuality It seeks to resolve some of humanity s most pressing issues the lack of human compassion the intricacies of gender identity and the historical tensions between religious beliefs and scientific understanding This book is an essential read for anyone seeking a deeper understanding of the origins and nature of sexual preference and identity and the broader implications for society **EBOOK: Personality Psychology: Domains of Knowledge about Human Nature** LARSEN,2020-12-07 **EBOOK Personality Psychology Domains of Knowledge about Human Nature** *The Nature of Children's Well-Being* Alexander Bagattini,Colin Macleod,2014-09-30 This book

presents new findings that deal with different facets of the well being of children and their relevance to the proper treatment of children The well being of children is considered against the background of a wide variety of legal political medical educational and familial perspectives The book addresses diverse issues from a range of disciplinary perspectives using a variety of methods It has three major sections with the essays in each section loosely organized about a common general theme The first section focuses on issues concerning the relation between children s well being and autonomy or agency The second section deals with child well being insofar as the limits of parental authority are concerned The third section has a more applied orientation and addresses a variety of public policy controversies involving the interpretation of children s well being

The Philosophy of Human Nature Howard P. Kainz, 2015-11-05 What exactly is human nature What makes humans different from animals if there is any difference In this book Howard Kainz presents a philosophical analysis of the various concepts of human nature and the many controversies that have surrounded them for centuries He explores issues such as whether human beings are truly free whether human instincts differ from animal instincts and the realities of human maturity

The Self Psychology of Addiction and its Treatment Richard B. Ulman, Harry Paul, 2013-04-03 In the time of Freud the typical psychoanalytic patient was afflicted with neurotic disorders however the modern day psychotherapy patient often suffers instead from a variety of addictive disorders As the treatment of neurotic disorders based on unconscious conflicts cannot be applied to treatment of addictive disorders psychoanalysis has been unable to keep pace with the changes in the type of patient seeking help To address the shift and respond to contemporary patients needs Ulman and Paul present a thorough discussion of addiction that studies and analyzes treatment options Their honest and unique work provides new ideas that will help gain access to the fantasy worlds of addicted patients The Self Psychology of Addiction and Its Treatment emphasizes clinical approaches in the treatment of challenging narcissistic patients struggling with the five major forms of addiction Ulman and Paul focus on six specific case studies that are illustrative of the five forms of addiction They use the representative subjects to develop a self psychological model that helps to answer the pertinent questions regarding the origins and pathway of addiction This comprehensive book links addiction and trauma in an original manner that creates a greater understanding of addiction and its foundations than any clinical or theoretical model to date
