Includes Reflection Questions for Personal or Group Use Great for understanding grandsons too Some mother son relationships seem to add credence to the adage that men are from Mars women are from Venus Even mothers who have a close bond with their sons may think they harbor a complete stranger when their male offspring reach puberty Fuller is a speaker and author as well as mother of three two boys and a girl and grandmother of six She lists specific activities that all sons need from their mothers such as encouragement communication prayer and confidence building She adds questions at each chapter s end to ponder journal or discuss lending the book to both individual and group study Recommended for the parenting section of any church library Church Libraries *Current Issues Facing Men and Boys* Benjamin A.

Hine,2024-12-09 This important book offers an accessible overview and timely examination of the unique challenges faced by men and boys in contemporary society It covers a wide range of topics including the male mental health crisis the impact of media and popular culture on male identity and issues related to body image as well as education work sexual behaviour relationships and the evolving roles of fatherhood Additionally it addresses the prevalence of violence homelessness substance misuse and specific issues faced by men in institutional settings like the military and prison Written in a user friendly style each chapter contains summary action points and signposts to further resources where relevant The book takes an intersectional approach throughout which continually considers the role of gender ethnicity religion culture class and sexuality in the lives of men and boys It therefore serves as an inclusive and comprehensive resource for promoting a more compassionate society highlighting the need for evidence based interventions and strategies to foster meaningful change that supports the well being of men and boys Emphasizing that addressing men s issues complements and reinforces the broader fight for gender equality this practical book is highly relevant for mental health professionals educators and other practitioners who are interested in understanding the unique challenges that men and boys face It will also be useful reading for students of psychology gender studies sociology health and social care and many other subjects *Ways of Being Male*

John Stephens,2013-10-18 Given the substantial impact of feminism on children s literature and culture during the last quarter century it comes as no surprise that gender studies have focused predominantly on issues of female representation The question of how the same patriarchal ideology structured representations of male bodies and behaviors was until very recently a marginal discussion Now that masculinity has emerges as an overt theme in children s literature and film critical consideration of the subject is timely if not long overdue *Ways of Being Male* addresses this new concern in an unprecedented collection of essays examining how contemporary debates about masculinity are reflected in fiction and film for young adults An outstanding team of scholars elucidates the ways in which different versions of male identity are constructed and presented to young audiences The contributors drawn from a variety of academic disciplines employ international discourses in literary criticism feminism social sciences film theory psychoanalytic criticism and queer theory in their wide ranging exploration of male representation With its illuminating array of perspectives this pioneering survey

brings a long neglected subject into sharp focus      **Boy Writers** Ralph Fletcher, 2023-10-10 Writing test scores indicate that boys have fallen far behind girls across the grades In general boys don't enjoy writing as much as girls What's wrong How can we do a better job of creating boy friendly classrooms so their voices can be heard In *Boy Writers Reclaiming Their Voices* Ralph Fletcher draws upon his years of experience as staff developer children's book author and father of four boys He also taps the insights from dozens of writing teachers around the US and abroad *Boy Writers* asks teachers to imagine the writing classroom from a boy's perspective and consider specific steps we might take to create stimulating classrooms for boys Topic choice emerges as a crucial issue The subjects many boys like to write about war weapons outlandish fiction zany or bathroom humor often do not get a warm reception from teachers Fletcher argues that we must widen the circle and give boys more choice if we want to engage them as writers How We must begin by recognizing boys and the world in which they live *Boy Writers* explores important questions such as What subjects are boy writers passionate about and what motivates them as writers Why do boys like to incorporate violence into their stories and how much should be allowed Why do we so often misread and misunderstand the humor boys include in their stories In addition the book looks at how handwriting can hamstring boy writers and how drawing may help welcoming boy friendly writing genres in our classrooms ways to improve our conferring with boys and more Each chapter begins with a thorough discussion of a topic and ends with a highly practical section titled What can I do in my classroom *Boy Writers* does not advocate promoting the interests of boys at the expense of girls Rather it argues that developing sensitivity to the unique facets of boy writers will help teachers better address the needs of all their students      *Forging the Male Spirit* W. Merle Longwood, William C. Schipper, Philip Culbertson, Gar Kellom, 2011-12-08 Young men undergo significant changes during their years in college They wrestle with big questions which are essentially spiritual questions as they ponder who they are what they believe what kind of persons they want to become and how they might shape the world into something they can feel comfortable being themselves in Those who participate in men's groups realize that their involvement can nurture their inner lives as they explore these questions and connect to transcendent values and a vision of a larger whole This book includes historical and sociological perspectives on men and spirituality and an expanded case study of how one campus pioneered in the development of men's spirituality groups which became a model for other campuses It includes quantitative empirical research that explores college men's openness to spirituality and their interest in men's groups The book's most extensive discussion is based on a qualitative analysis of thirty six interviews with male college students focusing on their understanding of the relationship between their masculinity and their spirituality and how spirituality groups provided a venue in which they could begin to engage what it means to be spiritual and what it means to be a man Contributors include W Merle Longwood William Schipper O S B Philip Culbertson and Gar Kellom      *Securing Our Children's Future* Gary S. Katzmann, 2004-05-13 A Brookings Institution Press and Governance Institute publication A nation of great resources the United States is confronted all too often with headlines

about shootings in schools and with the unsettling reality that homicide rates for juveniles far exceed that of other industrialized nations The challenge of reducing youth violence has prompted a flurry of commentary legislative activity and scholarly studies much of it skewed by lurid pronouncements alarmist sentiments and misleading categorizations Focusing on the role of institutions in combating youth violence this volume seeks to reflect its complex and multidimensional character Copublished by the Governance Institute and the Brookings Institution the book brings together a wide range of skilled professionals and academics across disciplines to focus on the coordination and implementation of youth anti violence strategies The work redefines the way we think institutionally about youth violence and collaborative initiatives providing a pragmatic roadmap for constructive change The essays constitute a new framework to guide key players in the juvenile justice system prosecutors the defense bar the courts correction and probation departments faith based institutions schools the media nonprofit institutions and the private sector
