## **Readings In Criminal Law An Anthology:**

**Document Retrieval Index** ,1972      **Criminal Justice in America** Barry W. Hancock,Paul M. Sharp,1996 This anthology of original primary source materials exposes readers to the major components of the American justice system This anthology features 28 articles divided into six parts that cover law enforcement courts corrections juvenile justice public policy as well as an overview of the criminal justice system For anyone interested in a collection of current articles that cover the major areas of the criminal justice system      **Using Organizational Theory to Study, Explain, and Understand Criminal Legal Organizations** Danielle S. Rudes,Jason R. Ingram,2024-09-20 This book explicitly and intentionally uses organizational theory concepts and ideas to examine key issues in the criminal legal realm Addressing some of the many organizational theories this volume examines a variety of approaches and theoretical frameworks to explore and explain challenges that are both presented to and faced by the criminal legal system and the individuals served by or working within it This volume is divided into two parts organizational theories and organizational concepts and ideas Within these parts individual chapters provide readers with new lenses or frameworks for considering criminal legal organization including one that involves organizational theoretical explanations for how and why criminal legal organizations and their staff and workers operate in these critically salient spaces The book concludes with a chapter that outlines important considerations for anyone seeking to learn or teach organizational theory as a way of explaining or understanding criminal legal organizations Additional reading suggestions and two sample syllabi are provided The book is ideal for criminal justice and criminology undergraduate and graduate students but is also relevant to individuals considering criminal legal organizations in courses in sociology law and society and organizational behavior      **Men and Feminism** Shira Tarrant,2009-05-12 There s no denying that men s involvement and interest in feminism is key to its continuing relevance and importance Addressing the question of why men should care about feminism in the first place Men and Feminism lays the foundation for a larger discussion about feminism as a human issue not simply a women s issue Men are crucial to the movement as fathers brothers husbands boyfriends and friends From why to how to what can men do Men and Feminism answers all the questions men have about how and why they should get behind feminism      **Public Policy, Crime, and Criminal Justice** Barry W. Hancock,Paul M. Sharp,1997 Offers a whole system view of public policy crime and criminal justice with original articles on various topics ranging from a general discussion of public policy the causes of crime and the components of the criminal justice system to the implications for policy      **Criminal Law** Arnold H. Loewy,2001      *Federal Probation* ,1992      *Federal Antitrust Law* Daniel J. Gifford,Leo J. Raskind,2002 The first chapter of this book provides an historical review of antitrust law in terms of the political and economic ideas which have shaped it throughout its development In the successive chapters the authors provide a sense of the manner in which changes in the underlying economic analysis have shaped the application of the statutes by the enforcement agencies and the courts The authors have addressed the antitrust issues raised by recent

changes in technology in the rise of global markets and in the structure of health care markets by devoting three separate chapters to Intellectual Property International Trade and Health Care Author Commentaries throughout the book are designed to probe the doctrinal and policy issues raised by the case excerpts In keeping with the objective of providing the economic analysis that may amplify and clarify the legal and policy issues the authors have also taken into account recent trends in the relevant economic literature Professors and adjunct professors may request complimentary examination copies of LexisNexis law school publications to consider for class adoption or recommendation Please identify the book s you wish to receive provide your institutional contact information and submit your request here
