Presidents' Day / Día de Los Presidentes Connor Dayton,2012-01-30 Presidents Day was begun as a holiday to honor George Washington the first president of United States The holiday has since been expanded to celebrate the lives and achievements of all of America s commanders in chief Accessible bilingual texts explain the holiday s origins and offer fun facts about the holiday and its honorees Photographs illustrate both the history behind the holiday and the contemporary celebrations of it **Presidents' Day** Aaron Carr,2014-08-15 An introduction to Presidents Day that discusses traditions special events and more President's day fun , *Presidents' Day* Melissa Ferguson,2021 Presidents Day celebrates the birthdays of George Washington Abraham Lincoln and all U S presidents Some people go to parades visit historical sites or read books about presidents Others dress up in costumes Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways **Celebrating Presidents' Day** Kimberly Jordano,Trisha Callella-Jones,1999 Discusses how anyone can be a president and help out with many things The President's Day Matthew N. Beckmann,2024-10-15 A president s work is defined by two challenges knowing what to do and finding the time to do it While the first of these has commanded extensive attention the second has received little to none until now The President s Day is a groundbreaking study of the history theory and practice of modern presidential time management Matthew N Beckmann argues that the seemingly innocuous task of scheduling turns out to be anything but In choosing what and who will fill their time presidents determine their value define their role and drive their agenda Combining extensive archival research with interviews spanning administrations from John F Kennedy to George W Bush Beckmann exposes each president s signature pattern in terms of when to work how long to work how much to pack in what to prioritize and whom to see along the way In these ways The President s Day demystifies what John F Kennedy called the secret of the presidential enterprise Why Do We Celebrate Presidents' Day? Patty Swinton,2018-07-15 The United States may be a relatively young country but in just over 240 years of independence the United States has had more than 40 presidents Being president isn t

an easy job so every year we take a day to celebrate and honor the presidents of past and present This informative book teaches readers more about the history of the role of president of the United States and highlights particularly influential presidents of the past Colorful images help readers explore how different families like to celebrate Presidents Day
