Reading Henry James in the Twenty-First Century Dennis Tredy, Annick Duperray, Adrian Harding, 2019-06-04 To commemorate the recent centennial of Henry James's death and to help readers understand the depth and scope of the author's influence both today and during the previous century thirty leading Jamesian scholars from twelve different countries and five continents were asked to explore ways in which the notions of heritage and transmission currently come into play when reading James The resulting chapters of this volume are divided into three main sections each focusing on different ways in which James's legacy is being re-evaluated today from his influence on key authors playwrights and film makers over the past century Part One to new discoveries regarding European authors and artists who influenced James Part Two to recent approaches more radically re-evaluating James for the twenty-first century including contemporary poetics political and sociological dimensions cognitive science and queer studies Part Three This collection will be of great interest to scholars and general readers of James and is a useful guide to tracing the writer's ever elusive figure in the carpet and understanding the power of his continued impact today Telling in Henry James Lynda Zwinger, 2017-03-23

Telling in Henry James argues that James's contribution to narrative and narrative theories is a lifelong exploration of how to tell but not as Douglas has it in *The Turn of the Screw* in any literal vulgar way James's fiction offers multiple and often contradictory reading in directions Zwinger's overarching contention is that the telling detail is that which cannot be accounted for with any single critical or theoretical lens that reading James is in some real sense a reading of the disquietingly inassimilable fictional machinery The analyses offered by each of the six chapters are grounded in close reading and focused on oddments textual equivalents to the particles James describes as caught in a silken spider web in a famous analogy used in *The Art of Fiction* to describe the kind of consciousness James wants his fiction to present to the reader Telling in Henry James attends to the sheer fun of James's wit and verbal dexterity to the cognitive tune up offered by the complexities and nuances of his precise and rhythmic syntax and to the complex and contradictory contrapuntal impact of the language on the page tongue and ear

Such Silver Currents Monty Chisholm, 2021-01-01 This is the first biography of a mathematical genius and his literary wife their wide circle of well known intellectual and artistic friends and through them of the age in which they lived William Clifford died in 1879 at the age of 33 During his short life he became renowned not only for his innovative and lasting mathematics but also for his philosophy which embraced the fundamentals of scientific thought the nature of the physical universe Darwinian evolutionary theory the nature of consciousness personal morality and law and the whole mystery of being It is now recognised among mathematicians and physicists that Dirac's theory of the electron fundamental to modern physics is based on Clifford algebra He also anticipated Einstein's idea that space is curved The year after his election to the Royal Society Clifford married Lucy Lane the journalist and novelist During their four years of marriage they held Sunday salons which were attended by many well known scientific literary and artistic personalities After William's

death Lucy became a close friend and confidante of Henry James Her wide circle of friends included Rudyard Kipling Thomas Hardy George Eliot Leslie Stephen Thomas Huxley Sir Frederick Macmillan Oliver Wendell Holmes Jr Monty Chisholm has researched the lives of these two influential people from archive material biographies of those who knew them and hitherto unpublished collections of letters Her insight not only into the lives of the Cliffords but also into the period in which they lived makes for fascinating and lively reading The book is further enhanced by a personal reflection on William Clifford s mathematics in the Afterword by the celebrated mathematician Sir Roger Penrose O M

Unpacking the Personal Library Jason Camlot, J.A. Weingarten, 2022-07-01 Unpacking the Personal Library The Public and Private Life of Books is an edited collection of essays that ponders the cultural meaning and significance of private book collections in relation to public libraries Contributors explore libraries at particular moments in their history across a wide range of cases and includes Alberto Manguel's account

of the Library of Alexandria as well as chapters on library collecting in the middle ages the libraries of prime ministers and foreign embassies protest libraries and the slow transformation of university libraries and the stories of the personal libraries of Virginia Woolf Robert Duncan Sheila Watson Al Purdy and others The book shows how the history of the library is really a history of collection consolidation migration dispersal and integration where each story negotiates private and public spaces Unpacking the Personal Library builds on and interrogates theories and approaches from library and archive studies the history of the book reading authorship and publishing Collectively the chapters articulate a critical poetics of the personal library within its extended social aesthetic and cultural contexts **The Reader's Digest of Books** Helen Rex Keller, 1917

Reading Dante Gabriel Rossetti Brian Donnelly, 2016-03-03 A revolutionary figure throughout his career Dante Gabriel Rossetti's work provides a distinctly revolutionary lens through which the Victorian period can be viewed Suggesting that Rossetti's work should be approached through his poetry Brian Donnelly argues that it is both inscribed by and inscribes the development of verbal as well as visual culture in the Victorian era In his discussions of modernity aestheticism and material culture he identifies Rossetti as a central figure who helped define the terms through which we approach the cultural productions of this period Donnelly begins by articulating a method for reading Rossetti's poetry that highlights the intertextual relations within and between the poetry and paintings His interpretations of such poems as the Mary's Girlhood sonnets the sonnet sequence *The House of Life* and *The Orchard Pit* in relationship to paintings such as *The Girlhood of Mary Virgin* and *Ecce Ancilla Domini* shed light on Victorian ideals of femininity on consumer culture and on the role of gender hierarchies in Victorian culture Situating Rossetti's poetry as the key to all of his work Donnelly also makes a case for its centrality in its representation of the dominant discourses of the late Victorian period faith sex consumption death and the nature of representation itself **180 Masterpieces You Should Read Before You Die (Vol.2)** Virginia Woolf, P.
