Presumed Guilty:

Presumed Guilty Matt Dalton, 2005 What the jury never knew about Laci Peterson's murder and why Scott Peterson should not be on death row *Presumed Guilty* Scott Turow, 2025-01-14 Read Scott Turow's new unputdownable courtroom drama from the 1 New York Times bestselling author of *Presumed Innocent* the phenomenon that redefined the legal thriller and is the basis for Apple TV's most watched drama series ever Kristin Hannah 1 NYT bestselling author No one does it better David Baldacci 1 NYT Bestselling Author The truth is Turow is just better at this than the rest of us Greg Iles 1 NYT Bestselling Author This is manna for legal thriller fans Booklist starred review This easily ranks among Turow's best Publishers Weekly starred review An absorbing and entertaining read Kirkus Rusty is a retired judge attempting a third act in life with a loving soon-to-be wife Bea with whom he shares both a restful home on an idyllic lake in the rural Midwest and a plaintive hope that this marriage will be his best and his last But the peace that's taken Rusty so long to find evaporates when Bea's young adult son Aaron living under their supervision while on probation for drug possession disappears If Aaron doesn't return soon he will be sent back to jail Aaron eventually turns up with a vague story about a camping trip with his troubled girlfriend Mae that ended in a fight and a long hitchhike home Days later when she still hasn't returned suspicion falls on Aaron and when Mae is subsequently discovered dead Aaron is arrested and set for trial on charges of first degree murder Faced with few choices and even fewer hopes Bea begs Rusty to return to court one last time to defend her son and to save their last best hope for happiness For Rusty the question is not whether to defend Aaron or whether the boy is in fact innocent it's whether the system to which he has devoted his life can ever provide true justice for those who are presumed guilty *Presumed Guilty* Tess Gerritsen, 1993 Miranda's ex-lover is found murdered She had a motive and the opportunity After being arrested for the crime Miranda is shocked to learn she's been released on bail bail posted by someone determined to remain anonymous Is someone trying to help Miranda Or is someone trying to manipulate Miranda and draw her into the dark and secret world of a murdered man where everybody's presumed guilty **Presumed Guilty** Martin D. Yant, 2009-12-30 The American judicial system is far too often a source of injustice for the innocent rather than justice for the guilty Despite all the alleged protections built into the trial process a person facing criminal charges is virtually presumed guilty until proven innocent not the reverse *Presumed Guilty* is about thousands of innocent Americans who each year are convicted of serious crimes they did not commit Many are convicted of crimes that did not even occur Journalist Martin Yant vividly and dramatically explains the process by which American justice is miscarried providing carefully researched details about more than 100 wrongful convictions Yant's writing reveals both passion and frustration as he explains how most mistaken convictions could easily be avoided No criminal justice system is infallible he writes but most errors aren't the result of carefully considered decisions that happen to be wrong He cites examples of outrageous carelessness investigations that conform facts to predetermined theories the use of long discredited investigative techniques rampant prejudice and the

desire of police and prosecutors to win convictions at any price even if evidence is fabricated to do so Yant goes on to propose achievable solutions that would not only prevent years of imprisonment for the wrongfully convicted but also save the lives of innocent individuals who face the increasingly used death penalty Presumed Guilty reveals not only how often the American justice system goes awry but how easily and how quickly it is possible to become its victim Until Proven Innocent Stuart Taylor, Jr., K. C. Johnson, 2008-09-30 Brutally honest unflinching exhaustively researched and compulsively readable 2Until Proven Innocent2excoriates those who led the stampede in the Duke Lacrosse rape case but it also exposes the cowardice of Duke's administration and faculty John Grisham *Presumed Guilty* Tess Gerritsen, 2012-11-13 Miranda Wood's ex-lover is found stabbed to death in Miranda's bed with Miranda's kitchen knife Despite her protests of innocence Miranda is shocked to learn she's been released on bail posted by someone anonymous **Rising from the Ashes: Los Angeles, 1992.
