Jaime Clark-Soles

Reading The Gospel:

Reading the Gospels Wisely Jonathan T. Pennington, 2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture. It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically. Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible. Yield material for theological reflection and moral edification. Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as historical sources. Rather, he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation.

Reading the Gospels with the Church Raymond E. Brown, 2008-08-01 What is the best way of getting interested in Bible reading? Why not start with the passages that the Church reads to us in the seasons dedicated to the great events in the life of Christ: Christmas, Lent, Holy Week, and Easter? That would truly be *Reading the Gospels with the Church*. This book, with its reflections on the Gospels of these seasons, offers a wonderful entry into appreciation of the Bible. And since many mainline Churches have the same Gospel readings on Sundays, it is a book that can serve all. Time magazine called Raymond E. Brown probably the premier Catholic Scripture scholar in the U.S. Brown wrote major books on those portions of the Gospels used by the Church in its most sacred seasons, and no surer guide can be found to their wealth. Best of all, he here digests his thought in the attractive style employed in *Catholic Update*, a style aimed at enabling all to understand. This book is a fascinating introduction to the riches of the Gospels.

Reading the Gospel of Mark as a Novel Geert Van Oyen, 2014-11-12 The world is flooded with novels about secret messages or hidden texts. They all pretend to reveal the ultimate truth of Jesus. In this book, Geert Van Oyen goes back to the oldest Gospel and explores its story as a challenging and revolutionary message for any reader. By employing a narrative critical approach, Van Oyen demonstrates how the narrator accompanies readers in their quest for the identity of the protagonist, Jesus. Along the way, readers will discover that faith in Jesus is not a matter of theoretical truth but of practical experience. Who can remain indifferent when they hear the paradox at the heart of the Gospel? Whoever wishes to become great among you must be your servant, and whoever wishes to be first among you must be slave of all.

Reading the Gospels Christopher McMahon, 2012 **Reading Matthew** David E. Garland, 2001 *Reading Matthew* provides thorough guidance through Matthew's story of Jesus. Garland's commentary reveals the movement of the story's plot while also highlighting the theology of Matthew. *Reading Matthew* is an essential book for students and ministers studying the first Gospel. *Reading the Gospel* John S. Dunne, 2000 *Reading the Gospels* according to Dunne means passing over into the relation of Jesus with his God, the God he calls Abba in prayer, and then coming back from that with a changed vision of life and death. If I pass over into the relation of Jesus with God, then Jesus disappears from in front of me, and I find myself in

relation to what Jesus calls my God and your God When I come back then to myself I see my life in terms of his life and my death in terms of his death and resurrection and I am able to say with Paul I live now not I but Christ lives in me Reading the New Testament as Christian Scripture (Reading Christian Scripture) Constantine R. Reading Jesus

Vance L. Toivonen, 2012-04

For more than five hundred years the Bible has been referred to as the Word of God. Yet even before the Bible was written, there was a Living Word spoken through prophets and through Jesus of Nazareth that ultimately echoes through the centuries. Pastor Toivonen relies on his nearly thirty years of preaching as well as studying and interpreting the Bible to inspire others to contemplate how God speaks in the contemporary world and whether God prefers flesh and blood to ink and paper. While sharing his careful examination of how the Bible came to be the Word of God through a very human process and why the Word of God is intended to be living and breathing as opposed to a book, Toivonen offers intriguing insights and commentary that encourages spiritual seekers to embark on a personal journey to answer their own questions about the Bible, its authority, and its trustworthiness. Reading Jesus offers encouragement to anyone ready to consider a deeper and more meaningful relationship with Jesus of Nazareth and apply the Word of God to truly live God's way today.

Reading the Gospels Today

Stanley E. Porter, 2004

As ancient documents, the New Testament Gospels can seem distant.

from contemporary life or irrelevant to modern society Further complicating the task of reading the Gospels is the way they seem to introduce differing if not competing pictures of Jesus Reading the Gospels Today is meant to help Bible readers understand and move beyond the difficulties involved in interpreting Scripture in our current context In these insightful studies several biblical scholars explore the content of the Gospels while also discussing how to read these writings in relation to each other and in terms of today s world Some chapters consider issues that vex Gospel criticism others look at particular texts or Synoptic themes still others demonstrate how one s immediate interpretive context helps to raise the issues and shape the answers that are found when we read the Gospels Well organized thoughtfully written and widely accessible this volume will serve to draw readers into the exciting field of contemporary Gospels study Contributors Craig A Evans Michael Knowles Andrew T Lincoln Allan Martens Lee Martin McDonald Stanley E Porter Al Wolters Yong Eui Yang
