## **Real Men Raise Their Kids:**

*Real Men Raise Their Kids* Matthew Koven, 2004-10 Have you ever wondered if you are the only sane person in your family? Fear not! Matt Koven's *Real Men Raise Their Kids* travels beyond typical childhood memoir accounts. This humorous collection of boyhood experiences will prove that your family is not the most dysfunctional. Journey from the West Indies to Europe running throughout America's heartland and back covering the entire Deep South in a non-stop account of a passionate and loving father's attempt to raise his family. In modern American society it still remains unusual for fathers to spend large amounts of time with their children; however, in the last decade, children and fathers have begun to spend valuable time with each other. *Real Men Raise Their Kids* humorously explores the results of the emerging trend of fathers taking time from their work to actively partake in the childrearing process. Exposing his family's most turbulent moments, Koven elucidates the benefits that result from fathers actively participating in his child's youth. *Real Men: "What's Happening to our Male?"* Greg Middleton, 2009-09-18 This book looks at the many issues men are facing in this current society. It also looks back into the patterns of the past that caused us to be where we are today. There are several key factors listed in the book that explain why males appear to be off track in understanding and achieving their defined roles as men of today. Boys are not being properly trained in order to become healthy and productive males in this new changed society. Where females seem to be improving and flourishing, males appear to be spiraling downward. Men were born to become the natural leaders and to be the heads of the human family, but with the new changes in the laws and customs of the land, men are not quite sure about their current position as it relates to the new female positions. The law is on the side of equality and equal access, but that is not what men were accustomed to over all the previous years. Males must adjust to this new female model and find their own sense of purpose and fulfillment. *Real Men Keep Their Balls in the Truck* David Houston, 2019-11-21 This book is a lot like many other books on the topic of what constitutes a man. However, that is not the main focus of the book. More importantly, it is not what constitutes a man, but who constitutes a man. All the self-help books on the subject, psychiatrists and their talk shows, and best friends' sage advice at closing time are all the same: insufficient at best, incorrect at worst. This book looks to the most authoritative source on who constitutes a man: the Bible. The world uses a sliding scale to define manhood, defining it in whatever terms is most comfortable at the time. The Bible's definition of a man has not and will not ever change because truth is not a piece of silly putty we get to mold into our view of what is. No. 1 Dad. This book takes specific passages from the Bible and relates them in a way we as Christian men and those that desire to be Christian men can understand and most importantly put into action so that the world may come to understand and believe what the word says. After all, real men are doers, not just hearers. **"Raising Sexually Pure Kids"** Claire Greslé-Favier, 2009 *Raising Sexually Pure Kids* Sexual Abstinence Conservative Christians and American Politics analyzes pro-abstinence discourses issued by the conservative Christian community and the G. W. Bush administration to underline that

abstinence is not a peripheral matter but is a cultural and political issue of great significance in US society especially in the past decade This book seeks to bring to light how pro abstinence discourses coalesce most of the core agendas of conservative Christians like creationism parental rights or the culture war and enabled them and the Bush administration to on the one hand preserve traditional hierarchies and on the other hand maintain the sense of threat necessary to the protection of the status quo and to the enduring commitment of the conservative Christian constituency **Commiefornia**
