Readings In Rehabilitation Administration:

Readings in Rehabilitation Administration T.F. Riggart,J.R. Lorenz,1985-01-01 *Readings in Rehabilitation Administration* fills the gap in the training of human service administrators and managers The selections reflect the growing needs trends and new requirements that directly affect the human services at both the national and local levels This text meets the needs of those innovative educators who are responsive to the needs of students the human resource field and the disabled While practitioners are well trained in their field many have little or no education or training for the management roles they assume *Readings in Rehabilitation Administration* provides for the first time a curriculum content to prepare new administrators The articles included cover a wide range of not only current trends but classic topics which have passed the test of time An extensive bibliography categorizes rehabilitation administration management articles published during the past decade

Handbook for Management of Human Service Agencies T. F. Riggart,Ralph E. Matkin,1986 A basic guide for individuals responsible for developing and or operating comprehensive or specialized human service programs Drawing on more than a decade of classroom experience and development and incorporating standards from the Commission on Accreditation of Rehabilitation Facilities 1985 Edition Riggart and Matkin have created a management tool that is as practical for human service providers as it is for students Here is the fundamental management knowledge required to establish or manage all types of human service programs and facilities The text is organized into 23 sections that describe tasks ranging from constructing mission statements and admission criteria to developing start up budgets and allocating space for both direct and indirect services Each section provides definitions and guidelines practical examples exercises and selected references While the focus is on the practices of the private not for profit sector those working in a profit oriented setting will find many of the sections and exercises to be valuable aids for developing operating and maintaining successful programs
