In the Foreword, Father Kenneth Baker praises the book as both practical and faithful. This handbook is outstanding both for its practicality and for its fidelity to the Catholic faith. It is practical because it offers good suggestions on most aspects of married life such as the wedding, the honeymoon, the relationship between husband and wife, in laws, finances, raising children, sexual relations, practicing the faith and developing a spiritual life of personal relations with God. The handbook is also thoroughly Catholic. It offers excellent advice on how to live the Catholic faith as a married man or woman. There is no waffling here, no dissent, no ambiguity. The author spells out clearly what the Catholic Church expects of married people in the areas of married life, sexuality and family life.

arose that we did not initially include in this resource We would often leave the counseling room that Friday come home and add or modify a section based on a situation we saw or anticipated seeing the next day in the intensive Though we have never made this tool available to anyone other than the couples we have personally worked with our clients have urged us to share this resource as they were genuinely moved and changed by the information contained herein What you hold in your hands is the result of this process This product was not developed in a classroom using a lot of relationship theory but rather forged in the crucible of real life situations and circumstances This resource is just the beginning of your journey through Relationship Success University For more information please visit [RelationshipSuccessUniversity.com](http://RelationshipSuccessUniversity.com) Tags relationships marriage relationships 101 marriage counseling christian marriage relationship rescue love healthy relationships
