## **Presidents And Prime Ministers:**

*The Presidents & the Prime Ministers* Lawrence Martin, 1983      **Presidents and Prime Ministers** Patricia Lee Sykes, 2000 She reveals how conviction style politicians have appeared in the U S and U K at the same time individuals who articulated similar ideas that adapted liberal ideology to shifting circumstances and who achieved fundamental change at critical moments in their nations histories      The Palgrave Handbook of Presidents and Prime Ministers From Cleveland and Salisbury to Trump and Johnson Michael Patrick Cullinane, Martin Farr, 2022-01-13 This handbook examines the personal relationships between American presidents and British prime ministers It aims to determine how personal diplomacy shaped the Anglo American relationship and whether individual leaders made the relationship special From the great rapprochement of the 1890s to the Cold War and contemporary transatlantic rapport the Anglo American relationship has been one of global significance making presidents and prime ministers central to international security trade and commerce culture and communication Naturally it explores the ideas and convictions of presidents and prime ministers the political parties they led as well as the political images constructed in the media and how the aura of the Anglo American relationship might differ from the reality With a deeper understanding of these political leaders and the relationship they forge with their counterparts we come that much closer to appreciating the dynamics of transatlantic statecraft      **Presidents, Prime Ministers and Majorities in the French Fifth Republic** Sergiu Mişcoiu, Pierre-Emmanuel Guigo, 2024-03-23 This book focuses on the triangle of power dynamics between presidents prime ministers and parliamentary majorities and the way it has evolved throughout the French Fifth Republic the longest lasting semi presidential system What are the main patterns in the functions and interactions of the three institutions How do the personalities of presidents prime ministers and leading parliamentarians shape the dynamics of the institutional system and France s political evolution during each presidential term To what extent do their ideological and partisan affiliations affect collaboration between key political leaders How do the dynamics of inter institutional relations influence the country s overall stability and progress And what are the main lessons of the Fifth Republic s semi presidential experience for countries that based their institutional systems on the French model      **Presidents, Prime Ministers and Chancellors** L. Helms, 2004-12-07 How have the American presidency the British premiership and the German chancellorship changed over the last half century Has there been convergence or divergence in the development of political leadership in the United States and in the two largest democracies of Western Europe And what difference can individual leaders make in an ever more complex political environment Presidents Prime Ministers and Chancellors addresses these questions by looking at the leadership performance of more than two dozen American presidents British prime ministers and German chancellors of the post 1945 period In so doing it offers a unique perspective on the nature of executive leadership in Western democracies that takes into account both the international and the historical dimension of comparison      Prime Ministers and Presidents Charles Hitchcock Sherrill, 1922      **Women**

**Presidents and Prime Ministers in Post-Transition Democracies** Verónica Montecinos, 2017-03-15 This book contributes to our understanding of the trajectories and prerogatives of female political leaders in the varying context of democratization political institutions and cultural norms No woman had been elected leader of a country before 1960 but with democratic transitions on the rise since the 1970s the number of women in executive office gradually became a trend of global scope In 2015 nineteen countries had an elected female Head of State and or Government a proportionally small number that is expected to climb as more women compete for high office sometimes against other female candidates This volume compares how women executives differ in promoting gender equality and advocating for women s rights and interests as well as in their ability to negotiate gender policy agendas Comparative and theoretical chapters on post transition women leaders are complemented by case studies in eight countries in Africa Asia Latin America and Eastern and Central Europe This book will be of use to students and scholars interested in gender studies comparative politics and political leadership

**Comparative Politics: Western Europe and the United States: foundations of comparative politics**, 2005

Presidents, Parties, and Prime Ministers David J. Samuels, Matthew S. Shugart, 2010-05-17 This book provides a framework for analyzing the impact of the separation of powers on party politics Conventional political science wisdom assumes that democracy is impossible without political parties because parties fulfil all the key functions of democratic governance They nominate candidates coordinate campaigns aggregate interests formulate and implement policy and manage government power When scholars first asserted the essential connection between parties and democracy most of the world s democracies were parliamentary Yet by the dawn of the twenty first century most democracies had directly elected presidents David J Samuels and Matthew S Shugart provide a theoretical framework for analyzing variation in the relationships among presidents parties and prime ministers across the world s democracies revealing the important ways that the separation of powers alters party organization and behavior thereby changing the nature of democratic representation and accountability

**Of Presidents, Prime Ministers, and Princes** Anthony Holden, 1984 **President, Prime Minister, Or Constitutional Monarch?** Eugene Victor Rostow, 1990 **Prime Ministers in Central and Eastern Europe** Florian Grotz, Jan Berz, Corinna Kroeber, Marko Kukec, 2025-01-12 Prime Ministers PMs are the most influential powerful and visible politicians in parliamentary democracies Their prominent role has been increasing in Western democracies due to the presidentialization of politics But is this also true for new democracies such as those in post communist Central and Eastern Europe CEE As politics in CEE has been characterized by high personalization weak voter party linkages and strong media influence of political leaders prime ministerial performance may be even more important for the functioning of parliamentary democracy in those countries At the same time conventional wisdom suggests that prime ministers in CEE perform weakly because they lack political experience and operate in an extraordinarily difficult context but this assumption has not been systematically examined To close this research gap this book presents a new conceptual

approach to measuring prime ministerial performance and offers a novel dataset of 131 cabinets in eleven CEE countries between 1990 and 2018. The comparative analyses of this data reveal that the political experience of post communist prime ministers varies considerably: they range from politically inexperienced outsiders to insiders with long standing careers in parliament government and party leadership. At the same time multivariate analyses of the quantitative data and qualitative cases demonstrate that variations in the careers contexts and performance of prime ministers are systematically connected. In this way the book not only qualifies conventional assumptions about prime ministers in CEE but also substantiates the theoretical relationship between their careers contexts and performance. Prime Ministers in Central and Eastern Europe thus contributes to an enhanced understanding of the functioning of post communist democracies and provides new insights for scholarly work engaging with political leadership.

*Comparative Politics* is a series for researchers, teachers and students of political science that deals with contemporary government and politics. Global in scope, books in the series are characterized by a stress on comparative analysis and strong methodological rigour. The series is published in association with the European Consortium for Political Research. For more information visit [www.ecpr.net/eu](http://www.ecpr.net/eu). The series is edited by Nicole Bolleyer, Chair of Comparative Political Science, Geschwister Scholl Institut LMU Munich, and Jonathan Slapin, Professor of Political Institutions and European Politics, Department of Political Science, University of Zurich.

*Government* Donald J. Savoie, 2022-05-22. Citizens have lost trust in their institutions of public governance. In trying to fix the problem, presidents and prime ministers have misdiagnosed the patient, failing to recognize that government bureaucracies are inseparable from political institutions. As a result, career officials have become adroit at managing the blame game but much less so at embracing change. Donald Savoie looks to the United States, Great Britain, France and Canada to assess two of the most important challenges confronting governments throughout the Western world: the concentration of political power and the changing role of government bureaucracy. The four countries have distinct institutions shaped by distinct histories but what they have in common is a professional, non-partisan civil service. When presidents and prime ministers decide to expand their personal authority, national institutions must adjust while bureaucracies grow to fill the gap, paradoxically further constricting government efficacy. The side effects are universal: political power is increasingly centralized, Parliament, Congress and the National Assembly have been weakened, Cabinet has lost standing, political parties have been debased and civil services have been knocked off their moorings. Reduced responsibility and increased transparency make civil servants slow to take risks and politicians quick to point fingers. Government astutely diagnoses the problem of declining trust in government, but presidents and prime ministers have failed to see that efficacy in government is tied to well-performing institutions.

*Presidents with Prime Ministers* Margit Tavits, 2009. This book is about presidents in parliamentary systems. One commonly recurring political debate within parliamentary systems is over whether or not the public should directly elect the head of state. Despite the importance of this topic in practical politics, political scientists have offered little empirical evidence yet made bold

assumptions about the consequences of popular elections for heads of state A common argument is that direct elections enhance presidents legitimacy thereby increasing their activism and encouraging authoritarian tendencies Another popular assumption is that direct presidential elections are more heavily contested and partisan polarizing and dividing political elites and the electorate Proponents of direct elections argue that such elections will help decrease voter alienation and apathy This book challenges the conventional wisdom Using both quantitative and qualitative empirical evidence from democratic systems across the world this book demonstrates that compared to indirect selection methods direct elections do not yield more active and contentious presidents do not polarize political elites or society and do not remedy political apathy Rather presidential activism in both semi presidential and pure parliamentary systems is shaped by political opportunity framework the institutional strength and partisan composition of both parliament and government Further because holding the presidency provides parties with an electoral asset direct and indirect presidential elections can be equally contentious and polarizing Last but not least rather than decreasing apathy direct election is associated with increased voter fatigue and decreased turnout in parliamentary elections by about seven percentage points

Prime Ministers and Presidents Charles Hitchcock Sherrill, 1922

Shattered, Cracked, or Firmly Intact? Farida Jalalzai, 2013-02-12 In the past 50 years fewer than eighty women worldwide have attained the office of prime minister or president In 2010 women held just seventeen of the world's 252 executive posts slightly less than seven percent In *Shattered Cracked or Firmly Intact* Farida Jalalzai explores the patterns of women executive's paths powers and potential impacts examining the global and national mechanisms that prevent women from attaining executive office Combining a broad understanding of global dynamics of executive power with detailed studies of individual women leaders *Shattered Cracked or Firmly Intact* analyzes how institutionally embedded gender expectations limit women's representational impact

**The Informal Powers of Western European Presidents** Selena Grimaldi, 2023-08-14 The book explores how weak presidents directly or indirectly elected can still play a crucial role in the political arena Weak presidents have been distinguished from strong ones by relying on the evaluation of the powers they display according to the constitution Six Western European countries are analysed Germany and Italy which present a consistent constitutional design as weak presidents are elected indirectly and Austria Ireland Finland and Portugal that present inconsistent constitutional design as weak presidents are elected directly In contrast to much of the existing comparative works on presidential powers and activism the book emphasises the role and the use of informal powers beyond that of formal ones In particular a definition and a typology of informal powers are provided as well as an empirical investigation on informal presidential activism The positive outcome of presidential informal interventions are studied by relying on an interactionist approach which combines presidency centred as well as president centred explanations The book argues that when dealing with informal presidential activism the opportunity structure matters but presidential public support matters even more

This is likewise one of the factors by obtaining the soft documents of this **Presidents And Prime Ministers** by online. You might not require more get older to spend to go to the books launch as capably as search for them. ### **Presidents And Prime Ministers Introduction**

In today's digital age, the availability of Presidents And Prime Ministers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Presidents And Prime Ministers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Presidents And Prime Ministers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Presidents And Prime Ministers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Presidents And Prime Ministers books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Presidents And Prime Ministers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Presidents And Prime Ministers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Presidents And Prime Ministers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Presidents And Prime Ministers books and manuals for download and embark on your journey of knowledge?

### **FAQs About Presidents And Prime Ministers Books**

1. Where can I buy Presidents And Prime Ministers books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Presidents And Prime Ministers book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Presidents And Prime Ministers books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently

- dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
  6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
  7. What are Presidents And Prime Ministers audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
  8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
  9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
  10. Can I read Presidents And Prime Ministers books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
