President Charles Bradlaugh, M.P. David H. Tribe, 1971 **Icons of Unbelief** S. T. Joshi, 2008-10-30 Discusses the ideas and impact of 27 atheists agnostics and secularists whose ideas have shaped society over the last 200 years In the opinion of many critics and philosophers we are entering an age of atheism marked by the waning of Christian fundamentalism and the flourishing of secular thought Through alphabetically arranged entries written by expert contributors this book profiles 27 iconic figures of unbelief whose ideas have shaped American society over the last 200 years Included are entries on influential figures of the past such as Albert Einstein and Voltaire as well as on such contemporary figures as Richard Dawkins and Sam Harris Each entry discusses the ideas and lasting significance of each person or group provides sidebars of interesting information and illuminating quotations and cites works for further reading The volume closes with a selected general bibliography Students in social studies and history classes will welcome this reference as a guide to the ideas central to the American separation of Church and State and to many of the political debates at the heart of society today Each entry discusses the ideas and lasting significance of the person or group provides sidebars of interesting information and quotations and closes with a list of works for further reading The volume ends with a selected general bibliography Students in history and social studies classes will welcome this reference as a guide to the American separation of Church and State and to the ideas central to contemporary political debates *Gladstone's Influence in America* Stephen J.

Peterson, 2018-10-02 By the end of the nineteenth century William Gladstone was arguably the most popular statesman in America since Lincoln How did a British prime minister achieve such fame in an era of troubled Anglo American relations And what do press reactions to Gladstone's policies and published writings reveal about American society Tracing Gladstone's growing fame in the United States beginning with his first term as prime minister in 1868 until his death in 1898 this volume focuses on periodicals of the era to illuminate how Americans responded to modern influences in religion and politics His forays into religious controversy highlight the extent to which faith influenced the American cult of Gladstone Coverage of Gladstone's involvement in issues such as church disestablishment papal infallibility Christian orthodoxy atheism and agnosticism faith and science and liberal theology reveal deepening religious and cultural rifts in American society Gladstone's Influence in America offers the most comprehensive picture to date of the statesman's reputation in the United States

The Freethinker, 1913 **A Monument to the Memory of George Eliot** Constance M. Fulmer, Margaret E. Barfield, 2013-10-28 The Autobiography is the personal journal of an independent Victorian woman who describes her day to day activities as a businesswoman social reformer scholar and journalist makes many insightful observations on gender issues and provides intriguing details of her relationships with many of the leading political and literary figures of her day particularly the novelist George Eliot whom she admired as a writer and as a person During the journal years 1876 1900 Simcox made many significant contributions toward improving people's lives but she was always particularly concerned with

women's issues With her friend Mary Hamilton she established a shirtmaking cooperative to provide employment for women kept the accounts and managed the enterprise She helped establish trade unions and promote women's suffrage served as a delegate to the Trade Union Congress and worked closely with Emma Paterson Annie Besant Harriet Law Charles Bradlaugh and William Morris Simcox was also the author of three books and a regular contributor to leading periodicals The Autobiography reveals Simcox's childhood her attitudes toward men and marriage and her relationships with her mother and her two older brothers both noted writers The journal provides unique insights into the mind of a remarkable 19th century woman who worked in and left her mark on a man's world Her book is a fascinating source of facts observations and opinions for scholars and readers interested in Eliot Victorian literature and society gender and women's issues *Stewart*

Headlam's Radical Anglicanism John Richard Orens, 2010-10-01 Standing in stark contrast to the conservative churchmen of Victorian Britain the Anglican clergyman Stewart Headlam was a passionately progressive reformer a champion of the working poor especially women a defender of the music hall performers his colleagues attacked as licentious and in short a man of God who remained firmly and controversially engaged with the society in which he lived and worked This book the first significant study of Headlam since 1928 paints a rich and complex picture of this larger than life man of the cloth charting the trail he blazed across the social political and religious landscape of late nineteenth and early twentieth century Britain Dissatisfied from an early age with his family's Evangelical faith Headlam became an Anglican curate but his political views were increasingly radicalized as he befriended working class atheists and trade union leaders John Richard Orens details Headlam's repeated conflicts with the establishment figures of his faith over his defense of music hall ballet performers right to reveal their legs his role in the early years of the Fabian Society his anti puritanism and his passionate socialism Headlam was even instrumental in having Oscar Wilde bailed out of prison following the writer's arrest for homosexual offenses With this intellectual biography Orens places Headlam's life beliefs and actions in the context of the period contributing to the ongoing debate about the proper relationship between Christianity on the one hand and society sexuality and the arts on the other *Victorian Britain (Routledge Revivals)* Sally Mitchell, 2012-08-06 First published in

Evolutionary Naturalism in Victorian Britain Bernard Lightman, 2023-05-31 Scholars have tended to portray T H Huxley John Tyndall and their allies as the dominant cultural authority in the second half of the 19th century Defenders of Darwin and his theory of evolution these men of science are often seen as a potent force for the secularization of British intellectual and social life In this collection of essays Bernard Lightman argues that historians have exaggerated the power of

scientific naturalism to undermine the role of religion in middle and late Victorian Britain The essays deal with the evolutionary naturalists especially the biologist Thomas Henry Huxley the physicist John Tyndall and the philosopher of evolution Herbert Spencer But they look also at those who criticized this influential group of elite intellectuals including aristocratic spokesman A J Balfour the novelist Samuel Butler and the popularizer of science Frank Buckland Focusing on the theme of the limitations of the cultural power of evolutionary naturalism the volume points to the enduring strength of religion in Britain in the latter half of the 19th century

Mullen,2017-09-07 This title first published in 1987 explores the phenomenon of militant freethought among England's working classes from 1840 1870 In particular it is an effort to explain the peculiarly theological and evangelistic overtones of much Victorian working class radicalism and the resulting emergence of a Victorian religion of atheism This title will be of interest to students of nineteenth century religious and social history **Ideology and Evolution in Nineteenth Century Britain** Evelleen Richards,2020-05-20 Written over several decades and collected together for the first time these richly detailed contextual studies by a leading historian of science examine the diverse ways in which cultural values and political and professional considerations impinged upon the construction acceptance and applications of nineteenth century evolutionary theory They include a number of interrelated analyses of the highly politicised roles of embryos and monsters in pre and post Darwinian evolutionary theorizing including Darwin's several studies of the intersection of Darwinian science and its practitioners with issues of gender race and sexuality featuring a pioneering contextual analysis of Darwin's theory of

sexual selection and explorations of responses to Darwinian science by notable Victorian women intellectuals including the crusading anti feminist and ardent Darwinian Eliza Lynn Linton the feminist and leading anti vivisectionist Frances Power Cobbe and Annie Besant the bible bashing birth control advocate who confronted Darwin's opposition to contraception at the notorious Knowlton Trial

Shooting Victoria Paul Thomas Murphy, 2012-07-03 A fresh lively perspective on Victorian England as seen through the eight assassination attempts on Queen Victoria Publishers Weekly starred review During Queen Victoria's sixty four years on the British throne no fewer than eight attempts were made on her life Seven teenage boys and one man attempted to kill her Far from letting it inhibit her reign over the empire Victoria used the notoriety of the attacks to her advantage Regardless of the traitorous motives delusions of grandeur revenge paranoia petty grievances or a preference of prison to the streets they were a golden opportunity for the queen to revitalize the British crown strengthen the monarchy push through favored acts of legislation and prove her pluck in the face of newfound public support It is worth being shot at she said to see how much one is loved Recounting what Elizabeth Barrett marveled at as this strange mania of queen shooting and the punishments unprecedented trials and fate of these malcontents who were more pitiable than dangerous Paul Thomas Murphy explores the realities of life in nineteenth century England for both the privileged and the impoverished From these cloak and dagger plots of regicide to Victoria's steadfast courage Shooting Victoria is thrilling insightful and at times completely mad historical narrative Whether through film Jean Marc Vallé's The Young Victoria biography Julia Baird's Victoria The Queen television Daisy Goodwin's Victoria or revisionist fantasy Paul Di Filippo's The Steampunk Trilogy there is a strong interest in Victorian England Now Paul Thomas Murphy approaches this period from an eccentric entirely new and unexplored angle combining legal social and political history into a book that is both enlightening and great fun Kirkus Reviews starred review

Darwin and the Making of Sexual Selection Evelleen Richards, 2017-04-27 Darwin's concept of natural selection has been exhaustively studied but his secondary evolutionary principle of sexual selection remains largely unexplored and misunderstood Yet sexual selection was of great strategic importance to Darwin because it explained things that natural selection could not and offered a naturalistic as opposed to divine account of beauty and its perception Only now with Darwin and the Making of Sexual Selection do we have a comprehensive and meticulously researched account of Darwin's path to its formulation one that shows the man rather than the myth and examines both the social and intellectual roots of Darwin's theory Drawing on the minutiae of his unpublished notes annotations in his personal library and his extensive correspondence Evelleen Richards offers a richly detailed multilayered history Her fine grained analysis comprehends the extraordinarily wide range of Darwin's sources and disentangles the complexity of theory practice and analogy that went into the making of sexual selection Richards deftly explores the narrative strands of this history and vividly brings to life the chief characters involved A true milestone in the history of science Darwin and the Making of Sexual Selection illuminates the social and cultural contingencies of the shaping of an important if controversial biological concept that is back in play in

current evolutionary theory
