Catalog Washburn University of Topeka, 1906 Political Readings of Descartes in Continental Thought Alon Segev, 2019-08-22 Descartes philosophy plays a special role in the works of both renowned and marginal writers in the Continental Tradition particularly in their views on society and politics This is the first book length study to consider political responses to Descartes in 19th and 20th century European thinkers Alon Segev shows how on the one hand Continental authors utilize Descartes philosophy to advance the core ideas of Enlightenment and to combat the movements and systems of Capitalism Materialism Absolutism Fascism Nazism and Neo Paganism however on the other hand Segev also demonstrates that Continental authors have also discerned in Descartes philosophy the main source of all these maladies of modernity These opposing views are examined as they are unfolded in known and forgotten texts by authors such as Vico Sorel Nietzsche Husserl and Heidegger and by lesser known figures such as Baader Borkenau and B hm By exploring celebrated and overlooked texts and authors Alon Segev both details the Cartesian influence on the touchstone thinkers of

political modernity and also fills a wide historical gap in the research providing a significant contribution to the discussion about the crises of the contemporary social and political world In short this book enables us through Descartes to assess the advantages and shortcomings of modern society **Calendar** University of Saskatchewan,1924
