Brian Magee, 1986 **Lively Oracles of God** Gordon Jeanes, Bridget Nichols, 2022-02-15 This book reexamines what we often take for granted how Scripture is presented to worshipers how it is heard especially by those with little experience of the life of the church Scripture s role in mediating the great narratives of incarnation and redemption at the high points of the year where Scripture meets people in ritual transition how the Bible itself provides the language of much public prayer Contributors also consider how the relationship between Scripture and liturgy is tested by new priorities the climate crisis the inclusion and protection of children the recognition and honoring of those who find themselves on the margins of the church and the significance of gender and identity in all areas of the church s life This book does not offer definitive statements It is an invitation to a wide audience to engage in new conversations with their practice of worship Light in the Darkness Paul Turner, 2017-06-29 Although the Catholic funeral rite has not changed in the past few decades society has Parishes have new questions to face that their liturgical book does not consider eulogies by family members the final disposition of cremated remains and the collapse of the traditional three stage funeral liturgy Light in the Darkness takes a fresh look at the pastoral challenges society is posing while giving concrete suggestions for implementing the vision of the Catholic Church s Order of Christian Funerals The appendix includes catechetical materials for families planning a funeral and an extended commentary on all the Scripture readings for a funeral Mass *Preparing Parish Liturgies* Rita Thiron, 2004 Preparing Parish Liturgies provides historical background synopses and careful outlines of the Church s major liturgical books and documents Then with easy to understand language helpful charts and sound liturgical principles the author arms both the veteran and the novice with practical tools for preparing parish liturgies that are both faithful to the Church s rich tradition and sensitive to the pastoral needs of their assemblies *Preparing a Catholic Funeral* Kenneth Koehler, 2012-08 In a revised and expanded edition this simple pamphlet continues to guide us in dealing with death and arranging in advance for funerals These booklets are often purchased in bulk by institutions to distribute to people of all ages to help them plan final arrangements or to families of the deceased immediately after a death The original edition was
