Wheat Kings and Pretty Things G.S. Wiley, 2017-08-09 As soon as he graduated high school Paul Thompson fled the tiny heavily Ukrainian town of Liddon Saskatchewan for bigger and better things Now in his late thirties Paul owns a struggling art gallery in Toronto His grandmother's one hundredth birthday is approaching and Paul will return to place where he grew up for the first time since he left The town and the province don t match Paul s memories Have they changed Or has he He reconnects with Dylan Shevchenko an old friend who now teaches phys ed in Regina When Paul learns his grandmother had an Aboriginal son he never knew about he wonders what else he missed while he was away Did he make the right choice all those years ago He receives the rare opportunity to start over when he discovers a gallery for sale in Regina He s faced with a choice between his youthful dreams in the big city and making a life with Dylan in a place that somehow finally feels like home World of Love Stories of romance that span every corner of the globe **Filmmaking of Stephen Frears** Lesley Brill, 2018-02-22 Stephen Frears has a career approaching over half a century directing films of astonishing variety beauty and daring and yet many often have trouble remembering his name The Ironic Filmmaking of Stephen Frears celebrates this great filmmaker beginning with a short biography of Frears general observations on unifying themes and styles in his oeuvre and the characterization of his manner of directing By focusing on 10 key films Lesley Brill finds coherence in Frears characteristic irony and in his concentration on many kinds of love In movies such as My Beautiful Laundrette Dangerous Liaisons High Fidelity The Queen Philomena and many others Frears portrays widely varied situations and characters with a combination of insight skepticism and sympathy He has the passionate unjudgmental focus of an artist who stands simultaneously at a distance from his subjects and within their worlds Through Frears work is widely admired Brill argues that he has attracted little scholarly writing because of a combination of the diffidence of his self presentation and the difficulty of explicating the complex ideas and characters of his films The Ironic Filmmaking of Stephen Frears is meant to inspire others to further examine his films individually and his career as a whole
