Real Estate Ethics Good Ethics Good Business:

Real Estate Ethics William H. Pivar, Donald L. Harlan, 1995 Requires students to evaluate problems relationships and hypothetical situations from a liability point of view This book helps the real estate agent when dealing with complex situations It includes many case studies based on real situations and end of chapter questions to highlight ethical questions and solutions

Ethics in Real Estate Stephen E. Roulac, 2013-04-17 ethics Certainly our industry is bound by the formal constraints of law in national state and local jurisdictions What this volume reminds us however is that those laws are only as good as the personal sea of ethics in which each of us operates THE ETHICS OF PROPERTY INVOLVEMENTS Stephen E Roulac The Roulac Group San Rafael California and Visiting Professor University of Ulster Ethical considerations are a dominant theme in the management literature As Ethics and ethical issues surround our liver ethics has become one of the most rapidly growing areas of management research with over 800 articles and 1 400 books appearing since 1990 Schminke Ambrose and Miles 1998 Compared to business and business management however the research and writing on real estate in an ethics context is in the very early stages of development The lack of a developed literature on ethics in real estate is reflected in the response by one highly placed executive to my solicitation for funding to support the publication of this volume I didn t know there were any ethics in real estate Fortunately the Summa Corporation and the American Real Estate Society believe in the importance of ethics in real estate for their cosponsorship has made possible this special monograph on the subject of Ethics in Real Estate The support of the Summa Corporation and the American Real Estate Society of this pioneering volume is warmly and appreciatively acknowledged

Ethics and Real Estate Doris Barrell, 2000

A Companion to Business Ethics Robert E. Frederick, 2008-04-15 In a series of articles specifically commissioned for this volume some of today s most distinguished business ethicists survey the main areas of interest and concern in the field of business ethics Sections of the book cover topics such as the often easy relation between business ethics and capitalism the link between business ethics and ethical theory how ethics applies to specific problems in the business world the connection between business ethics and related academic disciplines and the practice of business ethics in modern corporations Includes extensive accessible discussion of all of the main areas of interest and debate in business ethics Features all original contributions by distinguished authors in business ethics Includes an annotated table of contents bibliographies of the relevant literature and a list of internet sources of material on business ethics Perfect comprehensive book for use in business ethics courses
