Readings In Feminist Rhetorical Theory:

Feminist Rhetorical Theories Karen A. Foss, Sonja K. Foss, Cindy L. Griffin, 1999-02-23 Providing fully developed rhetorical theories from feminist perspectives this book offers coherent systematic overviews of complex large bodies of work and ideas relevant to rhetoric and communication The book presents theories developed from the work of nine feminist theorists each from diverse standpoints demonstrating the diversity of both feminism and feminist rhetorical theories Chris Kramarae Bell Hooks Gloria Anzaldua Mary Daly Starhawk Paula Gunn Allen Trinh T Minh ha Sally Miller Gearhart and Sonia Johnson The resulting theories differ substantially from traditional rhetorical theories and will encourage scholars to rethink many traditional rhetorical constructs

Readings in Feminist Rhetorical Theory Karen A. Foss, Sonja K. Foss, Cindy L. Griffin, 2004 With a broad conceptualization of rhetorical scholarship and theory in mind editors Karen A Foss Sonja K Foss and Cindy L Griffin have compiled essays and readings by feminist theorists whose work has relevance for rhetorical theory This volume introduces readers to multiple feminist voices and perspectives and contextualizes theory as a way of framing experiences and events The editors provide readers an inclusive accessible collection of readings by key contemporary feminist theorists as well as spirited approachable introductions to their work and their lives Readings in Feminist Rhetorical Theory features and pays homage to the work of nine influential theorists Cheris Kramarae bell hooks Gloria Anzaldua Mary Daly Starhawk Paula Gunn Allen Trinh T Minh ha Sally Miller Gearhart and Sonia Johnson As the editors explain in their Introduction these feminist theorists are featured because they have sufficiently large bodies of work that constitute coherent theories about communication or rhetoric and contribute to the re conceptualization and transformation of rhetorical constructs and theories The editors introduce each theorist historically and conceptually through a brief biography and a discussion of the key ideas in the pieces selected The works of each theorist represent the general content and form of the theorist's body of work span the time period over which the theorist has been writing tracing the evolution of her ideas directly address concerns relevant to rhetorical theory or symbol use vary in terms of types of work essays poems short stories to capture the range of each theorist's genre Readings in Feminist Rhetorical Theory is ideal for students in upper level undergraduate and graduate courses in Communication Studies Women's Studies and English and is an excellent companion volume to Feminist Rhetorical Theories

Rhetorica in Motion Eileen E. Schell, K. J. Rawson, 2010-01-31 Rhetorica in Motion is the first collected work to investigate feminist rhetorical research methods in both contemporary and historical contexts The contributors analyze the decision making processes and methodologies employed in deciphering the origins meanings theories workings and manifestations of feminist rhetoric The volume examines familiar themes such as archival literary and online research but also looks to other areas of rhetoric such as disability studies gerontology aging studies Latina o queer and transgender studies performance studies and transnational feminisms in both the United States and larger geopolitical spaces Rhetorica in Motion incorporates previous views of feminist research outlines a set of

principles that guides current methods and develops models for undertaking future inquiry including working as individuals or balancing the dynamics of group research The text explores how feminist research embodies what has come before and reflects what researchers institutions and instructors bring to it and what it brings to them Underlying the discovery of this volume is the understanding that feminist rhetoric is in constant motion in a dynamic that resists definition *The History and Theory of Rhetoric* Luke Winslow, James A. Herrick, 2025-08-19 By tracing the traditional progression of rhetoric from the Greek Sophists to contemporary theorists this updated eighth edition gives students a conceptual framework for evaluating and practicing persuasive writing and speaking in a wide range of settings including written visual and digital media Through an expansive historical purview the book illustrates how persuasive public discourse performs essential social functions and shapes our societies drawing on the ideas of many of history s greatest thinkers and theorists This new edition includes an integrated exploration of non Western rhetorics an updated account of contemporary rhetoric and an enhanced analysis of rhetorical theory in a digital age Known for its clear writing style and contemporary examples throughout *The History and Theory of Rhetoric* emphasizes the relevance of rhetoric to today s students This revised edition serves as a core textbook for rhetoric courses in both English and communication programs covering both the historical tradition of rhetoric and contemporary rhetoric studies A suite of online resources including a detailed instructor s manual PowerPoint slides and videos from Dr Winslow can be found on the Instructor and Student Resources website at www.routledgelearning.com/historyofrhetoric *The Present State of Scholarship in the History of Rhetoric* Lynée Lewis Gaillet, Winifred Bryan Horner, 2010-03-15 Through two previous editions *The Present State of Scholarship in Historical and Contemporary Rhetoric* has not only introduced new scholars to interdisciplinary research but also become a standard research tool in a number of fields and pointed the way toward future study Adopting research methodologies of revision and recovery this latest edition includes all new material while still following the format of the original and is constructed around bibliographical surveys of both primary and secondary works addressing the Classical Medieval Renaissance and eighteenth through twentieth century periods within the history of rhetoric *The Present State of Scholarship in the History of Rhetoric* doesn t simply update but rather recasts study in the history of rhetoric The authors experienced and well known scholars in their respective fields redefine existing strands of rhetorical study within the periods expand the scope of rhetorical engagement and include additional figures and their works The globalization and expansion of rhetoric are demonstrated in each of these parts and seen clearly in the inclusion of more female rhetors discussions of historical and contemporary electronic resources and examinations of rhetorical practices falling outside the academy and the traditional canon New to this edition is a cumulative review of twentieth century rhetoric along with a thematic index designed to facilitate interdisciplinary or specialized study and scholarly research across the traditional historical periods As programs incorporating rhetorical studies continue to expand at the university level students and researchers are in need of up to date bibliographical resources No other work

matches the scope and approach of *The Present State of Scholarship in the History of Rhetoric* which carries scholarship on rhetoric into the twenty first century *Rhetoric in Popular Culture* Barry Brummett, 2022-09-19 The Sixth Edition of Barry Brummett's *Rhetoric in Popular Culture* provides readers with in depth insight into the techniques of rhetorical criticism to analyze the full spectrum of contemporary issues in popular culture Exploring a wide range of mass media texts including advertisements magazines movies television popular music and social media Barry Brummett presents key rhetorical concepts and applies them with critical analysis to a variety of exciting examples drawn from today's popular culture Ideal for courses in rhetorical criticism the new edition includes new and updated sample critical essays and case studies that demonstrate for readers how the critical methods discussed can be used to study the hidden rhetoric of popular culture

Century Communication: A Reference Handbook William F. Eadie, 2009-05-15 The discipline of communication has grown in popularity from the time professors of journalism and speech decided in the mid 1960s that the term communication was an excellent general descriptor for the theory and research that each group aspired to create Over time the two groups grew closer and recognized significant overlap in their theoretical and research interests but there were also differences in their traditions that kept them apart While both groups agreed that communication is a practical discipline journalism professors focused a great deal of their attention on the education of media professionals Speech professors on the other hand often were more oriented to the liberal arts and valued the fact that communication could be approached from a variety of traditions including the arts humanities social sciences and even the sciences A key term in 21st Century communication however is convergence Not only are media and technology converging with each other to produce new means of communicating but individuals are increasingly using both new and existing communication tools to create new forms of communication This convergence forces the various camps within the communication discipline to draw upon each other's theories and research methods to keep up with explaining the rapidly changing communication environment This convergence of ideas and theories provides a space to challenge conventional ways of thinking about the communication discipline and that's the goal of the SAGE 21st Century Reference Series volumes on Communication General Editor William F Eadie has sought to honor the diversity of the study of communication but also integrate that diversity into a coherent form dividing communication study into four basic properties 1 processes 2 forms and types of communication 3 characteristics to
