SAILING WITH COLUMBUS Ilean Baltodano,2025-01-23 For those readers who are relatively unacquainted with

Jewish people Jewish culture and Judaic history this compact book offers a brief overview of the complexities of Judaism in the twenty first century Those readers who are familiar with Jewish culture and history may find here a convenient springboard from which to do further research as facilitated by the enticingly lengthy bibliography In this intrepidly written guide Ilean Baltodano shares what she has learned since she began her odyssey of inquiry Who are the Jewish people Is Judaism a religion When did Jews first arrive in the Americas What lessons can we learn from the Holocaust What is Zionism These are some of the questions that are discussed in a straightforward and compassionate manner Students and adult readers will also enjoy this invitation to learn more about the theory that Christopher Columbus enabled Jews to step foot in the Americas

Made of Shores Amalia Ran, 2011-08-16 This book offers to rethink identities within contemporary Judeo Argentinean fiction by dealing with the transforming notion of Jewishness and of national identity in Argentina It focuses on the dialogue and confrontation between the narrative text and the imaginary national space it questions By reviewing the new material conditions within Argentina and its diasporic communities this book imposes a new reflection on what Judeo Argentinean fiction is all about It reflects on the shifting notion of identity abandoning traditional definitions in order to rather analyze how feelings of alienation and nostalgia echo an era of transculturation and floating borders The novels that this book studies return to the past from a certain distance created by time and space This distance leads the reader to question the relevance of geographical cultural and linguistic differences within identity formation Since its beginning the research of Jewish Latin America has focused on the quest of Jewish immigrants for a consolidated identity social and cultural integration in their receiving societies and recognition within the official and canonical national history Traditional scholarship has paid special attention to the construction of collective memory and the dilemma of double identity Nonetheless the transforming notion of otherness in the last few decades associated traditionally with the Jewish character requires a new approach when discussing contemporary affiliations of Jews in Argentina and their narrative representations New waves of emigration from Argentina at the beginning of the new millennium economic and social disintegration general disillusion with the state apparatus and the gaps left in the collective memory following the years of the military dictatorship redefine personal and collective identities and demand a careful reexamination of the concept of argentinidad and its cultural significances
