**The Gods Left First** Andrew E. Barshay,2013-08-16 At the time of Japan s surrender to Allied forces on August 15 1945 some six million Japanese were left stranded across the vast expanse of a vanquished Asian empire Half civilian and half military they faced the prospect of returning somehow to a Japan that lay prostrate its cities destroyed after years of warfare and Allied bombing campaigns Among them were more than 600 000 soldiers of Japan s army in Manchuria who had surrendered to the Red Army only to be transported to Soviet labor camps mainly in Siberia Held for between two and four

years and some far longer amid forced labor and reeducation campaigns they waited for return never knowing when or if it would come Drawing on a wide range of memoirs art poetry and contemporary records *The Gods Left First* reconstructs their experience of captivity return and encounter with a postwar Japan that now seemed as alien as it had once been familiar In a broader sense this study is a meditation on the meaning of survival for Japan's continental repatriates showing that their memories of involvement in Japan's imperial project were both a burden and the basis for a new way of life *Gender and Prestige in Literature* Alexandra Dane, 2020-07-10 *Gender and Prestige in Literature* Contemporary Australian Book Culture explores the relationship between gender power reputation and book publishing's consecratory institutions in the Australian literary field from 1965-2015 Focusing on book reviews literary festivals and literary prizes this work analyses the ways in which these institutions exist in an increasingly cooperative and generative relationship in the contemporary publishing industry a system designed to limit field transformation Taking an intersectional approach this research acknowledges that a number of factors in addition to gender may influence the reception of an author or a title in the literary field and finds that progress towards equality is unstable and non-linear By combining quantitative data analysis with interviews from authors editors critics publishers and prize judges Alexandra Dane maps the circulation of prestige in Australian publishing addressing questions around gender identity literary reputation literary worth and the resilience of the status quo that have long plagued the field **Israel Denial** Cary Nelson, 2019-06-07 A work of rigorous intellectual inquiry critiquing the BDS movement in academia *Jewish Journal* *Israel Denial* is the first book to offer detailed analyses of the work faculty members have published individually and collectively in support of the Boycott Divestment and Sanctions BDS movement it contrasts their claims with options for promoting peace The faculty discussed here have devoted a significant part of their professional lives to delegitimizing the Jewish state While there are beliefs they hold in common including the conviction that there is nothing good to say about Israel they also develop distinctive arguments designed to recruit converts to their cause in novel ways They do so both as writers and as teachers *Israel Denial* is the first to give substantial attention to anti-Zionist pedagogy No effort to understand the BDS movement's impact on the academy and public policy can be complete without the kind of understanding this book offers A co-publication of the Academic Engagement Network *Lyrical Movements, Historical Hauntings* Geeta Patel, 2002 This is one of the first books in any language on the life and work of Miraji 1912-1949 one of the major canonical Urdu poets of the 20th century Presenting close readings of some of Miraji's most compelling and challenging poems the author reconceives the relationships among nationalism gender and sexuality in Indian life *Sayyid Qutb* James Toth, 2013-03-06 Sayyid Qutb is widely considered the guiding intellectual of radical Islam with a direct line connecting him to Osama bin Laden But Qutb has too often been treated maliciously or reductively the *Philosopher of Islamic Terror* as Paul Berman famously put it in the *New York Times Magazine* James Toth offers an even-handed account of Sayyid Qutb and shows him to be a much more complex figure than the many one-dimensional portraits would have us believe Qutb

first gained notice as a novelist literary critic and poet but then turned to religious and political criticism aimed at the Egyptian government and Muslims he deemed insufficiently pious After a two year sojourn in the U S he returned to Egypt even more radicalized and joined the Muslim Brotherhood eventually taking charge of its propaganda operation When Brotherhood members were accused of assassinating Egyptian President Gamal Abdel Nasser the group was outlawed and Qutb imprisoned He was executed in 1966 becoming the first martyr to the Islamist cause Using an analytical approach that investigates without passing judgment Toth traces the life and thought of Qutb giving attention not only to his well known Signposts on the Road but also to his less studied works like Social Justice in Islam and his 30 volume Qur'anic commentary In the Shade of the Qur'an Toth's aim is to give Qutb's ideas a fair hearing to measure their impact and to treat him like other intellectuals who inspire revolutions however unpopular they may be In offering a more nuanced account of Qutb one that moves beyond the cartoonish depictions of him as the evil genius lurking behind today's terrorists Sayyid Qutb deepens our understanding of a central figure of radical Islam and indeed our understanding of radical Islam itself *Teaching the Arab-Israeli Conflict* Rachel S. Harris, 2019-04-22 Whether planning a new course or searching for new teaching ideas this collection is an indispensable compendium for anyone teaching the Arab Israeli conflict *New Westers* Michael L. Johnson, 1996 These New Westers Johnson reveals line dance and two step listen to Garth Brooks and George Strait drink beer from long neck bottles wear clothes ordered from Sheplers watch rodeo on ESPN play Wild West arcade games eat fajitas and tacos in stuccoed Mexican cafes collect Western art and Native American crafts and vacation in and move to the West New Westers rewrite the history and biography of the West They reimagine the West in Cowboy sagas and poetry Native American novels Mexican American drama nature writing revisionist films eclectic visual artwork and neo traditional music They flock to movies like *Thelma and Louise* *Unforgiven* and *Dances with Wolves* watch mini series like *Lonesome Dove* and read bestsellers like *The Crossing* and *All The Pretty Horses* New Westers are men and women who may or may not have ever hitched up a horse but who crave connection with the West At the end of a century of urbanization technological change and cultural confusion they seek a more natural home a fuller and wider sense of place and a deeper and more colorful personal identity They also want to revive the dream of the mythic West but on different terms They overrun the Old West and yet strive to preserve it raising troubling new concerns about the differences between the mythic and the real between traditional and contemporary cultural influences **Publishers, Readers and the Great War** Vincent Trott, 2017-10-05 Literature is at the heart of popular understandings of the First World War in Britain and has perpetuated a popular memory of the conflict centred on disillusionment horror and futility This book examines how and why literature has had this impact exploring the role played by authors publishers and readers in constructing the memory of the war since 1918 It demonstrates that publishers were as influential as authors in shaping perceptions of the conflict and it provides a detailed analysis of critical and popular responses to war books tracing the evolution of readers attitudes to the war between

1918 and 2014 By exploring the cultural legacy of the war from these two previously overlooked perspectives Vincent Trott offers fresh insights regarding the emergence of a collective memory of the First World War in Britain Drawing on a broad range of primary source material including publishers correspondence dust jackets adverts book reviews and diary entries and examining canonical authors such as Wilfred Owen Siegfried Sassoon and Vera Brittain alongside long forgotten texts and more recent autobiographical works by Harry Patch and Henry Allingham Publishers Readers and the Great War provides a rich and nuanced analysis of the climate within which First World War literature was written published and received since 1918

Bonnette,2015-03-02 Hip Hop music encompasses an extraordinarily diverse range of approaches to politics Some rap and Hip Hop artists engage directly with elections and social justice organizations others may use their platform to call out discrimination poverty sexism racism police brutality and other social ills In Pulse of the People Lakeyta M Bonnette illustrates the ways rap music serves as a vehicle for the expression and advancement of the political thoughts of urban Blacks a population frequently marginalized in American society and alienated from electoral politics Pulse of the People lays a foundation for the study of political rap music and public opinion research and demonstrates ways in which political attitudes asserted in the music have been transformed into direct action and behavior of constituents Bonnette examines the history of rap music and its relationship to and extension from other cultural and political vehicles in Black America presenting criteria for identifying the specific subgenre of music that is political rap She complements the statistics of rap music exposure with lyrical analysis of rap songs that espouse Black Nationalist and Black Feminist attitudes Touching on a

number of critical moments in American racial politics including the 2008 and 2012 elections and the cases of the Jena 6 Troy Davis and Trayvon Martin Pulse of the People makes a compelling case for the influence of rap music in the political arena and greatly expands our understanding of the ways political ideologies and public opinion are formed The May Queen Deborah Ballou, 2010-10-18 The spirit of the age is filling the English speaking world and Londoner Amelia Holton wants nothing more than to fill her little red notebook with her poems and musings on the exciting world around her Modern poets like John Keats William Wordsworth and the notorious Lord Byron have already led the way to a new form of literary expression and she longs to follow them But young ladies in 1831 must marry and so she follows another man from busy London to the remote Kent countryside where she will find herself crowned by ancient tradition the May Queen
