D. Jacqueline Corcoran,2014-08-29 Do you ever wonder what other teens think about sex and relationships Do you have questions about sex but don t know who to ask Like you many teens

never talk about their worries and concerns because they're afraid of looking silly, uncool, or inexperienced. Many teens don't know who to turn to and ask these important questions. For these reasons, a teen text line was created in Alexandria, VA through the Alexandria Campaign on Adolescent Pregnancy (ACAP). Teens like you can ask their questions anonymously, that means they do not have to reveal their names or identity and they will be answered within 24 hours. This book, *TEENS TEXT SEX*, takes all the questions that have been posed to the hotline and offers them along with their answers in the following categories: Relationships, Sexual Decision Making, Sexual Activity, Birth Control, and Preventing Pregnancy. Teens use text messaging more than any other age group. They do way more text messaging (fifty texts a day) than they make calls on their cell phones (eleven calls a day). *TEENS TEXT SEX* is written in text message language to hold true to the questions from the text line. Answers involve medically accurate information on sexuality and relationships. Brief information is provided for those who want more facts than provided in the question and answer format. You may want to apply some questions to yourself after reading a particular chapter. The information in this book is for **INFORMATIONAL PURPOSES ONLY**. It is meant to help guide discussions, not replace talking to a counselor, doctor, or other professional.

**Making Sense of "It"** Alison Macklin, 2018-09-11. Maybe you learned about sex in school, anatomy, STIs, and pregnancy, right? You might think you've learned all there is to know, but there's so much more to sex than just doing it. What about masturbation? Is that OK? Are you dirty for having sexual fantasies? What about kissing, giving a blowjob, or taking the pill? Is it safe? What if you touch someone's penis? Can you get pregnant? If you douche after sex, you won't get pregnant, right? *Making Sense of It* goes beyond the basics of the birds and the bees to give teens a realistic, no-holds-barred, nonjudgmental guide on everything to do with sex and sexuality. With this book, teens can learn about it all, from the best contraception methods to what to expect at a clinic, even to the signs of an unhealthy relationship. Alison Macklin draws on her years of experience at Planned Parenthood to address everything teens want to and should know in a straightforward, open-minded, and sex-positive manner. Even better, Conversation Starters in each chapter give teens and parents a chance to test their knowledge and useful tips to help talk about sex in a way that works for them. In a world where teens are bombarded with bad information on social media and are made to feel ashamed of something so natural, *Making Sense of It* offers trustworthy, gender-neutral advice on how to be safe, informed, and honest about it.

*Making Your Own Decisions about Sex* A. S. Campbell, 2013-09-18. A part of being a healthy teenager is beginning to make your own decisions. However, research indicates that some teens, girls are coerced into sexual relationships. In light of this, the writer provides teenage girls with a process of how to make their own sound determinations about sex. The writer uses anecdotes and accessible examples to paint a balanced picture of the realities of teen sexual activity. Also, the writer provides teens with the tools to navigate the various sources of influence. However, teens are left to decide whether to be or not to be sexually active.

*Changing Bodies, Changing Lives: Expanded Third Edition* Ruth Bell, 1998-09-08. It seems like everyone else has the script. Everyone else knows what's happening, and I

look around and say Duh Of course the truth is that no one has the script because there is no script to follow Chances are you d find that almost everyone else has questions and worries a lot like yours if you could get them to admit it This brand new completely updated and revised edition of Changing Bodies Changing Lives is full of honest accurate nonjudgmental information on everything teenagers need to know about today Am I the only one who can t get up the nerve to ask someone out got my period so early doesn t even know the right way to kiss feels pressured to use drugs still hasn t hit puberty yet wants to avoid the gang scene worries when my mom doesn t come home at night is scared that I might have AIDS can t decide what form of birth control to use has no idea how to tell my friends I m gay goes on eating binges has never had an orgasm is shut out of the popular crowd Changing Bodies Changing Lives has helped hundreds of thousands of teenagers make informed decisions about their lives from questions about sex love friendship and how your body works to dealing with problems at school and home and figuring out who you are It s packed with illustrations checklists and resources for the answers you really need Best of all it s filled with the voices poems and cartoons from hundreds of other teenagers who tell you what makes them feel worried angry confused sexy happy and yes even excited and hopeful about their lives Check out the first two pages for a sample of the quotes you ll find inside Being a teenager is tough With the information and the ideas inside this book you ll have what you need to make these years the best they can be      **Safe Sex 101** Margaret O.
