Readings about the Social Animal Elliot Aronson, 1984      **The Mystique of Dreams** G. William Domhoff, 2023-04-28 A fascinating strand of the human potential movement of the 1960s involved the dream mystique of a previously unknown Malaysian tribe the Senoi first brought to the attention of the Western world by adventurer anthropologist psychologist Kilton Stewart Exploring the origin attraction and efficacy of the Senoi ideas G William Domhoff also investigates current research on dreams and concludes that the story of Senoi dream theory tells us more about certain aspects of American culture than it does about this distant tribe In analyzing its mystical appeal he comes to some unexpected conclusions about American spirituality and practicality This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1986 A fascinating strand of the human potential movement of the 1960s involved the dream mystique of a previously unknown Malaysian tribe the Senoi first brought to the attention of the Western world by adventurer anthropologist psychologist Kilton Stewart      *The Self-Knower* R.A. Wicklund, Martina Eckert, 2013-06-29 The self knower has become a hero within many contemporary cultures This hero goes by various different titles including the self insightful the self actualized the autonomous and mature the representative of independent thinking the morally virtuous and many more The common denominators of civilization s preoccupation with the self knower are 1 the mundane popular literature that draws our attention to our inner being and 2 the remarkable intensity of therapies and quasitherapies that promise insight into the true core of our inner being A characteristic example from an extensive week or month long training course would read Come because you want to discover your self Through Mr X the group leaderl we can realize our true identities This gives our lives sense and perspective We have tried to trace the logic underlying the diverse self knower movements and have found three common themes underlying them For one the varieties of theories and treatments associated with self knowl edge are interested exclusively in the appearance of the self knower Each representative of the self knower school has its own set of criteria for identifying the self knowing person and in tum each member of the self knower school represents certain convictions about how individuals should be evaluated For instance if someone manifests warmth and char ity that person is likely to be pronounced healthy adjusted and self knowing
