Politico-economic Dynamics of Eastern Europe Reginald Trevor Davies, 1980 *Financial Reforms in Eastern Europe* Kanhaya Gupta, Robert Lensink, 2006-08-21 This book presents a model which simulates the effects of financial reforms in transitional economies which is then applied to Poland for a variety of policy simulations The authors develop models for households commercial banks and firms expanding their enquiry into the government sector the central banking sector the external sector and finally the supply side These sub sector models explicitly incorporate institutional features specific to the Polish economy The estimated model is used to simulate the effects of a wide array of financial policies introduced in Poland and these results are then used to assess the effectiveness of the policies analyzed This timely and authoritative study sheds new light on how a country's overall economic system responds when it pursues a big bang approach to marketization

**Diversity of Capitalism in Central and Eastern Europe** Eric Magnin, Nikolay Nenovsky, 2022-07-13 This book explores the hypothesis of the emergence of a dependent capitalism in Central and Eastern Europe In a first theoretical part this book presents the main approaches that structure the field of comparative capitalism and then examines this model shaped by the inflow of foreign capital In an original way it proposes to integrate the form of the monetary regime into the dependent capitalism analysis and to extend it to Balkan countries The monetary regime is seen as complementary to the other elements of the institutional configuration of dependent capitalism In the second part the authors adopt a historical and empirical perspective First they demonstrate how dependent capitalism

has emerged in Central and Eastern Europe and the Baltic States over the last 30 years as part of the process of socio economic transformation that began in 1990 The crisis of 2008 was an indicator of this dependence on Western capital Secondly they extend the analysis to the Balkan countries and show that dependence is even stronger for them particularly in the monetary area as evidenced by the implementation of currency boards or euroization phenomena This book is of interest to academics and students as well as to business and economic policy makers
