Presence Of The Past Memory Heritage And Childhood In Post War Britain:

The Presence of the Past Valerie Krips, 2002-09-11 The presence of the Past studies the interaction of heritage and fiction written for children over a 40 year period in Britain exploring a range of works for children from *The Tale of Peter Rabbit* to *I Spy*

Understanding Children's Literature Peter Hunt, 2006-05-17 Edited by Peter Hunt a leading figure in the field this book introduces the study of children's literature addressing theoretical questions as well as the most relevant critical approaches to the discipline The fourteen chapters draw on insights from academic disciplines ranging from cultural and literary studies to education and psychology and include an essay on what writers for children think about their craft The result is a fascinating array of perspectives on key topics in children's literature as well as an introduction to such diverse concerns as literacy ideology stylistics feminism history culture and bibliotherapy An extensive general bibliography is complemented by lists of further reading for each chapter and a glossary defines critical and technical terms making the book accessible for those coming to the field or to a particular approach for the first time In this second edition there are four entirely new chapters contributors have revisited and revised or rewritten seven of the chapters to reflect new thinking while the remaining three are classic essays widely acknowledged to be definitive *Understanding Children's Literature* will not only be an invaluable guide for students of literature or education but it will also inform and enrich the practice of teachers and librarians

Intl Comp Ency Child Lit E2 V1 Peter Hunt, 2018-12-12 Children's literature continues to be one of the most rapidly expanding and exciting of interdisciplinary academic studies of interest to anyone concerned with literature education internationalism childhood or culture in general This edition has been expanded and includes over 50 new articles New topics include Postcolonialism Comparative Studies Ancient Texts Contemporary Children's Rhymes and Folklore Contemporary Comics War Horror Series Fiction Film Creative Writing and Crossover literature The international section has been expanded to reflect world events

International Companion Encyclopedia of Children's Literature Peter Hunt, 2004-08-02 Children's publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization

London's Working-Class Youth and the Making of Post-Victorian Britain, 1958-1971 Felix Fuhg, 2021-05-20 This book examines the emergence of modern working class youth culture through the perspective of an urban history of post war Britain with a particular focus on the influence of young people and their culture on Britain's self image as a country emerging from the constraints of its post Victorian imperial past Each section of the book Society City Pop and Space considers in detail the ways in which working class youth culture corresponded with a fast changing metropolitan and urban society in the years following the decline of the British Empire Was teenage culture rooted in the urban experience and the transformation of working class neighbourhoods Did youth subcultures emerge simply as a reaction to Britain's changing racial demographic To what extent did leisure venues and institutions function as laboratories for a developing British pop culture which ultimately helped

Britain re establish its prominence on the world stage These questions and more are answered in this book

Representations of Technology in Science Fiction for Young People , *Historical Dictionary of Children's Literature* Emer O'Sullivan,2023-04-24 History is constantly evolving and the history of children s literature is no exception Since the original publication of Emer O Sullivan s Historical Dictionary of Children s Literature in 2010 much has happened in the field of children s literature New authors have come into print new books have won awards and new ideas have entered the discourse within children s literature studies Historical Dictionary of Children s Literature Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 700 cross referenced entries This book will be an excellent resource for students scholars researchers and anyone interested in the field of children s literature studies *Screen Adaptations and the Politics of Childhood* Robyn McCallum,2018-01-16 This book features a cutting edge approach to the study of film adaptations of literature for children and young people and the narratives about childhood those adaptations enact Historically film media has always had a partiality for the adaptation of classic literary texts for children As economic and cultural commodities McCallum points out how such screen adaptations play a crucial role in the cultural reproduction and transformation of childhood and youth and indeed are a rich resource for the examination of changing cultural values and ideologies particularly around contested narratives of childhood The chapters examine various representations of childhood as shifting states of innocence and wildness liminality marginalisation and invisibility The book focuses on a range of literary and film genres from classic texts to experimental carnivalesque magical realist and cross cultural texts *To See the Wizard* Laurie Ousley,2021-02-19 *To See the Wizard* Politics and the Literature of Childhood takes its central premise as the title indicates from L Frank Baum s *The Wonderful Wizard of Oz* Upon their return to The Emerald City after killing the Wicked Witch of the West the task the Wizard assigned them Dorothy the Tin Woodman Scarecrow and Lion learn that the wizard is a humbug merely a man from Nebraska manipulating them and the citizens of both the Emerald City and of Oz from behind a screen Yet they all continue to believe in the powers they know he does not have still insisting he grant their wishes The image of the man behind the screen and the reader s continued pursuit of the Wizard is a powerful one that has at its core an issue central to the study of children s literature the relationship between the adult writer and the child reader As Jack Zipes Perry Nodelman Daniel Hade Jacqueline Rose and many others point out before the literature for children and young adults actually reaches these intended readers it has been mediated by many and diverse cultural social political psychological and economic forces These forces occasionally work purposefully in an attempt to consciously socialize or empower training the reader into a particular identity or way of viewing the world by one who considers him or herself an advocate for children Obviously these wizards acting in literature can be the writers themselves but they can also be the publishers corporations school boards teachers librarians literary critics and parents and these advocates can be conservative progressive or any gradation in between It is the purpose of this volume to interrogate the

politics and the political powers at work in literature for children and young adults Childhood is an important site of political debate and children often the victims or beneficiaries of adult uses of power one would be hard pressed to find a category of literature more contested than that written for children and adolescents Peter Hunt writes in his introduction to *Understanding Children's Literature* that children's books are overtly important educationally and commercially with consequences across the culture from language to politics most adults and almost certainly the vast majority in positions of power and influence read children's books as children and it is inconceivable that the ideologies permeating those books had no influence on their development If there were a question about the central position literature for children and young adults has in political contests one needs to look no further than the myriad struggles surrounding censorship Mark I West observes for instance Throughout the history of children's literature the people who have tried to censor children's books for all their ideological differences share a rather romantic view about the power of books They believe or at least they profess to believe that books are such a major influence in the formation of children's values and attitudes that adults need to monitor every word that children read Because childhood and young adulthood are the sites of political debate for issues ranging from civil rights and racism to the construction and definition of the family indoctrinating children into or subverting national and religious ideologies the literature of childhood bears consciously political analysis asking how socialization works how children and young adults learn of social cultural and political expectations as well as how literature can propose means of fighting those structures To See the Wizard Politics and the Literature of Childhood intends to offer analysis of the political content and context of literature written for and about children and young adults The essays included in To See the Wizard analyze nineteenth and twentieth century literature from America Britain Australia the Caribbean and Sri Lanka that is for and about children and adolescents The essays address issues of racial and national identity and representation poverty and class mobility gender sexuality and power and the uses of literature in the healing of trauma and the construction of an authentic self

Second-Generation Memory and Contemporary Children's Literature Anastasia Ulanowicz, 2013-09-02

Winner of the Children's Literature Association Book Award This book visits a range of textual forms including diary novel and picturebook to explore the relationship between second generation memory and contemporary children's literature Ulanowicz argues that second generation memory informed by intimate family relationships textual mediation and technology is characterized by vicarious rather than direct experience of the past As such children's literature is particularly well suited to the representation of second generation memory insofar as children's fiction is particularly invested in the transmission and reproduction of cultural memory and its form promotes the formation of various complex intergenerational relationships Further children's books that depict second generation memory have the potential to challenge conventional Western notions of selfhood and ethics This study shows how novels such as Lois Lowry's *The Giver* 1993 and Judy Blume's *Starring Sally J Freedman as Herself* 1977 both of which feature protagonists who adapt their elders memories into their own

mnemonic repertoires implicitly reject Cartesian notions of the unified subject in favor of a view of identity as always already social relational and dynamic in character This book not only questions how and why second generation memory is represented in books for young people but whether such representations of memory might be considered radical or conservative Together these analyses address a topic that has not been explored fully within the fields of children s literature trauma and memory studies and Holocaust studies

Portals of Power Lori M. Campbell, 2010-03-08 Fantasy writing like literature in general provides a powerful vehicle for challenging the status quo Via symbolism imagery and supernaturalism fantasy constructs secondary world narratives that both mirror and critique the political paradigms of our own world This critical work explores the role of the portal in fantasy investigating the ways in which magical nexus points and movement between worlds are used to illustrate real world power dynamics especially those impacting women and children Through an examination of high and low fantasy fairy tales children s literature the Gothic and science fiction the portal is identified as a living being place or magical object of profound metaphorical and cultural significance

Beyond Borders Paloma Fresno-Calleja, Janet M. Wilson, 2022-09-29 This book examines the global local intersections and tensions at play in the literary production from Aotearoa New Zealand through its engagement in the global marketplace Combining postcolonial and world literature methodologies contributors chart the global relocation of national culture from the nineteenth century to the present exploring what New Zealand literature means in different creative teaching and publishing contexts They identify ongoing global entanglements with local identities and tensions between national and post national literary discourses considering Aotearoa New Zealand s history as a white settler colony and its status as a bicultural nation and a key player in the Asia Pacific region active on the global stage Topics and authors include Stefanie Herades on colonial New Zealand literature and the global marketplace Claudia Marquis on David Hare s Aotearoa series as exotic reading for adolescents Paloma Fresno Calleja on the exoticizing landscape novels of Sarah Lark James Wenley on Indian Ink Theatre company as hybrid export Janet M Wilson on the globalization of the New Zealand short story Chris Prentice on pedagogic articulations of New Zealand literature Leonie John on the challenges of teaching M ori literature in Germany Dieter Riemenschneider on New Zealand literature at the Frankfurt Book Fair Paula Morris on Commonwealth writers and the Booker Prize Selina Tusitala Marsh on contemporary Pasifika poetry and Chris Miller on the afterlife of Allen Curnow The chapters in this book were originally published as a special issue of the Journal of Postcolonial Writing

Identity, Motivation and Memory Sarah Kayss, 2018-09-03 This book explores the connection between British and German officer cadets perceptions of the past and their motivations for enlisting in the military forces in the United Kingdom and Germany Drawing upon qualitative interviews and survey data conducted at officers academies in the UK and Germany the author offers a comparative analysis using differing approaches towards history and memory in Britain and Germany while considering the roles of individual goals and societal orientations in the decision to enlist Employing the notion of pragmatic professionalism which reflects the

fact that occupational and institutional reasons for enlisting are not opposite points on a single scale Professionalism Memory and Identity examines history orientated reasons for enlistment by shedding light on officer cadets values beliefs and wider cultural understandings of the past With attention to differences in motivation as a result of differing national backgrounds and former military training as well as the extent to which these divergences contribute to the emergence of different types of soldiers in the two countries this comparative international study will appeal to scholars of sociology politics and war studies with interests in the military profession and the role of history in contemporary Britain and Germany **The Use of English** ,2001 Crosscurrents of Children's Literature John Daniel Stahl,Tina L. Hanlon,Elizabeth Lennox Keyser,2007

This volume combines a wide variety of primary texts with critical readings examines the texts within the context of critical debates explores the ways in which children s literature combines instruction and entertainment oral and written traditions words and pictures fantasy and realism classics and adaptations and perspectives on childhood and adult life It spans a wide range of literary periods genres and cultural traditions and examines how these overlapping forms and genres diverse influences and evolving values and attitudes towards children and childhood have shaped the body of literature written for young adults and children **Art India** ,2005 *Colonial Memory* Sarah De Mul,2011 Sarah De Mul is a Postdoctoral Fellow of the Research Foundation Flanders FWO Vlaanderen in the Department of Literary Studies at the University of Leuven Her publications and research interests are in the field of comparative postcolonial studies with a particular focus on gender memory and empire in Neerlandophone and Anglophone literature *Subject Guide to Books in Print* ,1996

Krieg und Literatur ,2002 **Intangible Heritage and Participation** Marilena Alivizatou,2021-07-12 Intangible Heritage and Participation examines participation as an intellectual and operational frame in safeguarding intangible heritage Including case studies from the Netherlands Belgium Aotearoa New Zealand Greece Peru Britain Denmark Sweden and Japan the book provides an analysis of safeguarding as a museological framework and further investigates safeguarding practices in participatory research memory work and cultural transmission Drawing on conversations about the tyranny of participation the book looks into the complexities of participatory projects on the ground from community research and collecting to the mapping of Indigenous values in environmental conservation and processes of active remembering of difficult intangible heritage of forced migration political violence and mental illness Cautioning against the uncritical adoption of participation as a universal ethical discourse Alivizatou argues that the ethics of cosmopolitanism should guide safeguarding practices at an international level Intangible Heritage and Participation offers an original approach to thinking about and working with intangible heritage and as such should be essential reading for academics researchers and students in among others the fields of cultural heritage studies museology anthropology and cultural development It should also be of interest to heritage and museum professionals and anyone else interested in cultural heritage theory and practice
