Lee, 2016 Presents a doctrine of Scripture based on Hebrews in dialogue with Augustine and Calvin What vision of biblical authority arises from Scripture's own use of Scripture This question has received surprisingly little attention from theologians seeking to develop a comprehensive doctrine of Scripture Today When You Hear His Voice by Gregory W Lee fills this gap by listening carefully to

the Epistle to the Hebrews Lee illuminates the unique way that Hebrews appropriates Old Testament texts as he considers the theological relationship between salvation history and scriptural interpretation He illustrates these dynamics through extended treatments of Augustine and Calvin whose contrasting perspectives on the covenants Israel and the literal and figural senses provide theological categories for appreciating how Hebrews innovatively presents Scripture as God's direct address in the contemporary moment

Scripture, Interpretation, or Authority? Thomas Kazen, 2013-11-15 In this study of motives and arguments in Jesus halakic conflicts Thomas Kazen suggests a way beyond the use of traditional criteria of authenticity Employing results from recent research on the development of halakah during the Second Temple period which outlines trajectories and areas of tension within and between various Jewish movements the author revisits the Synoptic conflict narratives about Sabbath observance purity rules and divorce practices Kazen disentangles theological motives from reasonable historical explanations and suggests relative dates and contexts for motives and arguments often ascribed to Jesus He questions interpretations which focus on unique authority and suggests that Jesus' stance is better explained within the framework of prophetic criticism and a traditional Israelite understanding of Torah With this study he contributes as much to our understanding of halakic development during the Second Temple period as he does to our understanding of the historical Jesus and his relationship to contemporary movements

Interpretation of Aeromagnetic Anomalies Between Latitudes 37°N and 38°N in the Eastern and Central United States Edward G. Lidiak,Isidore Zietz,1976-01-01

Tradition, Interpretation, and Change Kenneth E. Berger,2019-03-15 Minhag custom played a far greater and far more important role in medieval Ashkenazic society than in any other Jewish community In upholding the authority of a custom halakhic authorities frequently asserted that custom prevails over halakhah Furthermore Ashkenazic authorities asserted that Ashkenazic custom is more authentic than the customs of other Jewish communities including those of Sepharad Spain Given the importance attributed to minhag and the influence of the siddur commentaries of the circle of Hassidei Ashkenaz which emphasize the precise formulation of liturgical texts one might assume that Ashkenazic Jewry was committed to preserving ancestral custom and opposed to liturgical change However the reality is that the liturgy of Ashkenaz was never static From a very early time new liturgies and liturgical practices were incorporated into the service the inclusion of various prayers was challenged and variant readings of prayers became standard Tradition Interpretation and Change focuses on developments in the Ashkenazic rite the liturgical

rite of most of central and eastern European Jewry from the eleventh century through the seventeenth Kenneth Berger argues that how a prayer or practice was understood or the rationale for its recitation or performance often had a profound effect on whether and when it was to be recited as well as on the specific wording of the prayer In some cases the formulation of new interpretations served a conservative function as when rabbinic authorities sought to find new alternative explanations which would justify the continued performance of practices whose original rationale no longer applied In other cases new understandings of a liturgical practice led to changes in that practice and even to the development of new liturgies expressive of those interpretations In *Tradition Interpretation and Change* Berger draws upon a wide body of primary sources including classical rabbinic and geonic works liturgical documents found in the Cairo genizah medieval codes responsa and siddur commentaries minhag books medieval siddur manuscripts and early printed siddurim as well as a wealth of secondary sources to provide the reader with an in depth account of the history and history of interpretation of many familiar and not so familiar prayers and liturgical practices While emphasizing the role that the interpretation ascribed to various prayers and practices had in shaping the liturgy of medieval and early modern Ashkenaz Berger illustrates the degree to which Sephardic and kabbalistic influences concern for the fate of the dead the fear of demons and the desire for healing and divine protection from a variety of dangers shaped both liturgical practice and the way in which those practices were understood
