Narrative Inquiries of School Reform Cheryl J. Craig, 2003-05-01 This book culminates five years of extensive field based inquiry with teachers and principals in four reforming school contexts It arises from living alongside teachers and principals entering into their realities engaging them in conversations seeing school life through their eyes and employing the words and images they use to wrap around their experiences It involved thinking narratively about schools as sites of high drama within which teachers and principals negotiate meaning as knowledgeable and knowing human beings It gave primacy to everyday events taking shape on school landscapes It meant creating spaces and devoting enormous amounts of time to observing and listening hard to what teachers and principals say and do when reform initiatives become personally lived in context from their points of view

Destiny's Wavering Road Linda MorningStar, 2021-12-27 Destiny's Wavering Road By Linda MorningStar. Some people are content with the journey they travel along the road of life. They think they're in control of where they're heading. Mara Jacobs believes that, and so does her grandmother Matilda Mathews. And although they live very different lives, they are both about to experience an unexpected U-turn as destiny intervenes. Long-haul truck driver Mara's fate will be sealed when she wakes up on the floor in a motel room far from home. She is surrounded by police and has no idea how she arrived there. Her driving partner and husband Joe is also missing along with their tractor trailer. Mara learns Joe is responsible for her dilemma, and anger sends her packing. She returns to her childhood home in Stone Hill Valley where she was raised by her grandmother Matilda. Destiny redirects Matilda's path the moment she steps out her back door with the intent to head to the grocery store. It's there that she sees the woman in black who has haunted the ancestral home for decades and is considered an omen of death to anyone she appears to. As the mysteries evolve, the two women travel a new road of life together in a most unexpected direction. Destiny's Wavering Road is a book of fiction, part mystery, part romance, part family saga.

Destiny's Heir Y. M. Roger, 2013-10-29 Chicalia Prime, a planet whose population is divided between the Light and the Dark designations, denoting

physical attributes and nothing else It is a small and insignificant planet with a plethora of political problems However the intricate aftermath to the climax of those problems has spent the last fifty years or so weaving itself into the fabric of the over arching authority the Galactic Fleet and the purviews thereof And while it is becoming increasingly evident that there are other forces working against the Fleet yet simultaneous to those intricacies it is clear that the offspring of Chicalia's political problems and those loyal to them and their causes will completely re shape the government of the Fleet transferring the Fleet's seat of power from Galactica Triune to the soon to be not so insignificant Chicalia Prime One of those intricacies Captain Shanteela Ka Lantrel or Kaylen to her close friends in command of the Fleet's crown jewel Destiny knows nothing of the Royal blood that runs through her veins But Kaylen's destiny along with those under her command have become entwined with that of another the exiled OverLord Assassin Thetuderal Thetu Shaliagn and his many brothers in arms So as life still continues back on Chicalia Prime it seems the future of the Fleet and therefore the galaxy is being prophetically and passionately unlocked with Thetu and Kaylen at its epicenter Out of the ashes of a flawed foundation and damaged framework Sha Hylira shall raise an invincible government that will proclaim His name to the far corners of the universe
