Radha Sings, Gopis Speak Kamal Kapur, 1987 Radha-Krsna Ashim K. Bhattacharyya, 2007-07 In his book *R dh Krsna* Sunil Gangopadhyay did not treat Krsna and R dh as god and goddess He described them as common ordinary human just like us His description of the love between R dh and Krsna therefore had sensual connotations following the custom of many literary publications of the past like Jayadeva's *Gitagovinda* and many *Pad bali Kirtanas* However we have to remember that Krsna is the Param Brahma that is the Supreme Spirit as defined in the Hindu Dharma Sh stras Shrimati R dh is his consort or his Shakti that is power The Prema that is love between them is devotional and spiritual love Krsna and R dh's devotional love plays are the R sa Lil of Bhagav n Shri Krsna and his Shakti R dh *The Condensed Gospel of Sri Ramakrishna*

Radhayan Harsha V. Dahejia,2019-03-23 About the Book Of all the mythic characters in the Hindu pantheon none is more enigmatic and evocative than Radha Appearing for the first time in Jayadeva s Gita Govinda where she is the ultimate beloved she traverses political dynasties royal ateliers and social barriers to emerge as a consort of Krishna Brought alive by poets developing a colourful presence in the hands of painters dancing through prosceniums and acquiring a lyrical life through songs both classical and popular Radha is present in homes and havelis celebrated by the the samajika and the rasika has a presence in temples and roadside shrines as a symbol of pure and eternal love And yet there are so many questions about her life poets differ in their portrayals of her historians argue dancers claim her through their

interpretations and for the common person she is now a shringara rasa nayika and now a goddess But Radha stands steadfastly alone refusing to be bound down by poets or potters dancers or singers Harsha V Dehejia weaves an enchanting story of Radha with a multicoloured thread where myth blends into history and fiction challenges reality and Radha emerges in all her poetic glory in this spellbinding story Vijay Sharma and his team of artists bring Radha colourfully alive with miniature paintings for it is there rather than sculpture that Radha resides She is essentially kavyamaya her origins are in the minds of poets it is there that she grows dallies and evolves And while her voice is heard in songs and her footsteps resonate with dancers it is in miniature paintings through line and colour that Radha comes alive as a multidimensional many nuanced paragon of love This is Radhayan About the Author Harsha V Dehejia has a double doctorate one in medicine and other in ancient Indian culture both from Mumbai University He is also a member of the Royal College of Physicians of London Glasgow and Canada all by examination He is a practising Physician and Professor of Indian Studies at Carleton University in Ottawa Canada His main interest is in Indian aesthetics
