Presidentialism In Commonwealth Africa:

Presidentialism in Commonwealth Africa Benjamin Obi Nwabueze, 1974 **Presidentialism in Commonwealth Africa** B. O. Nwabueze, 1974 *A Theory of African Constitutionalism* Berihun Adugna Gebeye, 2021 Utilizing detailed case studies from Nigeria Ethiopia and South Africa this title traces African constitutionalism from precolonial times to the present The volume offers a new framework for understanding African constitutionalism and a range of practical proposals for its future development **The Igbo Intellectual Tradition** G. Chuku, 2016-04-27 In this groundbreaking collection leading historians Africanists and other scholars document the life and work of twelve Igbo intellectuals who educated within European traditions came to terms with the dominance of European thought while making significant contributions to African intellectual traditions Comparative Constitutional Law in Africa Rosalind Dixon, Tom Ginsburg, Adem Abebe, 2022-12-06 This timely book is a crucial resource on the rich diversity of African constitutional law making a significant contribution to the increasingly important field of comparative constitutional law from a historically understudied region Offering an examination of substantive topics from multiple jurisdictions it emphasises issues of local importance while also providing varied perspectives on common challenges across the continent Voice and Power in Africa's Democracy Said Adejumo, 2017-08-16 Africa has made notable progress in its nascent democracy but with uneven performance across countries However across the board challenges abound Central to Africa's checkered democratic narrative is the weakness of its democratic institutions participatory mechanisms and accountability platforms This book interrogates these elements with the role and capacity of the parliament political parties media freedom of information law trade union movements gender empowerment mechanisms and accountability methods and processes all under examination The weakness of democratic institutions has had a corrosive effect on political accountability and limits the scope for popular participation in governance In many countries innovative practices and new social and political encounters are emerging that challenge old institutional cultures promote reforms and demand accountability from the governing elite The book captures these varied innovative patterns of democratic change With first hand knowledge and expertise of the continent the contributors analyze the issues trends problems and challenges in these critical areas of Africa's democratic growth The conclusion is that strengthening democratic institutions opening up the political space for enhanced political participation and ensuring political accountability will determine the course prospects and quality of Africa's budding democracy **The Politics of African and Middle Eastern States** Anne Gordon Drabek, Wilfrid Knapp, 2013-10-22 *The Politics of African and Middle Eastern States An Annotated Bibliography* is a record of books written about the politics history and the lives of the leaders of Africa and the Middle East The book is divided per chapter according to the geographical area being discussed Each chapter contains a list of books that fall under the following categories Political History Political Systems and Government Biographies Memoirs Speeches and Writings and External

Relations Chapters I to VII cover different regions of Africa while Chapters VIII to XI cover the Middle East The text is a recommended for historians and political scientists especially those interested in the areas mentioned in the book The selection also serves a guide to those who plan to have further readings or make a paper about the political history government and development of the areas mentioned

The New Constitutional Law of Kenya. Principles, Government and Human Rights Kiwinda Mbondenyei, Osogo Ambani, 2012 The golden thread that cuts across the various chapters of the book is the emphasis that good constitutions anchor certain tenets that have garnered recognition as hallmarks of democratic dispensation These hallmarks include the concept of separation of powers the doctrine of the rule of law constitutionalism and human rights These attributes have largely been secured by the 2010 Constitution Thus this book is expected to contribute to this new promise by making knowledge on the Constitution accessible through breaking down and contextualising its provisions It is certain to be useful to law and government students lawyers researchers and other persons who seek to understand the new constitutional order

Separation of Powers in African Constitutionalism Charles M. Fombad, 2016-03-03 The new series Stellenbosch Handbooks in African Constitutional Law will engage with contemporary issues of constitutionalism in Africa filling a notable gap in African comparative constitutional law Separation of Powers in African Constitutionalism is the first in the series examining one of the critical measures introduced by African constitutional designers in their attempts to entrench an ethos of constitutionalism on the continent Taking a critical look at the different ways in which attempts have been made to separate the different branches of government the Handbook examines the impact this is having on transparent and accountable governance Beginning with an overview of constitutionalism in Africa and the different influences on modern African constitutional developments it looks at the relationship between the legislature and the executive as well as the relationship between the judiciary and the political branches Despite differences in approaches between the different constitutional cultures that have influenced developments in Africa there remain common problems One of these problems is the constant friction in the relationship between the three branches and the resurgent threats of authoritarianism which clearly suggest that there remain serious problems in both constitutional design and implementation The book also studies the increasing role being played by independent constitutional institutions and how they complement the checks and balances associated with the traditional three branches of government

Constitutionalism and Democracy American Council of Learned Societies, 1993 The American Council of Learned Societies comparative constitutionalism papers T p

Law, Politics and Rights Tiyanjana Maluwa, 2013-11-29 Law Politics and Rights Essays in Memory of Kader Asmal presents critical perspectives on various inter related themes in the areas of human rights constitutionalism democracy international law political and cultural rights and identity The discussions reflect the wide ranging interests and subjects that Kader Asmal engaged with as a legal scholar human rights campaigner and politician of international renown throughout his life Kader Asmal is perhaps best known for his political career as one of the

most senior members of the African National Congress and a government minister in post apartheid South Africa Less well known to the general public is his equally immense contribution to international human rights law and policy recognised with the award of the Prix UNESCO in 1983 through more than three decades of an international academic career and legal activism This book is a reminder of the enduring relevance of the issues and causes he espoused and advocated Contributors include John Dugard Richard Harvey Federico Lenzerini Tiyanjana Maluwa Obiora Chinedu Okafor Nsongurua Udombana Muna Ndulo Albie Sachs Max du Plessis Nico Steytler Gerard Whyte and Abdulqawi Yusuf **Public International Law and the Regulation of Diplomatic Immunity in the Fight Against Corruption** Kenneth Kaoma Mwenda, 2011 Public International Law and the Regulation of Diplomatic Immunity in the Fight against Corruption by Kenneth K Mwenda 2011 ISBN 978 0 9869857 9 9 Pages 212 Print version Available Electronic version Free PDF available

Constitutionalism and Rights Louis Henkin, Albert J. Rosenthal, 1990 Why do smokers claim that the first cigarette of the day is the best What is the biological basis behind some heavy drinkers belief that the hair of the dog method alleviates the effects of a hangover Why does marijuana seem to affect ones problem solving capacity Intoxicating Minds is in the author s words a grand excavation of drug myth Neither extolling nor condemning drug use it is a story of scientific and artistic achievement war and greed empires and religions and lessons for the future Ciaran Regan looks at each class of drugs describing the historical evolution of their use explaining how they work within the brain s neurophysiology and outlining the basic pharmacology of those substances From a consideration of the effect of stimulants such as caffeine and nicotine and the reasons and consequences of their sudden popularity in the seventeenth century the book moves to a discussion of more modern stimulants such as cocaine and ecstasy In addition Regan explains how we process memory the nature of thought disorders and therapies for treating depression and schizophrenia Regan then considers psychedelic drugs and their perceived mystical properties and traces the history of placebos to ancient civilizations Finally Intoxicating Minds considers the physical consequences of our co evolution with drugs how they have altered our very being and offers a glimpse of the brave new world of drug therapies *Employee Relations and Trade Unions in Africa* Chima Mordi, Hakeem Adeniyi Ajonbadi, Olatunji David Adekoya, 2023-04-21 Traditionally studies of employment relations in Africa have been dominated by the role of trade unions and how they collectively influence relationships within the workplace A contemporary African outlook into the state of employment relations shows that there has been a shift in the dominance of trade unions This edited collection considers the role of government actors and workers experiences in both unionised and non unionised organisations It seeks to understand how international and national labour markets including national and international employment actors and institutions affect employment relations and the ways in which these relationships play out in different national contexts Researchers students policymakers and practitioners working around employment relations in Africa will find this book an essential tool particularly those with an interest in comparative and international programmes

across areas such as employment relations industrial relations human resource management political economy labour politics industrial and economic sociology regulation and social policy

The Routledge Handbook of African Law Muna Ndulo, Cosmas Emeziem, 2021-11-23 The Routledge Handbook of African Law provides a comprehensive critical overview of the contemporary legal terrain in Africa The international team of expert contributors adopt an analytical and comparative approach so that readers can see the nexus between different jurisdictions and different legal traditions across the continent The volume is divided into five parts covering Legal Pluralism and African Legal Systems The State Institutions Constitutionalism and Democratic Governance Economic Development Technology Trade and Investment Human Rights Gender Based Violence and Access to Justice International Law Institutions and International Criminal Law Providing important insights into both the specific contexts of African legal systems and the ways in which these legal traditions intersect with the wider world this handbook will be an essential resource for academics researchers lawyers and graduate and undergraduate students studying this ever evolving field

Transformative Constitutionalism and Kenya Gautam Bhatia, 2025-06-10 A key book about rights separation of powers and the State which assesses a decade and a half of transformative constitutionalism in Kenya through the lens of landmark constitutional judgments discussing their international import and suggesting new pathways towards democratic constitutionalism In 2010 after more than two decades of struggle Kenya's new Constitution was born Widely accepted to be transformative in nature in the decade and a half since it was enacted the Constitution has been at the centre of national discourse And in that time the country's courts have been confronted with crucial and high stakes constitutional disputes which are both distinctively Kenyan in nature but also are disputes that have long been common to constitutional democracies around the world they include issues around constitutional change federalism imperial presidencies the role of the legislature election disputes land rights and horizontality among others Drawing comparisons with constitutional jurisdictions globally which often rely upon precedent from each other's jurisdictions this book examines transformative constitutionalism under the 2010 Constitution and shows that while Kenyan courts have been informed by and been in conversation with global precedent they have crafted unique and particular solutions The book excavates the engagement of Kenyan Courts with the 2010 Kenyan Constitution to highlight the unique and innovative contributions that Kenyan courts have made to global constitutional problems and to suggest pathways for the future Showcasing the jurisprudence of the courts in action this book discusses how and when the power to amend a constitution can be limited or constrained and how constitutional change can be insulated from political interference It examines issues of parliamentarianism and devolution in the context of the national controversy around constituency development funds and reveals how Kenya provides a model for understanding constitutional separation of powers It looks at the process for challenging presidential elections and details how the Supreme Court has aimed to set out clear legal and evidentiary standards for how a court ought to deal with a pure political dispute something with which

judiciaries around the world have struggled It explores the evolution of socio economic rights including the right to housing non discrimination and equality before the law as well as the question of how transformative constitutionalism interrogates private power Placing contemporary Kenyan constitutionalism at its heart this work of comparative constitutional law asks what the ongoing global constitutional conversation can learn from the Kenyan experience under its new order risdictions globally which often rely upon precedent from each other s jurisdictions this book examines transformative constitutionalism under the 2010 Constitution and shows that while Kenyan courts have been informed by and been in conversation with global precedent they have crafted unique and particular solutions The book excavates the engagement of Kenyan Courts with the 2010 Kenyan Constitution to highlight the unique and innovative contributions that Kenyan courts have made to global constitutional problems and to suggest pathways for the future Showcasing the jurisprudence of the courts in action this book discusses how and when the power to amend a constitution can be limited or constrained and how constitutional change can be insulated from political interference It examines issues of parliamentarianism and devolution in the context of the national controversy around constituency development funds and reveals how Kenya provides a model for understanding constitutional separation of powers It looks at the process for challenging presidential elections and details how the Supreme Court has aimed to set out clear legal and evidentiary standards for how a court ought to deal with a pure political dispute something with which judiciaries around the world have struggled It explores the evolution of socio economic rights including the right to housing non discrimination and equality before the law as well as the question of how transformative constitutionalism interrogates private power Placing contemporary Kenyan constitutionalism at its heart this work of comparative constitutional law asks what the ongoing global constitutional conversation can learn from the Kenyan experience under its new order s It looks at the process for challenging presidential elections and details how the Supreme Court has aimed to set out clear legal and evidentiary standards for how a court ought to deal with a pure political dispute something with which judiciaries around the world have struggled It explores the evolution of socio economic rights including the right to housing non discrimination and equality before the law as well as the question of how transformative constitutionalism interrogates private power Placing contemporary Kenyan constitutionalism at its heart this work of comparative constitutional law asks what the ongoing global constitutional conversation can learn from the Kenyan experience under its new order risdictions globally which often rely upon precedent from each other s jurisdictions this book examines transformative constitutionalism under the 2010 Constitution and shows that while Kenyan courts have been informed by and been in conversation with global precedent they have crafted unique and particular solutions The book excavates the engagement of Kenyan Courts with the 2010 Kenyan Constitution to highlight the unique and innovative contributions that Kenyan courts have made to global constitutional problems and to suggest pathways for the future Showcasing the jurisprudence of the courts in action this book discusses how and when the power to amend a constitution

can be limited or constrained and how constitutional change can be insulated from political interference It examines issues of parliamentarianism and devolution in the context of the national controversy around constituency development funds and reveals how Kenya provides a model for understanding constitutional separation of powers It looks at the process for challenging presidential elections and details how the Supreme Court has aimed to set out clear legal and evidentiary standards for how a court ought to deal with a pure political dispute something with which judiciaries around the world have struggled It explores the evolution of socio economic rights including the right to housing non discrimination and equality before the law as well as the question of how transformative constitutionalism interrogates private power Placing contemporary Kenyan constitutionalism at its heart this work of comparative constitutional law asks what the ongoing global constitutional conversation can learn from the Kenyan experience under its new order s jurisdictions globally which often rely upon precedent from each other s jurisdictions this book examines transformative constitutionalism under the 2010 Constitution and shows that while Kenyan courts have been informed by and been in conversation with global precedent they have crafted unique and particular solutions The book excavates the engagement of Kenyan Courts with the 2010 Kenyan Constitution to highlight the unique and innovative contributions that Kenyan courts have made to global constitutional problems and to suggest pathways for the future Showcasing the jurisprudence of the courts in action this book discusses how and when the power to amend a constitution can be limited or constrained and how constitutional change can be insulated from political interference It examines issues of parliamentarianism and devolution in the context of the national controversy around constituency development funds and reveals how Kenya provides a model for understanding constitutional separation of powers It looks at the process for challenging presidential elections and details how the Supreme Court has aimed to set out clear legal and evidentiary standards for how a court ought to deal with a pure political dispute something with which judiciaries around the world have struggled It explores the evolution of socio economic rights including the right to housing non discrimination and equality before the law as well as the question of how transformative constitutionalism interrogates private power Placing contemporary Kenyan constitutionalism at its heart this work of comparative constitutional law asks what the ongoing global constitutional conversation can learn from the Kenyan experience under its new order s It looks at the process for challenging presidential elections and details how the Supreme

Court has aimed to set out clear legal and evidentiary standards for how a court ought to deal with a pure political dispute something with which judiciaries around the world have struggled It explores the evolution of socio economic rights including the right to housing non discrimination and equality before the law as well as the question of how transformative constitutional

The New Legal Realism: Volume 2 Heinz Klug, Sally Engle Merry, 2016-05-03 This is the second of two volumes announcing the emergence of the new legal realism At a time when the legal academy is turning to social science for new approaches these volumes chart a new course for interdisciplinary research by synthesizing law on the ground empirical research and theory Volume 2 explores the integration of global perspectives and information into our understanding of law Increasingly local experiences of law are informed by broader interactions of national international and global law Lawyers judges and other legal actors often have to respond to these broader contexts while those pursuing justice in various global contexts must wrestle with the specific problems of translation that emerge when different concepts of law and local circumstances interact Using empirical research the authors in this path breaking volume shed light on current developments in law at a global level

Handbook of Administrative Ethics Terry Cooper, 2019-02-21 Delineating implications for administrative ethics from other fields such as sociology psychology and philosophy this reference provides a comprehensive review of administrative ethics in the public sector Detailing the context within which contemporary ethics training has developed the book examines the effectiveness of ethics training legal and organizational devices for encouraging desired conduct and other topics of particular relevance to the political and social contexts of public administration Written by over 25 leading scholars in public administration ethics the book creates a taxonomy for administrative ethics using the categories of modern philosophy

Constitutionalism and Political Reconstruction Saïd Amir Arjomand, 2007-01-01 This book offers a unique interdisciplinary comparison of the dominant trends in constitutional developments and legal change across different regions of the world in the last half century bringing together the constitution making of the post colonial era with the post communist political reconstruction and globalization of constitutionalism
