relationship with Jesus Christ to share it with others But recently we have drifted away from making disciples focusing instead on other things In this study author Rev Dr Marsha L Williams shows that discipling as the foundational mission of the church outlined by Jesus in the Great Commission is cyclical and intergenerational and that churches must maintain a current and vibrant message for every new generation As part of her doctoral thesis Williams interviewed recent graduates from the Emmanuel Baptist Church of Tinton Falls New Jersey to update church practices that attract and keep the postmodern generation by evaluating the effectiveness of discipling programs She now considers which practices were fruitful and why explores alternative methods for discipling generation next and develops new activities and relationships to grow an intergenerational link resulting in the disciplined becoming the disciples *Ready, Set, Go!* Sandra
