Werkmann Horvat, 2021-10-25 Much of the literature on modality focuses at least implicitly on the occurrence of single modal auxiliaries However cross linguistically modal auxiliaries can co occur with one another but under interesting restrictions This monograph examines layered modal constructions and the semantic restrictions under which they combine The main puzzle addressed in the book is the question of ordering restrictions among modal auxiliaries and whether these have any semantic consequences and finally what the conceptual rationale is behind these restrictions Based on the data from Croatian the central proposal is that modal restrictions depend heavily on both modal force and flavour and combine according to a hierarchy that can possibly be extended cross linguistically since it rests on the basis of the conceptual and logical reality of human language The book also offers an in depth overview of the literature on layered modal constructions as well as a valuable and extensive set of analyzed data which will be of great interest for researchers interested in verbal systems modality and Slavic languages **Brand New Justice** Simon Anholt, 2005 Recently vilified as the prime dynamic driving home the breach between poor and rich nations here the branding process is rehabilitated as a potential saviour of

the economically underprivileged Brand New Justice now in a revised paperback edition systematically analyses the success stories of the Top Thirteen nations demonstrating that their wealth is based on the last mile of the commercial process buying raw materials and manufacturing cheaply in third world countries these countries realise their lucrative profits by adding value through finishing packaging and marketing and then selling the branded product on to the end user at a hugely inflated price The use of sophisticated global media techniques alongside a range of creative marketing activities are the lynchpins of this process Applying his observations on economic history and the development and impact of global marketing Anholt presents a cogent plan for developing nations to benefit from globalization So long the helpless victim of capitalist trading systems he shows that they can cross the divide and graduate from supplier nation to producer nation Branding native produce on a global scale making a commercial virtue out of perceived authenticity and otherness and fully capitalising on the last mile benefits are key to this graduation and fundamental to forging a new global economic balance Anholt argues with a forceful logic but also backs his hypothesis with enticing glimpses of this process actually beginning to take place Examining activities in India Thailand Russia and Africa among others he shows the risks challenges and pressures inherent in turning the tide but above all he demonstrates the very real possibility of enlightened capitalism working as a force for good in global terms

Good Taste Alain Ducasse, 2025-01-07 A memoir and manifesto from the world's most Michelin starred chef Alain Ducasse with introductions by internationally renowned writer Jay McInerney and chef Clare Smyth At twelve years old Alain Ducasse had never been to a restaurant Less than fifteen years later he received his first Michelin star Today he is one of just two chefs to have been awarded twenty one stars Now for the very first time Ducasse shares a lifetime of culinary inspirations and passions in a book that is part memoir and part manifesto Good Taste takes us on a journey from his childhood where he picked mushrooms with his grandfather on a farm in Les Landes to setting up groundbreaking schools and restaurants across the world He is now taking off his chef's whites and passing on what he knows to the next generation Ducasse writes a poignant ode to the humble vegetables that have inspired his entire cuisine and to the masters that guided him along the way from Paris to New York to Tokyo As he looks to the future he reflects on just what good taste means

Real Food Has Curves Bruce Weinstein, Mark Scarbrough, 2010-05-11 CURVE YOUR APPETITE Dumping the fake stuff and relishing real food will make you feel better help you drop pounds and most importantly take all the fear out of what you eat Does that sound too good to be true It isn't despite the fact that lately we've given up ripe vegetables for the canned stuff tossed out sweet tart orange juice for pasteurized concentrate traded fresh fish for boil in a bag dinners and replaced real desserts with supersweet snacks that make us feel ridiculously overfed but definitely disappointed The result Most of us are overweight or obese or heading that way more and more of us suffer from diabetes clogged arteries and even bad knees We eat too much of the fake stuff yet we're still hungry And not satisfied Who hasn't tried to change all that Who hasn't walked into a supermarket and thought I'm going to eat better from now on So you

load your cart with whole grain crackers fish fillets and asparagus Sure you have a few barely satisfying meals before you think Hey life s too short for this And soon enough you re back to square one For real change you need a real plan It s in your hands Real Food Has Curves is a fun and ultimately rewarding seven step journey to rediscover the basic pleasure of fresh well prepared natural ingredients curvy voluptuous juicy sweet savory And yes scrumptious too In these simple steps each with its own easy delicious recipes you ll learn to become a better shopper savor your meals and eat your way to a better you Yes you ll drop pounds But you won t be counting calories Instead you ll learn to celebrate the abundance all around It s time to realize that food is not the enemy but a life sustaining gift It s time to get off the processed and packaged merry go round It s time to be satisfied nourished thinner and above all happier It s time for real food Shape your waist rediscover real food and find new pleasure in every meal as Bruce Weinstein and Mark Scarbrough teach you how to Eat to be satisfied Recognize the fake and kick it to the curb Learn to relish the big flavors you d forgotten Get healthier and thinner Save money and time in your food budget Decode the lies of deprivation diets Relish every minute every bite and all of life REAL FOOD REAL CHANGE REAL EASY

Real Sister Jervette R. Ward, 2015-11-02 From The Real Housewives of Atlanta to Flavor of Love reality shows with predominantly black casts have often been criticized for their negative representation of African American women as loud angry and violent Yet even as these programs appear to be rehashing old stereotypes of black women the critiques of them are arguably problematic in their own way as the notion of respectability has historically been used to police black women s behaviors The first book of scholarship devoted to the issue of how black women are depicted on reality television Real Sister offers an even handed consideration of the genre The book s ten contributors black female scholars

from a variety of disciplines provide a wide range of perspectives while considering everything from Basketball Wives to Say Yes to the Dress As regular viewers of reality television these scholars are able to note ways in which the genre presents positive images of black womanhood even as they catalog a litany of stereotypes about race class and gender that it tends to reinforce Rather than simply dismissing reality television as trash this collection takes the genre seriously as an important touchstone in ongoing cultural debates about what constitutes trashiness and respectability Written in an accessible style that will appeal to reality TV fans both inside and outside of academia Real Sister thus seeks to inspire a more nuanced thoughtful conversation about the genre s representations and their effects on the black community
