Real Aa Beyond The Myth Of 12step Recovery

Steven H. Propp

Real Aa Beyond The Myth Of 12step Recovery:

The Real AA Ken Ragge, 1998 The Real AA is the result of Ken Ragge's journey through AA and its for profit institutional variants The book covers virtually all aspects of AA and the traditional treatment system the disease theory of alcohol abuse AA's origins and development AA's ideology and indoctrination process and AA's institutional forms An invaluable resource to alcohol abusers their friends and their families

The Quest for the Inner Human Steven H. Propp, 2013-12-03 Psychology means the study of the soul it is the social science concerned with investigating who we are why we have certain feelings and why we do the things we do Are we no more than a vast assembly of nerve cells and their associated molecules Is biology our genetic inheritance destiny or does social upbringing play a crucial role What are the roles played by Nature and by Nurture Are we purely physical beings or is there an aspect that can be called spiritual This thought provoking novel takes you on a journey of intellectual and emotional exploration considering along the way questions that we've all asked ourselves such as Is it true that we only use 10% of our brains Does playing classical music for infants increase their intelligence Do crime rates go up during a full moon Can hypnosis or post hypnotic suggestions make us do something we wouldn't normally do Does subliminal advertising influence us to buy products Are our memories stored indelibly almost like a tape recorder What causes memory lapses as we age Can repressed traumatic memories be recovered through hypnosis Do some people have multiple personalities How can I tell if someone has a neurosis or a psychosis Do men have an inner feminine side and women an inner masculine Are there innate psychological differences between males and females The four main characters in this book will guide you through a diverse and sometimes bewildering world of differing approaches to answering such questions such as Freudian Jungian and Adlerian Humanistic Existential and Transpersonal as well as Cognitive Emotive and Behaviorist Along the way you will learn about the developmental stages proposed by psychologists such as Erikson Kohlberg Piaget and Fowler and even explore some of the questions currently being asked by both neuroscientists and philosophers of the mind Start reading to begin your study of our innermost selves

Why Early A.A. Succeeded Dick B, 2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you

are in AA or another 12 Step program and want to understand the program by using the Good Book in the way AA's founders and pioneers did. Author Dick B has spent 21 years researching the biblical roots and sources of early AA's program. He has published 42 titles on the subject. And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as AA Al Anon and the many other 12 Step groups. The four books including this very title are: 1 The Good Book and The Big Book AA's Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early AA 3 By the Power of God A Guide to Early AA Groups 4 Why Early AA Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers. We recommend you obtain and use all four as a set. This particular title has the much requested, much needed and highly useful guides for AAs and other self help people in today's recovery arena. The power and deliverance and love of the Creator are available today. They have simply been obscured by New Age language on spirituality, higher powers, any god and just plain idols that abound in today's room talk and literature. There are plenty of books on Bible study. There is none that addresses early AA's own endorsements of Bible study, its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself. This is a how to book. It doesn't tell you what to believe, how to believe or what to join. It does tell you how to read the Bible, understand early AA ideas and victories founded on the Bible and put the whole deliverance picture together for yourself. The set of four books will point up four different areas of need and the solutions. First, what is the evidence in AA of Bible ideas and language? The Good Book and The Big Book. Second, what is the meaning of real meditation and Quiet Time as they were practiced? Good Morning. Third, how did they and can you today accomplish coordinating recovery ideas with God's own ideas in groups? By the Power of God. Finally, in this title, just what can you look for and use in the Bible now? Why Early AA Succeeded. Treat yourself to the facts. You will no longer find them in Twelve Step Recovery or Therapy writings. Yet they were the heart of early AA's Program and successes. **Misunderstanding**

Addiction Micheal M. Pop M. ED., 2010-07. If one tries to imagine the amounts of money that have been spent by federal and state governments coupled with what has been spent by private citizens in battling substance abuse over the last thirty years, it would amount to an almost unimaginable figure. There have been many books written that offer criticism regarding the traditional twelve step treatment approaches to addiction. The problem has been that most of these efforts have failed to offer a viable alternative to traditional treatment. Those that have attempted to do so have merely suggested that singular treatment strategies such as Cognitive Behavioral Therapy, Psychodynamic Therapy, Gestalt Therapy, etc. should be implemented in conjunction with traditional treatment. **Misunderstanding Addiction** outlines a more holistic treatment method that can be implemented in a variety of environmental contexts that do not require patients to be institutionalized for them to be effective. **Misunderstanding Addiction** has the potential to radically alter the way that addictions are treated in this country. At a time when healthcare is foremost in the thoughts of our nation's citizens, **Misunderstanding Addiction** offers

a timely and important look at how addiction treatment should be undertaken now and in the future to ensure an effective outcome for the patient **How to Change Your Drinking** Kenneth Anderson, 2010-06-22 For those who want to moderate control or eliminate alcohol drinking and for whom the standard 12 step approach of AA does not work Supports goals of safer drinking reduced drinking or quitting **Recovery Monographs Volume II** William White, 2015-11-06 The addictions treatment field is reaching a tipping point that is revolutionizing the ways that behavioral health leaders think about people with alcohol and other drug problems and how services and systems are developed Recovery Management Recovery Oriented Systems of Care contains six monographs by renowned recovery advocate William L. White and colleagues These monographs provide insight and analysis of the topics important to today's addiction counselors and recovery coaches recovery oriented systems of care recovery management peer based recovery services and treating addiction as a chronic condition that requires ongoing management **Alcoholics Anonymous** Charles Bufe, 1997-12-01 This well researched painstakingly documented book provides detailed information on the right wing evangelical organization Oxford Group Movement that gave birth to AA the relation of AA and its program to the Oxford Group Movement AA's similarities to and differences from religious cults AA's remarkable ineffectiveness and the alternatives to AA The greatly expanded second edition includes a new chapter on AA's relationship to the treatment industry and AA's remarkable influence in the media [Responding to the Oppression of Addiction, Fourth Edition](#) Rick Csiernik, William Rowe, Gabriela Novotna, 2023-02-07 Responding to the Oppression of Addiction brings together the voices of over 40 academics and social work practitioners from across Canada to provide a diverse and multidimensional perspective to the study of addiction This thoroughly updated edition features eight new chapters and streamlines the content of the previous editions with chapters condensed and combined to create a more accessible text The fourth edition features new content on themes such as residential schools prevention initiatives special needs of different populations policy perspectives framed within an anti oppression standpoint cognitive behavioral therapy and the emerging topic of problem gambling Returning chapters have been updated with contributors providing more in depth examinations of trauma informed approaches The entire volume has a strengthened anti oppressive framework on both an overarching and by chapter level This celebrated and varied collection is an indispensable resource for upper level students graduate students and practitioners working in the fields of social work addictions studies and the helping professions FEATURES Thoroughly updated chapter by chapter content grounded in an anti oppressive framework with deeper exploration of trauma informed approaches Provides an authoritative analysis of the practices and policies that contribute to the construction of the meaning of addiction through a Canadian lens *Henrietta B. Seiberling* Dick B., 2006 Dick B. is an active recovered member of the fellowship of Alcoholics Anonymous He is a writer historian Bible student Retired attorney and Recovered AA who has sponsored more than 100 men in their recovery The author has devoted 16 years of his life to researching the Biblical history and roots of Alcoholics Anonymous and has published 26 titles 120 articles and

over 20 audio talks on the subject He is the leading AA history scholar and historian

Narratives of Addiction Kevin McCarron, 2022-01-03 Narratives of Addiction Savage Usury is the first book to argue in the face of more than a century's received wisdom that drug addiction and alcoholism are undoubtedly evidence of individual moral flaws However the sense of morality that underlies this book is completely severed from Christianity Instead it is influenced in particular by the writings of the nineteenth century German philosophers Arthur Schopenhauer and Frederick Nietzsche both of whom insisted that a genuine morality was actually incompatible with Christianity The sequence of chapters moves from addictions on the streets into rehab clinics and finally into the meetings of Alcoholics Anonymous and Narcotics Anonymous This is the first book to argue that the search for pleasure drives alcoholism and drug addiction and not the numbing of pain Throughout the book I reject the claims of the medical profession as embodied by the American Medical Association that drug addiction and alcoholism are diseases and further argue that they do not have the authority to tell hundreds of millions of Americans that addiction is not a moral failing I also query throughout the book the claims of neuroscience psychology and the social sciences that addictions to alcohol and drugs are attributable to causes that their specific disciplines are best suited to understand I argue that there is nothing complex about addiction it is a simple behavioural disorder The language routinely employed to discuss addiction is similarly not complex just confused and so it is also the rhetoric of addiction discourse especially its use of simile metaphor and euphemism that this book evaluates

Cured Dick B., 2006 Early AAs were cured of Alcoholism For a decade the pioneers said so Alcoholism can still be cured and this book explores in detail the myth that revisionists therapists and treatment folk have perpetuated while ignoring that the original cures were achieved by reliance on the Creator The whole meaning history and detours of the cure situation are thoroughly explored

Research on Alcoholics Anonymous and Spirituality in Addiction Recovery Marc Galanter, Lee Anne Kaskutas, 2008-12-05 It was once taken for granted that peer assisted groups such as Alcoholics Anonymous had no real value in recovery from addiction More recently evidence based medicine is recognizing a spiritual component in healing especially when it comes to addiction The newest edition of Recent Developments in Alcoholism reflects this change by focusing on the 12 step model of recovery as well as mindfulness meditation and other spiritually oriented activity More than thirty contributors bring together historical background research findings and clinical wisdom to analyze the compatibility of professional treatment and nonprofessional support day to day concepts of relapse prevention the value of community building in recovery and much more Among the topics covered 1 How and why 12 step groups work 2 The impact of the spiritual on mainstream treatment 3 The impact of AA on other nonprofessional recovery programs 4 AA outcomes for special populations 5 Facilitating involvement in 12 step programs 6 Methods for measuring religiousness and spirituality in alcohol research Whether one is referring clients to 12 step programs or seeking to better understand the process this is a unique resource for clinicians and social workers Developmental psychologists too will find

Volume 18 Research on Alcoholics Anonymous and Spirituality in

Addiction Recovery a worthy successor to the series **Overcoming Your Alcohol, Drug & Recovery Habits** James DeSena, 2002-09-01 Recognizing that an addiction to 12 step programs can be just as dangerous as an addiction to alcohol or drugs this book provides techniques to counter the self defeating beliefs that lead to addiction It enables those who have gone through Alcoholics Anonymous Narcotics Anonymous and formal 12 step addiction treatments to overcome the self destructive beliefs and attitudes that these programs promote These include the idea that addicts and alcoholics are powerless the belief that addiction is an incurable disease the assertion that people who slip inevitably lose control and the notion that those who reject the 12 step approach are doomed Devoted to helping individuals indoctrinated in 12 step dogma recognize their destructiveness this book provides effective psychological techniques to vanquish negative thinking and help individuals regain control of their lives **Holy Waters** Ryan Lemasters, Stephen Covell, 2024-07-10 This edited volume brings together scholars from across disciplines to examine the relationship between religion and alcohol It examines the historical social ritual economic political and cultural relationship between religion and alcohol across time periods and around the world Twelve chapters are tied together by two major themes first gender identity and its intersection with religion and alcohol second identity construction in religious communities demonstrating how alcohol can be used as a distinguishing factor for religious ethnic and national identity A key focus of the volume is how alcohol can bridge and divide the point at which the sacred and secular meet With its interdisciplinary approach and engaging style this book is an essential resource for undergraduate and graduate students in religion departments and appeals to scholars of material culture food and alcohol Additionally the book is of interest to professionals in the alcohol industry particularly those involved in microbrewing and winemaking who are interested in understanding the historical and cultural contexts of their craft

12-step Horror Stories Rebecca Fransway, 2000 Since leaving Alcoholics Anonymous after 17 wasted years Fransway has devoted herself to exposing horrifying first person accounts of physical sexual and emotional abuse in 12 step programs

God and Alcoholism Dick B., 2002 This book traces A A s real Bible based pioneer program It highlights the early view that relief from alcoholism and addictions can be obtained and a cure received by turning to God The author discloses his own recovery and deliverance within the rooms of A A and applauds the great and unique role of the society during the 20th Century Alternative Publishers of Books in North America Byron Anderson, 2006 This directory is a unique reference tool that gathers information on significant alternative presses 126 U S presses 19 Canadian and 18 international presses having either a North American address or distributor Thirty three presses are new to this edition **AA Not the Only Way** Melanie Solomon, 2008 A discussion of alternative resources for addiction treatment including a comprehensive directory of licensed professionals and treatment programs **RESOLVE** Richard Bolstad, 2002-03-21 The RESOLVE framework provides structure to NLP s brief therapy approach to personal change Wonderfully clear and easy to follow for all therapists wishing to help clients make fundamental life changes quickly and effectively A must read for any professional trainer or

psychotherapist L Michael Hall PhD Cognitive behavioural psychologist author and international trainer A History of Addiction & Recovery in the United States Michael Lemanski, 2001 The American 12 step addictions treatment system is a mess It s hideously expensive 10 billion a year and almost utterly ineffective Despite treating tens of millions of Americans it has done essentially nothing to lower the rate of alcohol and drug abuse in this country This book traces our current addictions treatment system from its beginnings to the present day and explains how and why it developed in the way that it did But A History of Addiction and Recovery in the United States goes beyond this and provides practical information on the effectiveness of a wide variety of treatment and self help approaches Because of the ineffectiveness of the dominant treatment approaches and self help groups individuals looking for assistance in dealing with addictions problems would be well advised to explore alternative treatment and recovery options This book will provide the reader with invaluable help in that exploration

This is likewise one of the factors by obtaining the soft documents of this **Real Aa Beyond The Myth Of 12step Recovery** by online. You might not require more get older to spend to go to the books establishment as well as search for them. Real Aa Beyond The Myth Of 12step Recovery Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Real Aa Beyond The Myth Of 12step Recovery PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant

information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Real Aa Beyond The Myth Of 12step Recovery PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Real Aa Beyond The Myth Of 12step Recovery free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Real Aa Beyond The Myth Of 12step Recovery Books

1. Where can I buy Real Aa Beyond The Myth Of 12step Recovery books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
