Introduction to Instructed Second Language Acquisition Shawn Loewen, 2025-03-10 Now in its third edition *Introduction to Instructed Second Language Acquisition* continues to present a structured comprehensive introduction to ISLA's theoretical, empirical, and pedagogical themes as well as a range of key issues in research and practice. Designed for ease of teaching, the text includes separate sections for empirical evidence and pedagogical implications in order to demonstrate how research findings can successfully be implemented in the classroom. Activities and discussion questions as well as points for reflection facilitate discursive learning and critical thinking. This third edition has been thoroughly updated to reflect the latest developments in the field along with new chapters on psychological, cognitive, and social individual differences respectively. This is an essential core text for courses on ISLA and recommended reading for classes in Language Acquisition more broadly.

The Routledge Handbook of Second Language Acquisition and Language Testing Paula Winke, Tineke Brunfaut, 2020-12-28 This Handbook with 45 chapters written by the world's leading scholars in second language acquisition (SLA) and language testing dives into the important interface between SLA and language testing, shared ground where researchers seek to measure second language performance to better understand how people learn their second languages. The Handbook also reviews how to best measure and evaluate the second language (L2) learners' personal characteristics, backgrounds, and learning contexts to better understand their L2 learning trajectories. Taking a transdisciplinary approach to research, the book builds upon recent theorizing and measurement principles from the fields of applied linguistics, cognitive science, psychology, psycholinguistics, psychometrics, educational measurement, and social psychology. The Handbook is divided into six key sections: 1. Assessment concepts for SLA researchers; 2. Building instruments for SLA research; 3. Measuring individual differences; 4. Measuring language development; 5. Testing specific populations; and 6. Measurement principles for SLA researchers.

The Routledge Handbook of Second Language Acquisition and Pedagogy of Persian Pouneh Shabani-Jadidi, 2020-07-16 The *Routledge Handbook of Second Language Acquisition and Pedagogy of Persian* offers a detailed overview of the field of Persian second language acquisition and pedagogy. The Handbook discusses its development and captures critical accounts of cutting-edge research within the major subfields of Persian second language acquisition and pedagogy as well as current debates and problems, and goes on to suggest productive lines of future research. The book is divided into the following four parts: I. Theory-driven research on second language acquisition of Persian; II. Language skills in second language acquisition of Persian; III. Classroom research in second language acquisition and pedagogy of Persian; and IV. Social aspects of second language acquisition and pedagogy of Persian. The *Routledge Handbook of Second Language Acquisition and Pedagogy of Persian* is an essential reference for scholars and students of Persian SLA and pedagogy as well as those researching in related areas.

The Routledge Handbook of Second Language Acquisition and Technology Nicole Ziegler, Marta González-Lloret, 2022-01-31 Technology-mediated language learning has matured over the past few decades with various

tools and contexts now widely used in language education for all ages and levels. Many of today's language learners have experienced technology as an ever-present feature both within and beyond the classroom, highlighting how the role of technology has expanded into many daily activities and underscoring how research in Second Language Acquisition (SLA) can inform and support the use of established and emerging technologies. The role of technology in language learning has continued to grow with the recent COVID-19 global pandemic, further demonstrating the potential contributions of technology for supporting and facilitating second language development. Answering this increasing interest, this Handbook provides students, teachers, and scholars with a comprehensive collection of chapters on foundational topics and key issues related to technology, SLA, and where relevant, pedagogical applications. Chapter 25 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non-Commercial No Derivatives 4.0 license available at <http://www.taylorfrancis.com>.
